Addendum #1 –Cleaning Specifications

On page 2 of the specifications, it reads: The Contractor shall provide all labor, materials and equipment necessary to completely clean the three buildings on a scheduled basis.

This should read: The Contractor shall provide all labor to completely clean the three buildings on a scheduled basis.

The third paragraph states that we will supply all paper goods, trash bags, cleaning products, mops, brooms, vacuums, etc., with the exception that the Contractor shall provide the equipment needed to clean and shampoo the carpeted areas.

Sincerely,

Mark S. Miller
Director of Public Works
East Goshen Township
