

AGENDA
EAST GOSHEN TOWNSHIP
BOARD OF SUPERVISORS
TUESDAY, June 21, 2011
7:00 PM

1. Call to Order
2. Pledge of Allegiance
3. Moment of Silence – Supervisor Carmen Battavio
4. Ask if Anyone is Recording the Meeting?
5. Public Comment – Hearing of Residents (Optional)
6. Chairman’s Report
 - a. Presentation by Chief John Dumond to Officer Ted Lewis with an award from Mothers Against Drunk Driving for his DUI efforts.
 - b. Announce that the Board met in executive session on June 14, 2011 to discuss a personnel matter.
7. Public Hearing - None
8. Police/EMS Report – 3rd Tuesday
 - a. Chief John Dumond – Monthly Activity Report for May 2011
 - b. Goshen Fire Company President
9. Financial Report – 4th Tuesday
10. Old Business
 - a. Consider Revising Budget for 2011 to add pass through accounts for monies reimbursed by Goshen Fire Company.
 - b. Consider paying off Township Building and Applebrook Park loans.
11. New Business
 - a. Review Fire Company Finance Report – Previously Distributed
 - b. Consider YMCA Parking / Tree Removal
12. Any Other Matter
13. Approval of Minutes
 - a. June 14, 2011
14. Treasurer’s Report
 - a. Report – June 16, 2011
15. Review Action List
16. Correspondence, Reports of Interest
 - a. Acknowledge Pennsylvania Department of Environmental Protection’s letter dated June 6, 2011 approving the Act 537 Plan Update for Diversion of the Hershey Mill and Reserve Pumping Station
 - b. Acknowledge Mark Miller’s Monthly Operations Report
 - c. Acknowledge Mark Miller’s Geese Removal Report
 - d. Acknowledge B. Paul Sprague’s letter thanking the East Goshen Historical Commission for the Civil War Event on June 4th.

17. Meetings & Dates of Importance:

June 25, 2011	Community Day (Rain date June 26)	4:00 pm
June 28, 2011	Board of Supervisors	7:00 pm
July 4, 2011	Office Closed for Independence Day	
July 5, 2011	Board of Supervisors First Day of Youth Rec Camp	7:00 pm
July 6, 2011	Pension Committee Planning Commission	1:00 pm 7:00 pm
July 11, 2011	Municipal Authority	7:00 pm
July 12, 2011	Board of Supervisors Tru-Team Inc – 1422 Paoli Pike CU Hearing cont'd from May 24, 2011	7:00 pm
July 13, 2011	Conservancy Board	7:00 pm
July 14, 2011	Historical Commission	7:00 pm
July 19, 2011	Board of Supervisors	7:00 pm
July 21, 2011	Local Traffic Advisory Committee	1:00 pm
July 26, 2011	Board of Supervisors	7:00 pm
August 3, 2011	Newsletter Article Due Date Delivery Date – October 1, 2011	

18. Public Comment – Hearing of Residents

19. Adjournment

The Chairperson, in his or her sole discretion, shall have the authority to rearrange the agenda in order to accommodate the needs of other board members, the public or an applicant.

MEMO

To: Board of Supervisors
From: Deb Beury
Date: June 17, 2011
Re: Revised Budget 2011

The question was raised at Tuesday night's meeting on why all the accounts on the pass through report were not included on the revised budget report.

Simply put, the majority of accounts on the pass through report are established accounts and do not need a revision.

The main purpose of the revised budget was to establish budget amounts to *newly created accounts* on the pass through report such as:

Fuel charge expenses for the fire company to be separated from the Township's fuel expense onto its own separate line item.

Finance department's time to process the fire company's payroll to be separated from the Township's Finance salaries onto its own separate line item.

Workers Compensation for firefighters to be separated from the Township's workers compensation expense onto its own separate line item.

These new line items require a budget amount.

The revised budget was simply to move or "shift" the appropriate budget amount from the existing expenses being charged to the Township to the expenses that are related to the fire company for which we receive reimbursement.

EAST GOSHEN TOWNSHIP
 Revised Budget for 2011
 5/31/2011

	ORIGINAL BUDGET	REVISED BUDGET	NET ADJUST.	REASON FOR CHANGE
01430-2320	78,435	51,215	27,220	To remove Fire Company's fuel charges from the Township's
01411-1320	0	27,220	(27,220)	To assign a budget number for this Fire Company reimbursement
01411-1140	161,519	158,715	2,804	To account for payroll charges reimbursed from Fire Company
01411-2300	0	2,804	(2,804)	To assign a budget number for this Fire Company reimbursement
01486-3500	217,000	196,121	20,879	To remove Fire Company's portion of workers comp. insurance from the Township's
01411-2500	0	20,879	(20,879)	To assign a budget number for this Fire Company reimbursement

Re: Debt

At the Financial Planning Meeting the Board discussed the possibility of paying off the loan for the Township Building and/or Applebrook Park. Attached is the information I received from Lucien Calhoun of Calhoun, Baker Inc.

Rick Smith

Subject: Termination and prepayment
Attachments: East Goshen Township, Termination and Conversion, 06-10-11.pdf; ATT00001.c

Rick,

Attached is an analysis of the economics of terminating the current fixed rates on the DeIVal loans. The only approach with economic traction would be to terminate the fixed rates and then to accelerate the repayment of the loans. The economics deteriorate if the loans are prepaid immediately or if the repayment of the principal is not accelerated.

The object of the analysis is to determine the "breakeven" investment rate (found in lower left corner of the schedules). If over the period of the analysis, the average investment rate is lower than the breakeven rate, the Township debt service savings will exceed the foregone investment earnings. Conversely, if the average investment rate is higher than the breakeven rate, the foregone investment earnings would exceed the debt service savings.

For example, on the second page of the attachment, the breakeven rate for terminating the fixed rate on the 1999 Note and accelerating the repayment is 2.785%. If the average investment rate for the period from 2011 to 2019 is less than 2.785%, the Township's debt service savings will exceed the foregone investment earnings. If the average investment rate is higher, the Township would have been better off holding its cash.

To give you some context for your decision, the average 1-month LIBOR rate since 2001 has been 2.45% (currently it is 0.189%) and the average 1-year LIBOR rate has been 2.74% (currently it is 0.36%).

Re: **T.P.N. 53-3-1.9A / Parking Lot Construction / Tree Removal**

Mr. Del Monte,

In response to your email of June 9, 2011 I offer the following:

1. May 24, 2011: The YMCA contacted me due to a concern from the site contractor about the condition of the trees and root systems.
2. The site contractor hired a tree biologist, John A. Keslick, Jr., to assess the health of the trees in the area of the north side of the new parking lot and he recommended that the hickory tree be removed.
3. May 27, 2011: I visited the site to look at the tree and found three trees that appeared to have root system damaged due to the parking lot construction from the previous development of the YMCA and were even more compromised by the new parking lot construction.
4. I directed the Township Engineer to look at the trees and to offer their professional opinion on the health of the trees.
5. May 31, 2011: I met with Mr. Tim Ryan from the Y to look at the trees and both of us agreed that there were three trees that posed safety concerns.
6. June 1, 2011: The Township Engineer sent Mr. Tom Kummer, R.L.A. to the site to inspect the trees.
7. June 2, 2011: Mr. Kummer issued a response to the Township supporting the request to remove the trees.
8. June 3, 2011: The Township staff made a decision to authorize the removal of the trees upon receipt of Mr. Kummer's opinion.
9. June 3, 2011: The Y was informed of the Township's authorization to remove the trees pursuant to the agreement that the Y will submit a revised LS plan to the Township for approval, showing the inch for inch replacement of the trees. This is consistent with what was done in similar situations during the construction at the Y.
10. June 6, 2011: The Y removed the trees

The decision to authorize the removal of these trees was not done without consideration of the options or due process; and was made ultimately for the direct safety of the patrons of the Y. With the advice of the Township Engineers office and the possibility that these trees could fall in the next storm and kill someone; we sided with caution and authorized the removal of the trees.

BOARD OF SUPERVISORS
EAST GOSHEN TOWNSHIP

In addition, the Y is going to replace the trees with 70 inches of replacement trees, when they could have; left the trees, completed the project, then removed the trees after the parking lot construction was complete, without planting a single replacement tree.

Now, new trees can be properly planted in the parking island where the trees were removed and throughout the property; which will provide extensively more screening and better aesthetics than was approved with the initial LS Plan.

I am an advocate of the Conservancy Boards' mission, however safety drove the decision making process here. Please don't hesitate to contact me should you have any questions

Sincerely,

Mark A. Gordon
Township Zoning Officer

Re: **T.P.N. 53-3-1.9A / Parking Lot Construction / Tree Removal**

Mr. Griffin,

As you know, at the Y's request, East Goshen Township reviewed and authorized the removal of mature trees totaling 70 inches along the northern side of the new parking lot, which is currently under construction at the above referenced property. As I communicated to Mr. Tim Ryan from the YMCA upon our approval to remove those trees; the Township requires the Y to replant a minimum of 70 inches of trees in addition to the trees and landscaping already approved as part of the land development plan for the above referenced project.

Please provide the Township with an amended Landscape Plan showing where the additional trees will be planted and the species of those trees for review and approval.

Thank you for your cooperation in addressing this issue. Should you have any questions, please contact me.

Sincerely,

Mark A. Gordon
Township Zoning Officer

MEMORANDUM

To: Brad Eldred
Michael Conrad, P.E. ✓

From: Tom Kummer, R.L.A.

Date: June 2, 2011

RE: National Bank of Malvern, Existing Tree Concerns

On June 1, 2011 I inspected three existing mature deciduous trees located along the property line between the YMCA (East Goshen Township) and the National Bank of Malvern property. The purpose was to ascertain viability of these trees in light of the ongoing parking lot construction on the bank property. I have included a reference plan with the subject trees labeled A, B & C.

Tree A

This tree appears to be healthy. No disease is evident at the base. Unless the proposed curb line can be amended, the supporting buttress roots on the west side will be removed weakening the structural support of the tree. From a safety standpoint this tree probably should be removed.

Tree B

This tree appears to be quite healthy. There is no base disease in evidence and additionally, there is no significant die-back at the top. As with Tree A, installing the proposed curb will greatly compromise the buttress roots and therefore, the structural integrity of the tree. A small amount of root zone has been retained on the south side. Should the landscape island be relocated adjacent to the tree there is reason to believe that the tree could survive and be structurally sound. From a safety and insurance standpoint I can recommend removal of this tree.

Tree C

This tree is located on the YMCA property immediately adjacent to the previously installed curb. The installation of this curb significantly damaged the buttress roots of the tree. Additionally, disease is evident at the base and the top exhibits widespread die-back which is indicative of a tree in remission. I recommend that this tree be removed.

Our understanding is that tree replacement is required per Township Ordinances. A revised landscape plan should be prepared to show proposed quantities, species and locations.

Please feel free to contact me should you need to discuss this matter further.

Re: Act 537 Plan Update
Diversion of the Hershey Mill and
Reserve Pumping Stations
Status: ISSUED
DEP Code 1-15919-224-3m
APS ID 689465, AUTH ID 719363
East Goshen Township
Chester County

Dear Mr. Smith:

We have completed our review of your municipality's updated Official Sewage Facilities Plan (Plan) titled "Update Revision for the Hershey Mill and Reserve Pump Station Diversion," as prepared by Pennoni Associates, Inc., dated January 2009, revised June 2010, with additional information submitted in February 2011. The review was conducted in accordance with the provisions of the Pennsylvania Sewage Facilities Act.

Approval of the Plan is hereby granted.

The Plan provides for the following:

1. The Hershey Mill Pump Station currently conveys sewage to the gravity sewer lines within Clover Road. Sewage is ultimately treated at West Goshen Township Sewer Authority's Chester Creek Wastewater Treatment Facility. The 6-inch force main from the Hershey Mill Pump Station will be diverted to the existing manhole at 960 Cornwallis Drive. Sewage will be conveyed through the gravity sewer lines to the Ridley Creek Interceptor and ultimately to East Goshen Municipal Authority's Ridley Creek Wastewater Treatment Facility.
2. The Reserve Pump Station currently conveys sewage to the Hershey Mill Pump Station. The Reserve Pump Station will be decommissioned, and the gravity sewer line that currently enters the Reserve Pump Station will be extended to the Ridley Creek Interceptor adjacent to Forrest Lane. Sewage will ultimately be conveyed to East Goshen Municipal Authority's Ridley Creek Wastewater Treatment Facility.

JUN 06 2011

Any person aggrieved by this action may appeal, pursuant to Section 4 of the Environmental Hearing Board Act, 35 P.S. Section 7514, and the Administrative Agency Law, 2 Pa.C.S. Chapter 5A, to the Environmental Hearing Board, Second Floor, Rachel Carson State Office Building, 400 Market Street, P.O. Box 8457, Harrisburg, PA 17105-8457, 717.787.3483. TDD users may contact the Board through the Pennsylvania Relay Service, 800.654.5984. Appeals must be filed with the Environmental Hearing Board within 30 days of receipt of written notice of this action unless the appropriate statute provides a different time period. Copies of the appeal form and the Board's rules of practice and procedure may be obtained from the Board. The appeal form and the Board's rules of practice and procedure are also available in braille or on audiotape from the Secretary to the Board at 717.787.3483. This paragraph does not, in and of itself, create any right of appeal beyond that permitted by applicable statutes and decisional law.

IF YOU WANT TO CHALLENGE THIS ACTION, YOUR APPEAL MUST REACH THE BOARD WITHIN 30 DAYS. YOU DO NOT NEED A LAWYER TO FILE AN APPEAL WITH THE BOARD.

IMPORTANT LEGAL RIGHTS ARE AT STAKE, HOWEVER, SO YOU SHOULD SHOW THIS DOCUMENT TO A LAWYER AT ONCE. IF YOU CANNOT AFFORD A LAWYER, YOU MAY QUALIFY FOR FREE PRO BONO REPRESENTATION. CALL THE SECRETARY TO THE BOARD (717.787.3483) FOR MORE INFORMATION.

If you have any questions, please contact Ms. Kelly A. Sweeney of this office.

Sincerely,

Jenifer Fields, P.E.

Re: Monthly Report

We did some paving on Line Road with Willistown. They paid for the asphalt and we laid it. They also supplied labor for flagging and milling.

The Public Works Department is currently working on the streets in Milltown as well as Manley Road to prepare for paving.

Storm Sewers: We finished cleaning and repairing the storm sewers in Milltown. We found 100 feet of pipe that was rotted out. We replaced the pipe and installed three new inlets. All inlets in Milltown have been inspected and repaired. We are currently working in the Meadows rebuilding inlets and replacing 60 feet of curb.

Sanitary Sewers: The sanitary sewers in Milltown were cleaned and televised. We found two laterals that were in need of repair. Both were repaired. We replaced 20 manhole casting and lids.

As part of our road maintenance, we have been cutting back brush that hinders the line of sight at intersections.

Re: Geese Removal

We removed 83 geese from the township ponds early last Tuesday morning:

Bowtree II	24
Pinoaks	16
Mary Dell	22
Hershey Mill	21

The geese were on their way to Harrisburg by 4:15 A.M.

June 6, 2011

Dear Mr. Smith:

I would like to thank you on behalf of the 82 member Brandywine Valley Civil War Round Table of West Chester, PA for Saturday's, June 4, 2011 Civil War Program as put on by the East Goshen Historical Commission.

Our special thanks go to Ms. Ellen Carmody, this year's chairperson, and the entire organization for a very informative and worthwhile event. Living History is an excellent opportunity to bring the past to life. Many of our Round Table members participated in full Civil War attire. The timing could not have been better when you consider that this is the 150th Anniversary of the American Civil War.

I would encourage all of you to continue to work closely together to make history alive and meaningful to our community.

Robert Paul Sprague
Past President and Chairman of the Preservation Committee
Brandywine Valley Civil War Round Table
