

## EGTPR Director Jason Lang visits NRPA to shoot the National Summer Camp Dance video

April 19<sup>th</sup>, 2018: Jason Lang headed down to Ashburn, VA yesterday to film the staff training video for NRPA's upcoming National Summer Camp Dance initiative that will be a part of Park and Rec month in the July.

EGTPR started the dance in 2015 as the "Mid-Atlantic Summer Camp Dance" with a handful of sister departments in MD, VA and PA as a pilot program. The goal was to see if this health and wellness initiative could succeed – and it was a smash hit! Thousands of campers joined in the fun and had a blast dancing at their camp programs. EGTPR pitched the concept to NRPA in the fall of 2017 and are pleased to share this awesome idea with park and recreation departments across the country in 2018! Stay tuned to NRPA's Park and Rec Month webpage for details and how to register!
