

# Memo

## East Goshen Township

Date: December 28, 2018

To: Board of Supervisors, Conservancy Board, Futurist Committee, Historic Commission  
Municipal Authority, Park and Rec Commission, Pipeline Task Force and Planning  
Commission

From: Rick Smith, Township Manager

Re: 2019 Planning Session - Saturday, January 12, 2019

The Annual Planning Session will be held on Saturday, January 12, 2019 at 8:00 am. It is expected that each ABC will provide a summary of their accomplishments in 2018 as well as their goals for 2019.

I would like to add that the Board of Supervisors created two new ABC's in 2018. The first is the Pipeline Task Force, which has been tasked with providing advisory support and guidance to the Board about pipeline issues. While the task force has only met three times so far in 2018, they are looking forward to making great strides in 2019. David Shuey, who has been facilitating their meetings, will provide an update on their plans for 2019.

The second is the Sustainability Advisory Committee whose Mission Statement is as follows: "To develop, in partnership with the Board of Supervisors, residents, and businesses, a culture of (environmental, economic, & social) sustainability in East Goshen Township by utilizing innovation, education, communication, and comprehensive and strategic planning". The Board is still looking for applicants for the committee, and I would add that the fact that you are currently serving on an existing ABC does not preclude you from serving on this committee.

The agenda is as follows:

8:00 am	Coffee/Donuts
8:15 am	Conservancy Board
8:30 am	Futurist Commission
8:45 am	Historic Commission
9:00 am	Municipal Authority
9:15 am	Park and Recreation Commission
9:30 am	Pipeline Task Force
9:45 am	Planning Commission
10:00 am	Board of Supervisors Recap and Closing Remarks

For those ABC's that will be bringing their 2018 Accomplishments and 2019 Goals to meeting, please bring an extra copy for the minute taker. Thanks.
