

Hello Rick,

As a follow up to our most recent notification, I wanted to take a moment to make you aware that the Line Filling Process for Mariner East 1 is now complete. As you know, Sunoco Logistics began line filling operations on December 19th, progressing region by region across the state to its destination at the Marcus Hook Industrial Complex— located in Marcus Hook, Pennsylvania and Claymont, Delaware. The entire process took approximately 7 days to complete.

On behalf of Sunoco Logistics, I wanted to thank you for your patience and cooperation as we completed our work on Mariner East 1.

As always, please don't hesitate to contact me if you any questions.

Thanks and may you have a great New Year.

Sincerely,
Don Zoladkiewicz
