12 The meeting was called to order with the Pledge of Allegiance and a moment of silence for our first
13 responders and soldiers.

14
15 **Approval of Minutes**

16 Chairman, Tom Kilburn made the motion to approve the August 20, 2018 minutes and the minutes were
17 approved by the entire Committee.

18
19 **New Business: Consider Streetscape Project**

20 Tom Kilburn commented that the streetscape project should be completed first on the Paoli Pike
21 corridor. The residents of East Goshen Township would see the improvement along Paoli Pike by
22 putting in new trees, lights, banners and curbs. This would add interest in adding additional trails.

23
24 **Branding**

25 Brad Giresi mentioned that the branding proposals were printed in the newsletters for residential
26 comments. Mr. Giresi had hoped that the branding proposals would not have been printed until we had
27 more ideas for proposals. Rod Vaughn commented that he thought the people working on the project
28 should make the decision.

29
30 **Planning Overlay**

31 Brad Giresi told the Committee that Thomas Committa submitted two draft overlays for Paoli Pike. The
32 one area is from Boot Road to Route 352 which would be the Traditional Neighborhood. The other
33 outlay would be Residential Medium Density. The building height would not exceed three stories.
