

Earth Day

50th Anniversary
April 22nd, 2020

This is the 50th Anniversary of Earth Day! A celebration and acknowledgment of the amazing natural world around us, Earth! While we can't plant trees in the park right now, there are so many other things we can do around our homes!

- 1) Plant trees, bushes and flowers....especially ones that are pollinators and attract bees and butterflies!
- 2) Tell your friends to do the same thing!
- 3) Read a great book about the mysteries of the Earth!
- 4) Plan an amazing day trip to a state park or forest...post-"stay at home" of course!!
- 5) Find a local community garden that needs your help weeding, planting and watering...hint, hint, there is one in EGT Park by the playground!
- 6) Join in the EGT Earth Day Art Contest!

Here's how it works:

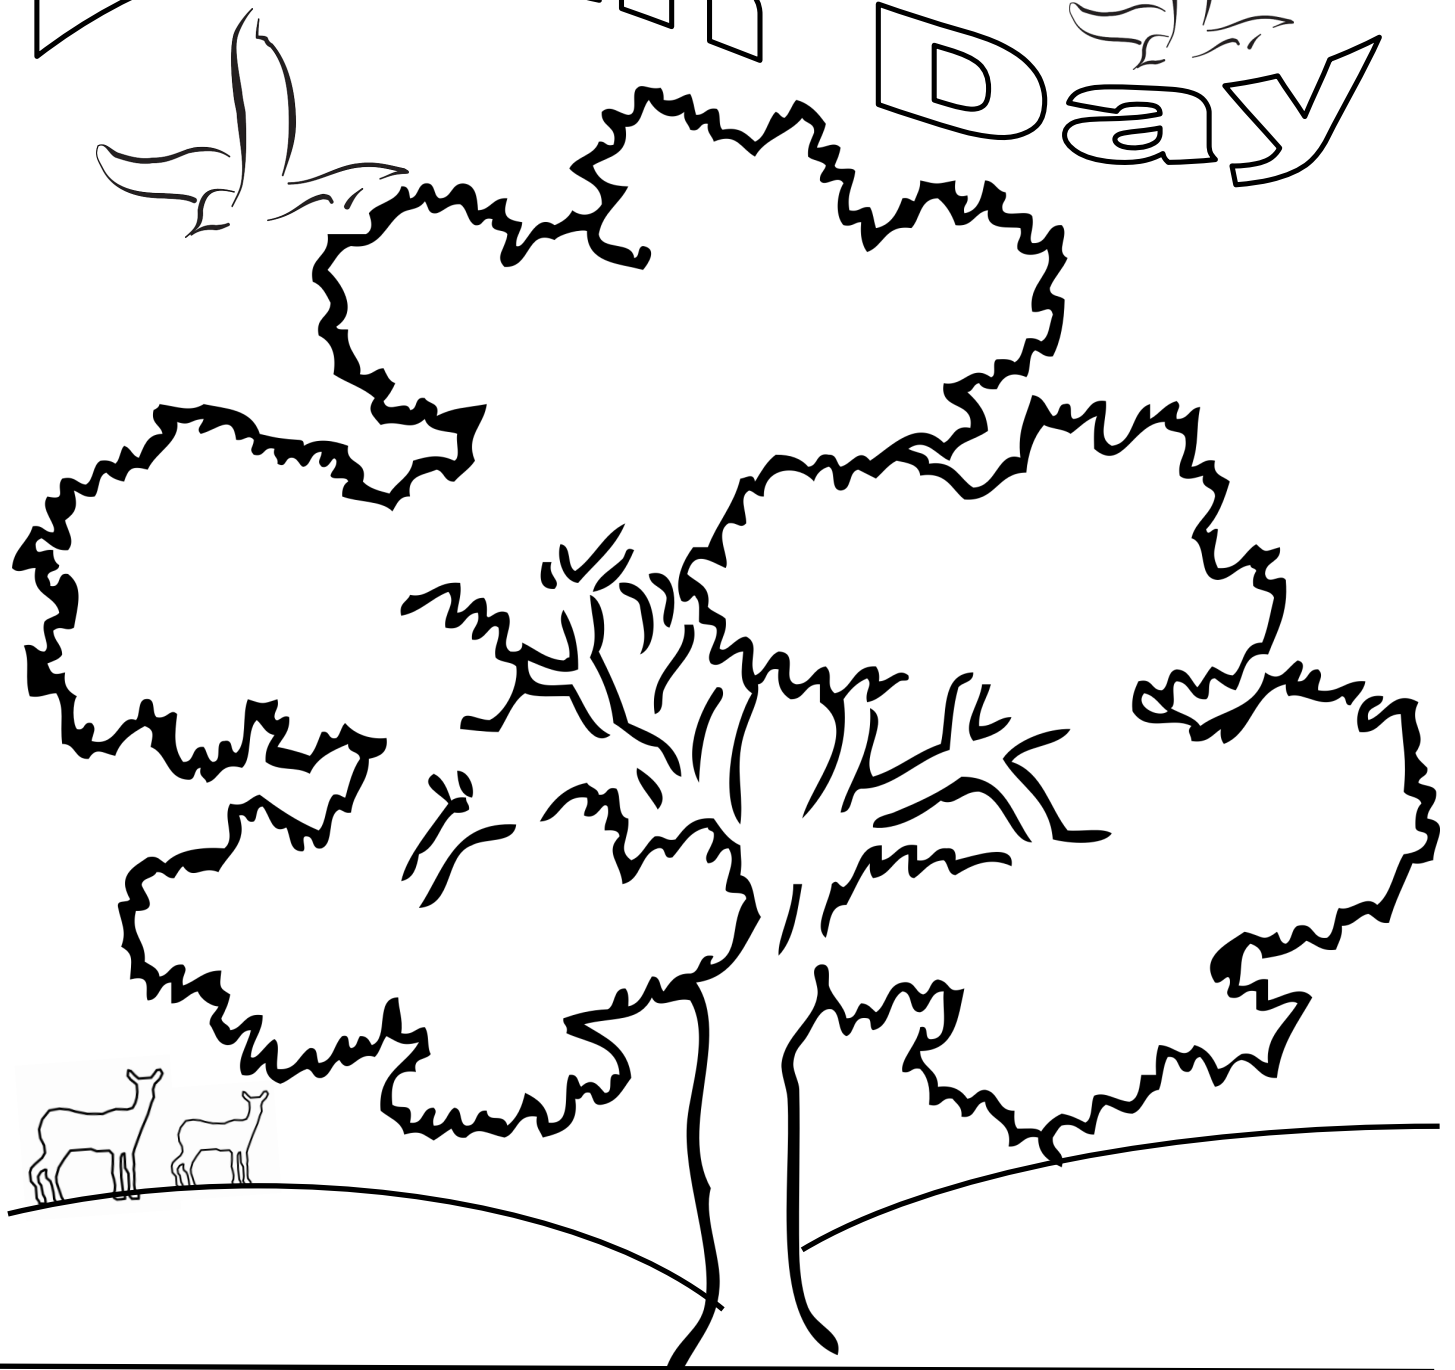

- 1) Print out the attached Earth Day Art Sheet and have fun! You can color, paint, embellish...whatever! The sky's the limit!

- 2) Take a picture and email it Jason Lang at jlang@eastgoshen.org by Tuesday, April 21st at 12pm! The pictures will be uploaded to the Township's Facebook page so everyone know EGT kids care about Earth Day! For the photos, please first name and age only, no last names.

Have fun!

Jason
