

# East Goshen Township Electronic Debit Program

The Township has the ability to electronically debit payment of farmer's market rental fees directly from your bank account. Once you are enrolled in this program, your rental fees will be automatically deducted from your bank account at the end of each month based on the number of markets you attended. There is no additional charge for this service. We will send you a receipt after processing your payment.

Please call the Township at 610-692-7171 and ask to speak with Tia Piccolo at extension 3105 if you have any questions.
