6. Deer-Vehicle Collisions
    - Review & discuss the current DVC reports
7. Lyme Disease
8. Any Other Matter
9. Public Comments on Non-Agenda Items
10. Adjournment

Future meeting schedule: Monday, May 16, 2011

draft

EAST GOSHEN TOWNHIP
DEER COMMITTEE
MEETING MINUTES
August 16, 2010

The East Goshen Township Deer Committee held their regularly scheduled meeting on Monday August 16, 2010 at 7:00 p.m. at the East Goshen Township building. In attendance were: Jim McRee (chairman), Linda Polishuk, Matt Keating, and Chuck Matasic. Also in attendance were Mark Gordon, Cliff Kraft (resident), and one representative from the following deer hunting clubs: Deer Management Professionals, Chester County Trackers and Main Line Whitetail Managers.

1. CALL TO ORDER AND PLEDGE OF ALLEGIANCE

The chairman called the meeting to order at 7:00 p.m. The chairman led the Pledge of Allegiance followed by a moment of silence for our troops.

2. REVIEW AND APPROVAL OF MINUTES

Linda moved to approve the minutes from May 17, 2009 as corrected. Matt seconded the motion. There was no further discussion. The motion passed unanimously.

3. CHAIRMAN'S REPORT

A. 2010 Budget - Jim pointed out that a report as of June 30, 2010 from the Finance Department shows that half of the proposed budget has been used. This may be due to the legal fees which are less than expected. The Board of Supervisors will approve the same budget for 2011. Matt is concerned about the cost of corn. Mark will check to be sure bills went toward the correct category.

4. COMMUNICATION AND EDUCATION

Matt missed the deadline for the fall Newsletter. He will submit an article for the January Newsletter.

5. DEER MANAGEMENT PROGRAM

A. The hunting season will start September 17, 2010. For the 2010 season, the Board of Supervisors authorized the same four groups in the areas they have been hunting. Mark received a request from Ed Jaeger of the Main Line Whitetails to be allowed to use a tripod in the Supplee property. It is an open meadow and the only tree has died.

Jim said the ordinance eliminated the word "tree" stand to allow tripods.

Chuck feels one will be okay. It must be set up according to the manufacturer's requirements.

Mark agreed that they should set a tripod up and work out a system to prohibit use when not there. They should notify him when it is ready and he will inspect it.

The Committee can always review this.

The deer hunt sign at Grand Oak is on the ground.

Mark thanked everyone for getting ready early so he can inspect the areas. Jim asked them to be sure their contact information is correct on the Township website.

6. DEER VEHICLE COLLISIONS

A. Collisions - Jim was happy to report that there were no collisions in May and 8 in June. Linda commented that they tend to happen in the same places.

B. Roadway Protection System – The Growing Greener Grant was not given to East Goshen. Jim suggested moving $8,000.00 from another category to pay for this system. Installation would be done by the Public Works Department. Linda reminded them that the company representative said they can get volunteers for this. Chuck is not in favor of using taxpayers' money for this at this time. He isn't sure it will work. A vote was taken. Matt, Chuck and Linda voted no.

7. LYME DISEASE

A. Mark said the 4-poster units will be removed from the hunting areas. Because of the storm cleanup in the Township, they weren't maintained for a while. There are nine units now, one was destroyed by fire. Also the camera was vandalized. Mark recommended the purchase of 3 new 4-poster units. One will replace the destroyed unit and the others will start the annual replacement program. Chuck moved to request the Board of Supervisors to authorize up to $1,500.00 to buy 3 new 4-poster units. Matt seconded the motion. The motion passed unanimously.

Mark reported that the motion detector on the camera was damaged. It would cost $200 to have it repaired but a new camera with newer technology would probably not cost much more. Matt moved to amend the above motion to add authorization to purchase an in-like trail camera about $300.00. Chuck seconded the amendment to the motion. The motion passed unanimously.

Tick Tubes – Mark said that Agway charges $89.00 for the same system that the Township charges $60.00.

8. ANY OTHER MATTER

A. Jim acknowledged the email from Joseph Buonanno. Jim said that as far as he knows no complaints were received by the Township last year from Mr. Buonanno.

B. Jim acknowledged an email from Lora Zembruski who complemented the Township on the Deer Management Program and Gary Clemson from Tri-State Deer Management Association.

9. PUBLIC COMMENT

A. Cliff Kraft, a resident of Charter Chase, feels the number of deer in the north part of the Township is higher than ever. Mark pointed out that Hershey's Mill is 500 acres that has no hunting as far as he knows. Mark explained the process for hunting on private property. Mr. Kraft commented that the meeting was well run and he was glad to see everyone working together.

10. ADJOURNMENT

The next meeting will be held November 15, 2010. Everyone should be prepared to discuss the Committee's goals for 2011.

Linda moved to adjourn the meeting. Matt seconded the motion. The meeting was adjourned at 9:00 p.m

Respectfully submitted by:

Ruth Kiefer, Recording Secretary

EAST GOSHEN TOWNHIP
DEER COMMITTEE
MEETING MINUTES
November 15, 2010

The East Goshen Township Deer Committee held their regularly scheduled meeting on Monday November 15, 2010 at 7:00 p.m. at the East Goshen Township building. In attendance were: Linda Polishuk, and John Babiec. Also in attendance was Mark Gordon.

Since there wasn't a quorum present, no meeting was held.

Respectfully submitted by:

Ruth Kiefer, Recording Secretary
