

BOARD OF SUPERVISORS
EAST GOSHEN TOWNSHIP
CHESTER COUNTY
1580 PAOLI PIKE, WEST CHESTER, PA 19380-6199

May 27, 2016

Dear Resident:

East Goshen Township owns and operates two dams; the Milltown Reservoir Dam, located on Reservoir Road, just north of West Chester Pike, and the Hershey Mill Dam, located on Greenhill Road just east of Hershey Mill Road. Both dams are regulated by the Pennsylvania Department of Environmental Protection who has advised the Township that both dams do not meet their current requirements. The concern is that during a major rain event the dams could fail.

In accordance with Township policy this letter is being sent to the owners of property within 1,000 feet of both of the dams.

This letter is to advise you that the Board of Supervisors will hold a special meeting on Tuesday, June 28, 2016 @ 7 pm at the Goshen Fire House located at 1320 Park Avenue, West Chester, PA 19380.

The purpose of the special meeting is to review and discuss the various options and make a decision for each dam.

Information on both dams is available under the "About Us" on the Township Web Site (www.eastgoshen.org).

Sincerely,

Louis F. Smith, Jr.
Township Manager
