Right of Way – Southeast PA Regional Office
600 Eagleview Boulevard
Suite 300
Exton, PA 19341
P: (484) 359-7244

Dear East Goshen Township,

We are writing to let you know about our newly opened Right of Way office located in Eagleview Corporate Center, 600 Eagleview Boulevard, Suite 300, Exton, PA. The office provides a convenient location where you can meet with your Right of Way agent or a supervisor to discuss questions or concerns not previously addressed during easement negotiations.

As you know, we have been communicating with you and other landowners regarding our Mariner East 2 Project, in an effort to negotiate the acquisition of a Right of Way easement based on terms that provide fair market value compensation and address conditions specific to your property.

The Mariner East 2 Project is a 350-mile pipeline project that will deliver natural gas liquids such as propane and ethane from the Marcellus and Utica Shale regions to the Marcus Hook Industrial Complex in Delaware County. The project is critical to the production of energy in Pennsylvania, not just the propane that heats homes and powers businesses, but for the continued success of the natural gas industry that has dramatically lowered utility costs for homeowners.

The office will be open by appointment only at the following times:

Wednesday 7:30 A.M. - 1:00 P.M.

Thursday 11:00 A.M. - 6:00 P.M.

Saturday 10:00 A.M. - 2:00 P.M.

If you would like to schedule a personal meeting at our Exton office, please contact us at 484-359-7241, or by email at sunocoextonoffice@sunocologistics.com. For your convenience, we have included a map to our office location with this letter.

Regards,

Bart L. Mitchell
Land Project Manager
