

BOARD OF SUPERVISORS  
EAST GOSHEN TOWNSHIP  
CHESTER COUNTY  
1580 PAOLI PIKE, WEST CHESTER, PA 19380-6199

Dear Owner and or Landlord,

The East Goshen Township Ordinance No. 194-5, adopted in 1990, requires recycling at your facility and or apartment complex. Section 194-5 of the ordinance requires all commercial, institutional and municipal companies to recycle.

If your facility is already participating with recycling then **please call your hauler and have them send your annual recycling report to the East Goshen Township**, the county will need this information by mid-February

If you are not recycling at your facility, we suggest that you call a local hauler to set up a recycling program as soon as possible. We will be visiting local stores; restaurants and businesses to check on there recycling programs.

The local trash removal companies are under Garbage Removal and Rubbish in the yellow pages of your phone book. If you do not produce enough recycling from your facility to require dumpsters, you are not expected to participate in this program. If you have any questions concerning this letter, please feel free to call me at 610-692-7171.

Sincerely,

Susan L. Smith  
Recycling Coordinator  
East Goshen Township
