23 Research Discussion  
24

25 Luanne Petrellis started the discussion session that she did research and sustainable Communities have  
26 repeated issues. She stated that energy conservation; minor taxing of resources helps protects them for  
27 the future. Rogers Vaughn suggested that the committee members contact the Chester County Planning  
28 Commission and they could give population demographics. Thomas Kilburn stated he would like to stop  
29 in at the Chester County Planning Commission Office and review demographics for East Goshen  
30 Township. East Goshen Township has a lot if citizens over 45 years of age which has a impact of what  
31 services the Township can provide, There are items such as putting in bike paths, walking trails, parks,  
32 shopping areas and good schools that would attract younger residents. The committee also brought up  
33 items such as sewer plants, road work, and police which occupy the township budget.  
34

35 The focus for the next meeting  
36

37 The Futurist Committee will take a look at what we have as the Comprehensive Plan. The recording  
38 secretary will contact the Township Manager, Rick Smith and have him send information for the  
39 Committee to review and they can discuss it at their next meeting. The Committee would like invite  
40 Senya Isyaeff to their monthly meetings
