**Re: Amended Petition of SPLP, LP, for a Finding that the Situation of Structures to Shelter Pump Stations and Valve Control Stations is Reasonably Necessary for the Convenience or Welfare of the Public in West Goshen Township, Chester County, Docket No. P-2014-2411966 (Main Docket P-2014-2411941)**

Dear Judges Barnes and Salapa:

As Your Honors are aware, Sunoco Pipeline, L.P. ("SPLP") has been in discussions with West Goshen Township in an effort to amicably resolve the above matter, and we are optimistic that a settlement will be consummated shortly. We respectfully request that the time period for West Goshen Township to respond to SPLP's Petition for Leave to Withdraw Pleadings be extended to April 17, 2015, and that your Honors defer decision on the Petition (as regards Docket No. P-2014-2411966), until that date.

Respectfully submitted,

CHRISTOPHER A. LEWIS
