13 Comprehensive Plan Objectives

14 Mr. Thomas Comitta will coordinate details for East Goshen Township Comprehensive Plan. Mr. Vaughn  
15 told the Board that the Comprehensive Plan should carry out the Township Vision with members of East  
16 Goshen's Authorities, Boards and Committees. This should make the Township a premiere community  
17 which people would want to live and work in. Items that would be considered would be the Township  
18 Park improvement, walking trails, which would include installing one along Paoli Pike and  
19 recommendations for a Town Center. The Futurist Committee could serve as advisors. The next  
20 scheduled Comprehensive Plan meeting would be in June. Mr. Kilburn said that a smaller group Board,  
21 Commission & Authority representatives would be more efficient to go over important details of the  
22 Comprehensive Plan.
