24 a. This would be a direct cost-savings to the Township

25 b. M. Kruger and T. Kilburn drove around their respective neighborhoods and
26 about 25-30% of houses have larger totes. They saw grouping of larger totes
27 were it seemed neighbors were talking about the benefits. Maybe we should
28 create a "Recycling Ambassadors" program. M. Truitt said 65 gallon totes
29 might be too big, maybe a max 50g size. M. Kruger to follow up with whether
30 plastic bags would be recyclable in a lidded can. T. Kilburn will get additional
