**East Goshen Newsletter Articles:**

Marco Carrara, President & CEO of Tecniplast USA & N.A., has been collaborating with the Commerce Commission on its next article highlighting his corporation. Deadline is by month's end.

Acero Precision's chief officers Michael Fitzgerald, President & CEO and Joanne Fitzgerald, Director, reported that they were pleased and appreciative of their article in the Fall edition of the Township publication.

**Other Business:**

CC's Newsletter 1. was sent to all business entities within the Township's Commercial districts and Industrial Corporate Parks zones late September - by both email notifications, and a general mailing to every business within those specific zones. The Newsletter highlighted the Township website link to the Comprehensive Plan 2015's final draft for the Board's acceptance in October, or November.

The first section of the new proposed trail will link the Enterprise Drive corporate campus with the retail section along Paoli Pike. This supplemental walking trail plan is still in its formative stages at this writing and will be a topic for Newsletter 2. and the Spring 2016 Business Forums.

AI will contact Matt Wagner regarding the 40th anniversary celebration invitations of his Bob Wagner's Flooring America stores (West Chester, Downingtown, and Middletown DE).

The Commerce Commission's December meeting will be cancelled, per usual, during the quiet (for us) Holiday Season.

AI Zuccarello made a motion to adjourn the meeting, Don Zembruski seconded the motion and the meeting adjourned at 7:45 p.m.

Respectfully Submitted,

John Stipe
