***Why should I become an Awesome FEST Teen Advisory Committee member?***

Simple...it's an awesome event and YOU can help pull it off! This is a "for you, by you" event, where we let teenagers make real decisions, showcase leadership skills and have a great time doing it!

*"I had an amazing time helping plan and lead the events with all of our partners. Working with other teens from other school districts was simply amazing as we all got to put our heads together and plan this event. We had a lot of fun activities for teens and we hope we accomplished our goal of helping teens realize that there are activities they can do instead of drugs and alcohol. The amount of kids that came out to join us was incredible and we only hope the numbers rise each year."*
