Pledge of Allegiance & Moment of Silence

Erich led those present in the Pledge of Allegiance and then asked for a moment of silence to remember those who serve in our military and our first responders.

Minutes

The minutes of the April 10, 2019 meeting were approved as corrected.

Old Business

1. Keep East Goshen Beautiful Day – This annual event was held on April 13, 2019. Board members were very pleased with the participation this year. There was a good number of organizations that did their clean up on a different day.
2. Spring Planting – The Board decided to move this to the Fall.

Liaison Report

1. Municipal Authority – Walter mentioned that he forwarded the list of trees for the replacement of trees along the property with the sewer plant to Mark Miller.

Any Other Matter

1. Erich mentioned a company called Curb My Clutter that takes items that can't go to the landfill. About 10 municipalities in the tri-state area are using them. Walter will check it out.
2. Scott asked about installing deer feeding stations with treatment for ticks. Walter explained that when he was a member of the Deer Committee they stopped using them because of the cost.
3. Erich mentioned that East Goshen received permission from PennDOT to install a traffic light at the park entrance intersection. The project went out to bid. He explained that the new lights will have sensors to detect cars and trucks and control the lights.
4. Scott commented that there is a blight affecting red oak trees. It can be avoided by not having the trees cut in July and August. It includes Pin Oaks.

Adjournment

There being no further business, Scott moved to adjourn the meeting. Walter seconded the motion. The meeting was adjourned at 7:35 p.m. The next meeting will be June 12, 2019 at 7:00 pm.

Respectfully submitted,
