#### **Public Comment**

None

# **Approval of Minutes and Treasurer's Report**

David made a motion to approve the minutes of December 18, 2018. Mike seconded. The motion passed 5-0.

Carmen made a motion to approve the Treasurer's Report of January 3, 2019. Mike seconded. The motion passed 5-0.

# **Consider ABC Appointments**

Janet made a motion to appoint or reappoint the following Township residents to the following ABC groups:

- Scott Sanders, Conservancy Board
- Walter Wujcik, Conservancy Board
- Edward Lendrat, Historical Commission
- Ted Roberts, Historical Commission
- Jack Yahraes, Municipal Authority
- Ann Marie Fletcher-Moore, Park & Recreation Commission
- Deborah Snyder, Park & Recreation Commission
- Karen Miller, Pipeline Task Force
- Ernest Harkness, Planning Commission
- Silvia Shin, Planning Commission (until a replacement can be found)
- Walter Wujcik, Stormwater Appeals Board
- Dan Daley, Stormwater Appeals Board
- Michael Koza, Planning Commission
- Thom Clapper, Vacancy Board
- Adam Kraut (alternate), Zoning Hearing Board
- Sigmund Fleck, Zoning Hearing Board

David seconded. The motion passed 5-0.

### Consider Resolution 2019-184—Paoli Pike Trail Maintenance Policy

Rick recommended that the Board adopt a policy to maintain the Paoli Pike Trail year-round, including mowing, refuse removal, tree trimming, snow removal and ice treatment. Marty made a motion to adopt Resolution 2019-184, Paoli Pike Trail Maintenance Policy. Carmen seconded the motion.

Mike asked about whether the Township plans to put up "Use at your own risk" signs along the trail and whether the Township will also begin to maintain the trails in the Township Park year-round. Carmen raised concerns about continually removing ice along the trail after a blizzard and indicated that he would like the Township to have the option to close the trail during severe weather events. Marty suggested that Rick contact the County to determine how it closes its trail system for major weather events. David observed that he wants the Township to maintain the trail year-round, and that not agreeing to this policy might deter property owners from granting us easements.

Lex Pavlo, 611 S. Speakman Lane, expressed his support for maintaining the trail year-round.

The motion passed 5-0.

# Consider Paoli Pike Trail Engineering Proposal for Segments F&G

Rick outlined McMahon's proposal to provide construction administration and inspection services for Segments F&G, as well as assistance with traffic signal installation at Hibberd Lane and Paoli Pike. Carmen suggested that Jon be in the loop on these types of contracts. Marty asked whether we should go out to RFP for these types of professional services contracts. Rick noted that if we build the trail in less than 12 weeks, we can save money on the contract, as a large portion of the fee is for the hourly rate of a full-time on-site inspector. David suggested that the Finance Committee develop a policy around when the Township should go out to RFP for professional services. Carmen made a motion to accept the December 12, 2018, proposal from McMahon Associates for \$92,480 for construction administration and inspection services for Segments F&G of the Paoli Pike Trail. David seconded. The motion passed 5-0.

#### Consider Escrow Release #2 for Lot #2 1664 E. Boot Road

Mike made a motion to approve an escrow release of \$41,250 for Lot #2 of 1664 E. Boot Road, leaving a balance of \$35,308.50. David seconded. The motion passed 5-0.

#### Consider Escrow Release #2 for Lot #3 1662 E. Boot Road

Carmen made a motion to approve an escrow release of \$31,060 for Lot #3 of 1662 E. Boot Road, leaving a balance of \$48,824. Mike seconded. The motion passed 5-0.

# **Consider Pipe Lining Bids**

Carmen made a motion to reject the bids for storm sewer pipe lining and replace the lines in-house. Mike seconded. The motion passed 5-0.

### **Consider Refuse and Recycling Days**

Janet explained that Township would like to switch up the trash and recycling days again in 2020 between the north and south sides of the Township, consistent with the Township's practice of changing the days every three years. Carmen made a

motion to change the collection days in 2020. David seconded. Marty noted that changing the days is needed in order to account for the fact that more holidays fall on Monday and Thursday than Tuesday and Friday. The motion passed 5-0.

#### **Consider Goshen Corporate Park Bike Lane**

Rick explained that we can install a bike path along the northbound lane of Reservoir Road in the Goshen Corporate Park. David suggested that the Township consider installing a woodchip path for pedestrians as well. Rick noted that woodchip paths are rarely used. Marty made a motion to install a bike lane along Reservoir Road in the Goshen Corporate Park. Carmen seconded. The motion passed 5-0.

#### **Consider Draft Incubator Ordinance**

Jon outlined the draft incubator ordinance that would permit more flexibility for small start-up businesses in the I-1, I-2 and BP districts. Carmen made a motion to send the draft business incubator ordinance to the County Planning Commission for review and comment. David seconded.

Mr. Pavlo stated that he supports the ordinance. He noted that he has worked for three start-ups in his career, and indicated that the proximity of East Goshen to both Immaculata University and West Chester University may help the success of business incubators here.

The motion passed 5-0.

#### **Consider Petition to Intervene**

Rick explained that Melissa DiBernardino had asked the Township to intervene in her complaint against Sunoco before the Public Utility Commission. He added that our solicitor had advised that while Ms. DiBernardino appears to have standing in this matter, as a result of her children attending school along the pipeline route, the Township probably does not have standing. Accordingly, he recommended that the Township not file a petition to intervene. Marty made a motion for the Township not to intervene in Ms. DiBernardino's complaint, but to thank her for her efforts. Mike seconded. The motion passed 5-0.

### **Any Other Matter**

Rick explained we have now received the maps of what development might look like at the Lewis property under both the existing Zoning Ordinance and the proposed amendments and that they will be posted online tomorrow. Carmen recommended that any communication to the public make clear that the Township will not be adopting any ordinance amendment at the January  $22^{nd}$  meeting.

Bernie Greenberg, 894 Jefferson Way, noted that FERC released its environmental assessment on the Adelphia Pipeline on Friday. He asked whether the Board had taken a position on the location of the valve station. Rick explained that the Pipeline

Task Force is looking into this matter now and that it will be discussed at their meeting on January  $24^{th}$ .

# Correspondence, Reports of Interest

The Board acknowledged the following correspondence:

- 1) December 6, 2018, letter from Enbridge regarding maintenance scheduled along the Texas Eastern pipeline route.
- 2) Statement of Valuations from the Chester County Assessment Office. Jon noted that our assessments increased 0.6% over 2018.

## **Adjournment**

Mike made a motion to adjourn at 8:20. David seconded. The motion passed 5-0.

Respectfully submitted, Jon Altshul Recording Secretary
