Comprehensive Plan Updating 2015 INPUTS/EDITS

The Board of Supervisors is not satisfied with the most current revision of the Economic Development chapter. The primary objective for the Commerce Commission, per its earlier mission and charges, is to be the Township's "Ambassador" to the business community with emphasis on business retention, expansion, and attraction - to the extent achievable. Each of the CC members can contribute any key ideas to assist the Comp Plan Task Force. These should be sent to Al Zuccarello prior the Comp Plan Task Force meeting on Monday - July 28, 2014.

Goshen Village Shopping Center re Paoli Pike corridor

Landlord Interviews

Al Zuccarello and John Stipe will coordinate to meet will the landlords.

Communication

Don Zemruski recommended that the Township should consider adding the ability for residents and businesses to submit requests through the township website. A specific form would be provided on the site. This could increase response times and provide a convenient method to track requests, as has other Twps on their websites.

Chairman Zuccarello made a motion to adjourn the meeting. John Stipe seconded the motion and the meeting adjourned at 8:15 p.m.

Respectfully Submitted,

John Stipe
