LETTER FROM THE CHAIRMAN

Dear Friends, Neighbors and Fellow Residents,

Today is a wonderful day in East Goshen with sun, clouds and possibly a few showers. By the time you receive this newsletter, you should be enjoying a warm summer day. There are many things going on in East Goshen, some of which I will highlight below.

On June 3rd, the Township held its Bi-Centennial Celebration in honor of the separation of Goshen Township into East and West Goshen 200 years ago. There are many people that need to be thanked for their efforts, but none more so than Jason Lang, East Goshen's Director of Park and Recreation, and Bonnie Dean, a resident of West Goshen. It is hard to imagine that this event would have happened without their tireless efforts to pull everything and everyone together.

Now, let's highlight some of the other things that are going on.

In April, the Board of Supervisors held a meeting at Fugett Middle School for **Sunoco Logistics** to make a presentation on what residents can expect during the construction of the Mariner 2 (20 inch) and Mariner 2x (16 inch) pipelines along Boot Road and North Chester Road (Route 352). Approximately 200 people attended this meeting. Sonoco has received the necessary permits to start construction, which began in early May. The technique to be used in the majority of the Township will be Horizontal Directional Drilling (HDD). There will be six drill sites for staging the drilling machines and associated equipment. The drills can drill at an average rate of 100 feet per day. The sections of installed pipe will be welded at each drill site. The exception to this will be at the Hershey's Mill Shopping Center where an open cut technique will be used. There, the ground will be dug up and the pipe installed at a depth of 48 inches.

Sunoco estimates it will take 18 months or so to install the pipe and restore the affected properties. No road closures will be necessary. Sunoco must abide by all Township ordinances.

The plans for the impoundment areas above the **Milltown and Hersey's Mill Dams** have been on the Township website since April for residents to review and make comments. The plans were finalized at the May meetings of the two Dam Committees. The Board of Supervisors will review the plans and may make a decision regarding the plans at its meeting at the end of June.

On My 24th, the Board conducted its **Annual Financial Planning Session** to discuss five and ten year budget projections. In addition, this year we discussed the details involved in a bond financing for the Township's various planned capital projects and our share of the improvements to the West Goshen Wastewater Treatment Plant. Our projects include the breaching of and the improvements to the impoundment areas of the two dams, the construction of the Paoli Pike Trail and the improvements to the Township Park. We have been fortunate to

MEETINGS

East Goshen Township meetings are advertised in the *Daily Local News*.

All Township meetings and workshops, with the exception of Board of Supervisors executive sessions, are open to the public.

Thank You To The Businesses

The Board of Supervisors would like to thank the businesses that appear in this newsletter and to recognize them each as supporters and cornerstones of our community. For it is with their contributions that this newsletter has been produced at minimal charge to our residents.

LETTER FROM THE CHAIRMAN..... *continued from cover*

have received nearly four million dollars in grants for the Paoli Pike Trail and the improvements to the Township Park and we recently filed grant applications for the two Dams. These grants will substantially reduce our financing requirements to complete the work. Jason Lang and Mark Gordon, Director of Zoning and Codes, deserve kudos for their success in obtaining these grants.

The Board approved a change in the **Alarm Systems Ordinance** due to the significant percentage of fire calls that are false alarms compared with our neighboring communities. As a result, new fees have been established for false fire alarms, while false alarms for police have remained the same. The new fees are to encourage residents to maintain their alarm systems. The first two false fire alarms in a rolling 12 month period receive a warning, the 3rd and 4th false fire alarms result in a \$500 fine, the 5th and 6th in a \$1,000 fine and after that, the fine is \$2,000 for each additional occurrence.

East Whiteland Township has contacted us to see if we are interested in revisiting the possibility of improving the intersection of **King Road and North Chester Road (RT 352)**. The Board authorized updating the engineering study prepared by McMahon Associates several years ago.

The Board approved no change in the **Sewer Rates** for this year.

Congratulations to our Park and Recreation Department for winning this year's Governor's Award for Local Government Excellence in Health and Wellness as the State's best program for its Fit and Fun in the Park initiative of 2016.

As mentioned in previous Newsletters, the Township has an e-mail communication platform called "Constant Contact". Residents are able to receive timely information on specific areas of interest. Residents can sign up by going to the Township's website at www.eastgoshe.org.

If you have an interest in giving back to the community, let us know. We are always looking for motivated folks to volunteer to serve on any one of our Authorities, Boards or Commissions.

The Board welcomes feedback and suggestions from our residents. You may call the Township at 610-692-7171, respond through our website or contact me at mshane@eastgoshe.org.

ODDS & ENDS FROM RICK SMITH, TOWNSHIP MANAGER

Sunoco

As I am writing this article, Sunoco has commenced construction on the Pennsylvania Pipeline Project, also known as Mariner East 2. The project will involve the construction of two additional pipelines in East Goshen, bringing the total number of pipelines in the Township to eleven. Information about this project can be found under the "About Us" tab on our website, www.eastgoshen.org, or by calling the Sunoco Hot Line at 1-855-430-4491.

Paoli Pike

The speed limit on Paoli Pike is 35 mph and there are two pedestrian crossings at East Goshen Park. Under the Vehicle Code, the driver of a vehicle **shall** yield the right-of-way to a pedestrian crossing the road. We have requested the police to provide additional enforcement along Paoli Pike.

Leo Kennedy

On behalf of the Township staff, I would like to wish Westtown-East Goshen Police Sergeant Leo Kennedy best of luck in his retirement.

Soliciting

There is a knock on your door or your doorbell rings. You look out the window and see a stranger standing at your front door. The first thing to keep in mind is that **you are under no obligation to open your door**. The second thing is that a permit is required to solicit in East Goshen Township and the person doing the soliciting must display their permit while soliciting.

If you do choose to open your front door and the person attempts to sell you something, ask if they have a soliciting permit. If they do not have a permit and you are not interested in what they are selling, just say you are not interested and close your door. You should then call 911 and report that someone is soliciting at your house without a permit. In addition, if you have signed up on the Solicitors Do Not Call List through the township and someone attempts to solicit at your house, call 911.

While you may think it is overkill to call the police, keep in mind that the person who is soliciting without a permit or soliciting at a house on the Do Not Call List is breaking the law.

IMPORTANT INFORMATION ABOUT THE FALSE ALARM ORDINANCE

The East Goshen Township Board of Supervisors amended the Alarm Ordinance on February 21, 2017. Under the amended ordinance, which went into effect on April 1, 2017, the fees for a false fire alarm were increased as shown below. The Board took this action in an attempt to reduce the number of false fire alarms that the Fire Department has to respond to.

I would note that fees are for false alarms that occur within a rolling 12 month period, which begins on the date of the first false alarm. If another false alarm does not occur within 12 months, the slate is wiped clean.

FALSE FIRE ALARM

- 1st false fire alarm: a warning will be issued;
- 2nd false fire alarm: a warning will be issued;
- 3rd and 4th false fire alarm: \$500;
- 5th and 6th false fire alarm: \$1,000; and
- 7th false fire alarm and for each false fire alarm thereafter: \$2,000.

The complete ordinance is available for review on the Township website: <https://eastgoshen.org/about-us/township-code>.

Mark A. Gordon, Township Zoning Officer

WEST GOSHEN SEWER AUTHORITY IMPROVEMENTS TO IMPACT EAST GOSHEN TOWNSHIP

Wastewater generated in East Goshen Township is treated at two facilities: the Ridley Creek Sewer Plant located near Towne Drive and operated by the East Goshen Municipal Authority, and the West Goshen Sewer Plant, operated by the West Goshen Sewer Authority (WGSA). The Ridley Creek plant handles about 25% of East Goshen Township's wastewater with the remainder going to the West Goshen plant.

The East Goshen Municipal Authority (EGMA) entered into an agreement with the WGSA in 1977, when the West Goshen plant was being expanded. Several other Townships in the area also have agreements with West Goshen.

In addition to paying for wastewater treatment, the EGMA is also responsible for its proportionate share of the cost of any upgrades required at the West Goshen plant. The costs are proportioned based upon a wastewater flow of one million gallons per day, which represents 16.7% of the West Goshen Sewer Plant capacity.

Township staff repairs Ellis Lane after working on the interceptor line.

Public Works prepares a harness for repairs to the Ashbridge Pump Station

The West Goshen Sewer Authority is currently involved in a major capital program to upgrade the sewer plant and its sewer system. These improvements are necessary to meet safety and environmental standards. The cost of the total capital program is estimated to be \$26,000,000. The estimated EGMA share, including plant improvements and sections of the sewer system utilized by East Goshen, is approximately \$4,200,000.

Although the EGMA has some reserves, the estimated project costs will require borrowing funds through a long term bond issue. The EGMA board and the East Goshen township staff are carefully monitoring West Goshen's capital program activities. This has involved attendance at the WGSA monthly meetings, as well as several special meetings. EGMA has had the various projects reviewed by its consulting engineering firm and by its attorney.

The East Goshen Municipal Authority meets monthly on the second Monday of the month at 7:00 p.m. in the Municipal Building.

Ed McAssey, East Goshen Municipal Authority

FINANCIAL UPDATE: EAST GOSHEN TOWNSHIP TO ISSUE SERIES 2017 GENERAL OBLIGATION BONDS

Over the next four to six weeks, it is anticipated that East Goshen will be issuing approximately \$5.3 million in general obligation bonds to pay for various improvements throughout the Township, including:

- Engineering and construction costs, net of grants received for the Paoli Pike Trail (\$2.1 million)
- The breach of the Hershey's Mill Dam, the partial breach of the Milltown Dam and related improvements above the dams (\$2.5 million)
- The improvements to the Township Park, including the playground renovation, outlined in the 2015 Park Master Plan, net of grants (\$600,000).

In addition, it is expected that another \$2.9 million will be issued for the Municipal Authority to fund East Goshen's share of project costs associated with the upgrades at the West Goshen Sewer Treatment Plant (see article on page 4). This portion of the debt will be backed by sewer rates.

Below find a number of **Frequently Asked Questions** about this bond sale:

I've read that East Goshen Township has ample reserves. Why do we need to borrow the money in the first place?

While East Goshen is in a very favorable financial position, an expenditure of over \$5 million would deplete almost all of our cash reserves, and likely force immediate questions about tax increases. Moreover, with interest rates still near historic lows, this is a perfect time to go to the bond market.

How much debt does East Goshen currently have on its books?

Fortunately, East Goshen has very little debt on its books, relatively speaking, and the debt it does have will be paid off within the next six years. All total, East Goshen has about \$4 million in outstanding debt, including \$700,000 for the acquisition of Applebrook Park (matures in 2019); \$2.4 million for various miscellaneous improvements undertaken in the early 2000s (matures in 2023); and \$800,000 for East Goshen's portion of the Westtown-East Goshen police building (matures in 2023). Because of the rapid amortization schedule of Township debt, it will be possible to wrap the new debt service around the existing debt so that most of the principal on the new debt does not become payable until the existing debt has been retired, thereby ensuring that overall debt service costs remain relatively flat from one year to the next.

I've heard that East Goshen has a AAA credit rating? What does this mean and how does the credit rating affect the bond sale?

On June 5th, East Goshen Township received a Aaa credit rating with a Stable Outlook from Moody's Investor Service. This is the highest bond rating that an organization can receive, and much as a high FICO score corresponds with low interest rates on credit cards, mortgages and car loans, so too does a AAA rating substantially reduce an organization's borrowing costs in the bond market. East Goshen Township is one of only seven townships in the Commonwealth to be rated "Aaa" by Moody's and joins Tredyffrin Township and West Whiteland Township as one of only three municipalities in the Commonwealth to have all three taxing authorities—the municipality, the county and the school district—rated "Aaa". This rating reaffirms the AAA rating that the East Goshen Municipal Authority received from the Kroll Bond Rating Agency in 2013.

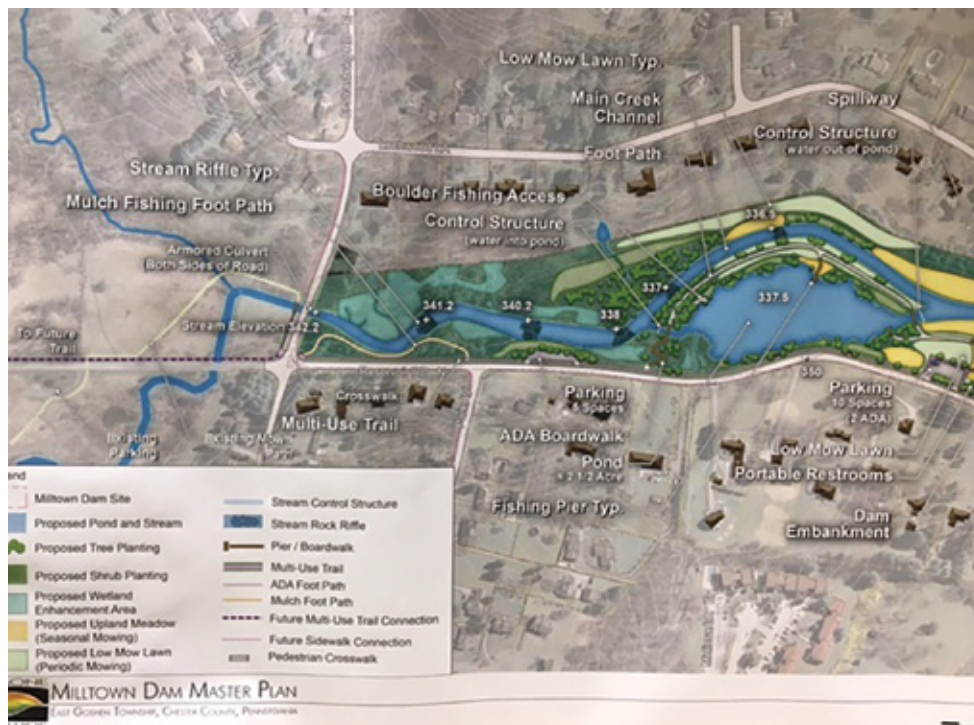

I've got some money that I'd like to invest and also show my support for my Township. How can I purchase these bonds?

The Township plans to issue these bonds through a competitive bond sale, in which large underwriters (e.g. Goldman Sachs, Royal Bank of Canada, JP Morgan Chase, etc) will have an opportunity to bid on the right to purchase the bonds in an on-line auction. A competitive bond sale is different from a negotiated bond sale, in which a municipality selects an underwriter in advance. We are hopeful that the negotiated sale will result in the lowest possible interest rates.

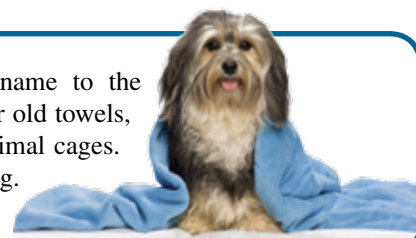

However, one of the drawbacks of a competitive sale is that there is no opportunity to reserve a portion of the new bonds for retail investors at the time of sale. With that said, once the bonds have been sold to the underwriter, you may be able to purchase them—generally in increments of \$5,000—through a brokerage firm.

I've heard the terms "electoral debt" and "non-electoral debt" before. What do those terms mean?

Under the Pennsylvania Local Government Unit Debt Act, municipalities are allowed to borrow up to 250% of their annual revenues without seeking approval from voters. This 250% limit is therefore the threshold at which an organization's debt runs the risk of being unsustainable. For perspective, East Goshen's current outstanding debt represents about 40% of its annual revenues and even with another \$5 million issue, the percentage will still be under 100%.

The Chester County SPCA has changed its name to the Brandywine Valley SPCA and is still looking for old towels, sheets, and blankets to use as bedding in the animal cages. A drop-off bin is located at the Township Building.

AND AWAY WEGO!

On May 27, 2017, Sergeant Leo Kennedy, the police department's longest tenured officer, retired from the police department after 32 years of service. Sergeant Kennedy started his career with the Westtown-East Goshen Regional Police Department in January of 1985 as a patrol officer. Through his interest in traffic safety, he became one of the first accident reconstructionists in Chester County and has participated in the investigation of a large number of serious motor vehicle crashes both with this department and throughout Chester County.

As a result of his commitment and dedication, he established the Traffic Safety Unit within the police department in 1998. This unit became a model that has been copied by other departments throughout the County and has received many awards and recognitions throughout the years. In 2000, he was promoted to the rank of Corporal and he was promoted again to the rank of Sergeant in 2012.

While his professional accomplishments are too many to list, it is his commitment and dedication to the Westtown-East Goshen Police Department and the citizens that it serves that will be his true legacy. Sergeant Kennedy has shown himself to be a leader, role model, and true friend to many within the police department. It is his plan to take a cross-country motorcycle trip shortly after his retirement. This will be the culmination of a lifetime goal and we all wish him safe travels and God speed on his journey.

The Westtown-East Goshen Police Department is also proud to announce that Officer Edmund (Ted) Lewis has been promoted to Sergeant in the Traffic Safety Unit (replacing Leo) and that Officer Robert Dittert has been promoted to full-time Patrol Officer. Congratulations to Ted and Robert!

Happy Retirement

Welcome

WEGO HIRES FOUR NEW PART-TIME OFFICERS

In April, the Westtown-East Goshen Regional Police Department's four newest part-time police officers began patrolling the streets of Westtown, East Goshen, and Thornbury townships after completing a three month field training process. If you see these officers out on patrol, please feel free to introduce yourself and say hello.

Officer Anthony Hughes graduated from West Chester University with a B.S. in Criminal Justice in 2013 and then from the Delaware County Municipal Police Academy in 2014. Officer Hughes began his career in law enforcement with the Collingdale Borough Police Department in 2014 and has also served as a police officer with the West Pikeland Police Department. Officer Hughes enjoys outdoor activities such as fishing and kayaking in his free time.

Officer Scott Weiner graduated from West Chester University with a B.S. in Criminal Justice in 2011 and then from the Delaware County Municipal Police Academy in 2012. Officer Weiner is currently a full-time police officer with the West Chester University Police Department where he has been employed since 2014. Officer Weiner enjoys exercising, playing hockey and soccer, and spending time at the Jersey Shore in his free time.

Officer Chris Dittus graduated from the Delaware County Municipal Police Academy in 2009 and served with the Sharon Hill Police Department from 2010 to 2014. From 2014 to January of 2017, Officer Dittus was employed full-time as a police officer with the Drexel University Police Department. Officer Dittus currently attends Neumann University and is on track to graduate in 2018 with a degree in Public Safety Administration. Officer Dittus enjoys outdoor sports, exercising, and going on runs with his German Shepherd.

Officer Joe Varacalli studied Criminal Justice at Kutztown University between 2006 and 2009 and is a 2012 graduate of the Delaware County Municipal Police Academy. Officer Varacalli began his career in law enforcement with the Chester Township Police Department where he served from 2013 to 2016. In his free time, Officer Varacalli enjoys coaching youth wrestling and spending time with his family and his chocolate lab puppy.

OUTDOOR FUN IN PA!

CORNER

Your state Department of Conservation and Natural Resources is a one-stop shop for all your outdoor and vacation needs in Pennsylvania. DCNR is charged with maintaining and preserving our 120 state parks, managing 2.2 million acres of state forest land and all the fun and adventure to be had there, including the cabins, trails, water sports, boating, beaches and more.

HIKING

DCNR offers **ExplorePAtrails.com**, which is Pennsylvania's community resource for searching, discovering and sharing trail information statewide. There, you can choose any hike among 644 trails spanning more than 11,000 miles. You can also find a calendar of statewide events and information on Hiking Week, which will be observed this year from Thursday, May 25 through Friday, June 2. During Hiking Week, DCNR teams with the Keystone Trails Association to offer free organized hikes and walks. Visit the site to find out which parks will be featured.

CAMPING

Make sure to visit www.dcnr.state.pa.us for information on primitive camping, motorized camping and group camping – the three main distinctions DCNR provides regulation and pointers on. Did you know that you must place your camp more than 100 feet from a waterway in Pennsylvania? Download a fact sheet from the Pennsylvania Bureau of Forestry through the site and read the rules before you start your camping trip. All three forms of camping may require a permit, so it's a good idea to check out the materials on the website while planning your camp-out, including the reservations page.

WATER SPORTS

Heading out on the water as it heats up this summer? DCNR's Rivers Resource Program manages everything from conservation program and grant work to guided water trails for kayaks and canoes. *ExplorePAtrails.com* also contains water trail information in its searchable database, so be sure to check there, too. You'll also want to check fishandboat.com for information on licensing your boat and for even more water trails and programs to enjoy. You can download the PA Boating Handbook there as well.

State Rep. Carolyn Comitta, 156th Legislative District, is an avid kayaker. DCNR offers guided kayak and canoe tours on its water trails throughout Pennsylvania.

BEACHES

Still not finding what you want? Maybe a beach visit to Presque Isle State Park in Erie is more your style. Located in the opposite corner of Pennsylvania from us, Presque Isle offers its visitors a beautiful coastline and many recreational activities. EAST GOSHEN TOWNSHIP: CELEBRATING 200 YEARS!

A LOOK BACK AT OUR FOUNDING DOCUMENTS

On February 3, 1817 the Court of General Quarter Sessions acknowledged a petition from the residents of Goshen Township asking that Goshen Township be divided into two Townships. The Court appointed Richard Thomas, George Massey and John Jacob to determine if the request should be granted and, if so, to propose a dividing line. On June 12, 1817 Richard Thomas, George Massey and John Jacob issued the following report.

In pursuance of the powers vested in the subscribers, we have (agreeably to public notice given) this day met a considerable number of the Inhabitants of Goshen, and having discovered a general voice in favor of a division of said township, coinciding with our own Judgment we propose the following as the dividing line. Beginning at a corner of the lands of John Fordythe and Benjamin Hickman, on the north side of Westtown township, thence a Northerly course along the line dividing said lands, to a corner of John Rettew and Rebecca Hoopers's land, thence along the line dividing said lands, and of said Rettew, Jesse Matlack, Eli Thomas and John Marshall on the East Sides and William Rettew on the West side to the Street Road, thence alone the same Westerly to a corner of Jesse McCall's lands on the West and Nathan Sharples, William Minster and Isaac Haines on the East side to the North West corners of said Haines's land, thence along the lines of said Hain's and land of John Temple an easterly course to the middle of old Chester Road, thence along the middle of the same Northwesterly about fifty seven perches and five tenths, thence a Northerly direction, on the line dividing the lands of John Morgan, Isaiah Fawkes and Benjamin Matlack on the West side and Enos Garrett and Eli Patterson on the East side to intersect West Whiteland township lines, which we propose as a line dividing said township; the East side thereof to be known by the name of East Goshen, and the West side to be known by the name of West Goshen for further illustration we refer to the annexed plot, and add that from our own knowledge and information received, we apprehend the division is nearly in equal parts as relates to taxable property.

Witness our hands and Seals this 12th of 6th month 1817.

AREA TOWNSHIPS TO CONTINUE CITIZEN EDUCATION PROGRAM

The West Chester Area Council of Governments is proud to offer the *Neighborhood University of Greater West Chester*, again this year. Neighborhood University is intended to provide area citizens with the tools necessary to be better advocates for their community by educating them on local government structure, and by increasing their awareness of available municipal services and resources. Developed by the staffs of local municipalities, the free 10-week training program will educate area residents on the inner workings of local government. *Neighborhood University* is open to any citizen 16 or older residing in one of the participating communities (East Bradford, East Goshen, Thornbury (ChesCo), West Chester, West Goshen, West Whiteland, and Westtown). The 2-hour sessions, which will begin

on September 14, 2017, will be facilitated by local and county government officials, and will cover topics including:

- Structure of local government in Pennsylvania
- Police
- Zoning and Land Use
- Public Finance
- Transportation
- Public Works

For more information, including how to register in the *Neighborhood University* program, please visit www.nugwc.org.

Latest News from the Malvern Public Library

Have you seen our new website? Check us out at www.malvern-library.org, which includes a link to our events calendar, where you can see all the programs that are planned for the month. Or you can come into the library and get a print-out of our monthly calendar. We also have a new play and learn area in our children's reading room. Drop by the library to build with blocks, act out a puppet show, or curl up with a good book.

This year's theme for our Summer Reading Program is Build a Better World. The kickoff party will be held at Greentree Park on June 13th at 5:30, with a rain date of June 15th. Be sure to stop in to get your reading log, folder, and bag!

Woolgatherers, our knitting group, has moved its time. They now meet at 3PM on the first and third Monday of the month.

Our therapy dog, Holly, will be in at 4:30 on Thursday afternoons.

Sign up for a slot ahead of time so you're sure to get a chance to read to her!

Don't miss our new weekly Teen Grab Bag event! Every Wednesday evening starting at 4PM, we will have a different event for teens, including board games, paper crafting, writing, and STEM activities.

Don't forget that the library has eBooks and audiobooks available through Overdrive! If you have a library card, you have access to Overdrive, which can be viewed on any of your mobile devices, or on your computer.

And don't forget there is now a CCLS mobile app. Download this app on your phone or tablet and have access to your account online and the catalog. You are truly able to carry the library with you on your travels.

KEEP YARD WASTE AWAY FROM STREAMS

Dumping of yard clippings, leaves, and other debris into stream valleys and floodplains is a serious problem.

- Yard waste like leaves, grass, and brush piled along stream edges suffocates and kills the trees and shrubs that are critical for avoiding stream bank erosion.
- Yard waste piled along streams can easily be washed into streams during large rain events. Once in the stream, this burst of organic material contributes a harmful excess of nutrients, which in turn robs the stream of oxygen needed by fish and aquatic insects.
- Leaves and other yard waste raked into streets often wash into storm drains, causing flooding, impeding stream flow,

and creating areas of stagnant water that may create mosquito problems.

A few tips for handling yard waste:

- Use the Township's yard waste collection program.
- Compost leaves or yard waste whenever possible. Find out more about composting and yard disposal from the Chester County Solid Waste Authority (<http://www.chestercountyswa.org/>).
- DO NOT burn leaves. Burning is prohibited in East Goshen.

Brandywine Valley SPCA and Tri-State Bird Rescue needs your help!

The Animal Rescues cannot thank you enough for your past support.

- Kitty Litter • Dog Biscuits & Cat Treats
- Peanut Butter • Washable Dog & Cat Toys
- Towels & Blankets • Pillow Cases! Sheets!!! • Dog Beds
- Liquid Laundry Detergent • Bleach & Cleaning Supplies

LATEST NEWS FROM THE PARKS & RECREATION COMMISSION

As you sit back and enjoy the summer edition of the Township newsletter, the Park Commission sits back to reflect upon some very busy and productive months! The Bicentennial Celebration was a party two hundred years in the making, and certainly took the efforts of many to make it a success. We would like to thank West Goshen Township for partnering to host the event, the Friends of East Goshen for tirelessly raising event sponsorships, and the over seventy-five volunteers who made the Bicentennial Celebration something we will all remember and cherish long into the future!

This Park Commission was also pleased to be recognized for many of its efforts this past spring. In March, Department Director Jason Lang traveled to the Pennsylvania Recreation and Parks Society annual conference in Hershey. While there, the Township was recognized with two awards. We received the inaugural GOOD Award for outstanding contributions to the state-wide GOOD marketing campaign championed by the Pennsylvania Department of Conservation and Natural Resources and Pennsylvania Recreation and Parks Society. Last summer's Liv Live Concert and 22 in 22: Pushups with a Purpose initiative was awarded an Excellence in Recreation plaque as one of the ten best activities across the state in 2016. The 2017 Liv Live Concert will be held on Thursday, September 15th at 5pm, during the East Goshen Farmers Market. Come see what makes this event so special!

East Goshen Township was also fortunate to be recognized by Governor Wolf and the Department of Community and Economic Development on April 12th with the Local

Gov. Tom Wolf; Stephanie Ulrich, Livlive Director; Supervisor Carmen Battavio; Jason Lang; Public Works Foreman George Thompson; Park and Rec Chair Christine Taraborelli; Rick Smith; Judy Matusky, Paoli Hospital; Dennis Davin, DCED Secretary

Government Excellence Award in Health and Wellness for last year's Fit and Fun in the Park initiative. Fit and Fun was a summer long initiative made up of eight fully accessible activities, with something for all ages, abilities and interests. The Township would like to thank Paoli and Bryn Mawr Hospitals, the West Chester YMCA and the Chester County Suicide Prevention Task Force for partnering and sharing their time and expertise. Most of all, we'd like to thank you—East Goshen Township residents—who joined us in collective effort. In total, over 1,400 local residents took part in the Fit and Fun in the Park Initiative, truly making it a healthy summer experience!

Jason Lang and Stephanie Ulrich

This summer should be equally memorable! The Hide the Gnome Scavenger Hunt Series begins June 26th. Stay tuned to the Township Facebook page for hints about his whereabouts – whoever finds him in our parks wins a prize! If you like food and music—and who doesn't—the Park Commission will be hosting a Food Truck and Music Festival on Saturday, August 26th! Three musical acts will take the stage, including local favorites Not Quitting Our Day Jobs, Dueling Pianos and headlined by The Billy Bauer Band! The Billy Bauer Band has a wonderful catalog of originals but is also known as a world-class Dave Matthews band cover – violin and all! We'll have plenty of good eats on hand, showcased by the Wahlburger's Food truck!

This summer, the Park Commission invites you to join us in East Goshen and Applebrook Parks. Stroll the trails. Play basketball. Have a picnic. Make some memories!

Monday – Friday, July 17-July 21 from 9am – 12pm and 12:30pm-3:30pm

Location: East Goshen Park, Hicks Pavilion

Description: Photographers tell stories. They present the dynamics of life in the big city and the rural countryside. They represent historic record, but they can also shatter our understanding of history. Photographs preserve our memories and inspire us to become more aware. They reveal our dreams. They excite us. They clarify and mystify. The joy of photography lies in all its infinite possibilities. Each and every photograph offers the extraordinary pleasure of discovery. Photography is about more than technique; it is about perception and communication. Because the power of photography lies in its ability to communicate our perceptions of the world, photography can intersect with many areas of study.

Ages: 9 - 16

Green Thumbs needed!!!

Help us make the Butterfly Pollinator Garden a beautiful park asset for years to come! Volunteers will be needed to ensure the garden is weeded, watered and loved! Experience not needed – just enthusiasm! If you have experience leading environmental education and/or nature classes – contact Jason at jiang@eastgoshen.org!

East Goshen Farmer's Market

Dates: Thursdays, June 1st – October 12th, 3pm – 7pm

Location: East Goshen Park, East End

Come visit everyone's favorite local market – the East Goshen Farmers Market! Our vendors proud themselves on having the highest quality products all made locally! Come shop for produce, meats, baked goods, handmade jewelry and soaps! The market will also be a hub to meet and enjoy some entertainment! We've increased live music performances this summer and we'll have four moon bounce days for the kids!!! We're also expanding our popular Classic and Antique Car Cruise days! Bring out your hot rod or just come to see some automotive beauties – every third Thursday of the month!

Whether you are someone who loves quality food, someone on the way home from work, or a family looking for something fun to do - The East Goshen Farmers Market will be THE place to be this summer!

Date	Special Events	Time
July 6	Moon Bounce for the kids from 3pm-7pm!	3pm – 7pm
July 20th	Entrepreneurial Academy Product Competition	3pm-6pm
	Antique & Classic Car Cruise	5pm – 7pm
	Judah Kim performs live	4pm-6pm
August 17th	Moon Bounce for the kids from 3pm-7pm!	
	Antique & Classic Car Cruise	5pm – 7pm
	Not Quitting Our Day Jobs performs live	5pm-7pm
