Sustainability Advisory Committee

- Work with the Boy and Girl Scouts to help our youngest residents become future environmentalists.
- Charging stations for current owners of electric and hybrid vehicles is a goal of our committee. **Comp Plan Objective 12.2**
- Work on a proposal for an East Goshen Community Garden which would lead to a home grown Farmer’s Market in 2021. A special component of this will be a designated section of plots for children and teens with training sessions to help them.
- A parallel program of educational modules for elementary students at our 2 schools is another work in progress. These will be offered as in classroom opportunities, before and after school programs, and assembly presentations.
- In March, we are offering at least 4 educational sessions.
 - The first will focus on Solar and Geothermal options for homeowners and businesses. **Comp Plan Objective 10.5**
 - The second will provide information on composting, pesticide free lawns and gardens and advice on buying organic products and produce. **Comp Plan Objective 10.5**
 - The third subject will concentrate on water management, to cover storm drains, watering lawns and gardens sustainably, and the purchase and utilization of rain barrels. **Comp Plan Objective 10.5**
 - The fourth presentation will cover how to recycle everything we possibly can to responsibly help protect our environment. **Comp Plan Objective 10.2**
- Collaboration with other East Goshen ABCs on potential joint projects.
- Once we have a number of workshops under our belts for young people in our elementary schools and park, we aim for a joint program with adjacent townships for the junior and high schools in our area.
- Work with other Environmental and Sustainability Advisory Committees from nearby municipalities.
