None

Call To Order

Meeting was called to order by Christi Supple at 7:01pm

Pledge of Allegiance and Moment of Silence

Led by Kipp Happ

Christi asked if meeting was being recording

No recording

Approval of Minutes

None

Chairperson's Report

C. Supple noted that she had a conversation with Will Williams and Paula Kline regarding the CADMUS report.

Old Business

- A. Cadmus Report Analysis - The overarching consideration needs to be strategies that are either cost neutral or that save money in the short-term, given the impact that the shutdowns will have on our cash flow.
 - a. B. Hutchison discussed each of the eighteen recommendations in detail. J. Altshul noted that criteria for prioritizing the recommendations should focus on free/low cost and or easily implemented changes. D. Shuey discussed that a move to a hybrid vehicle fleet made sense. B. Hutchison discussed homeowner solar purchasing agreements and the Township's potential role. D. Shuey asked who does the due diligence to vet and/or select vendors, that would need to be on the collective homeowners. Township role could be in educating and promoting these programs, but likely not more. J. Altshul said this also could likely be done at the COG level.

- B. Discussion of format for four Seminars planned for 2020. Possible offsite interviews and breakout room testing.
 - a. C. Supple led a discussion of the postponed seminars, asking if it was a possibility to do four sessions, maybe via Zoom with breakout rooms. S. D'Amore stated that Zoom has the capability to do breakout rooms, but we would need to investigate further and do trial runs before the seminars. D. Shuey recommended we just do the solar/geothermal seminar first, and go from there. SAC members agree and K. Happ will contact speakers to reschedule for early June. More information to follow.

New Business

- A. No new business

Public Comment

No public comment.

Adjournment

Meeting adjourned at 9:15pm
