Progress of Streetscape

Thomas Kilburn, Rogers Vaughn and Marty Shane had a discussion regarding streetscape such as to do a design plan and to get approval for funds for streetscape. Thomas Kilburn passed on information for funding for streetscape that was provided by Jon Altshul.

Zoning Overlay

Thomas Kilburn brought up the zoning overlay for the area along Paoli Pike. Incorporating areas along Paoli Pike such as the corner area where the WAWA store is located; the Perakis property which is located at the corner of 352 and Paoli Pike and the area around the Township Building would make a big difference in the area. Trails would be connected from neighborhoods to the trail on Paoli Pike.

Common Signage

Rod Vaughn brought up how common signage would improve the area listing the neighborhood village name and also East Goshen Township on the sign. It would look very professional and would improve the appearance of all the communities in East Goshen Township. He also suggested marking the trails in the same matter. Rod Vaughn also suggested that Sunoco do landscaping work in the area where the pipeline work is currently being done to improve the portal at Boot Road and Paoli Pike.

Adjournment

Thomas Kilburn made the motion to adjourn the Futurist Committee at 8:10 p.m. The meeting was adjourned.
