ADDENDUM

Zoning Hearing Board Application of ALK Management LLC d/b/a Imperial Marble & Granite

ALK Management LLC d/b/a Imperial Marble and Granite (the "Applicant") hereby requests a dimensional variance from the East Goshen Township Zoning Hearing Board (the "ZHB") in order to construct certain architectural designs and signage on the front of the building located at 1311 West Chester Pike, East Goshen Township, Chester County (the "Property"), also known as UPI No. 53-6-61.1, located in the C-1 Zoning District.

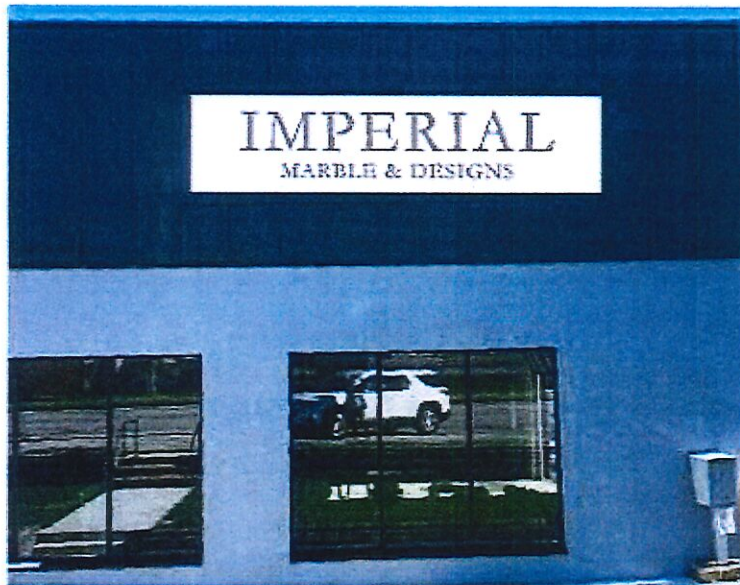

As the ZHB may know, the Applicant purchased the Property in September 2020 and, since then, has made drastic improvements to both the interior and exterior of the building. The Applicant intends to move his marble and granite business to the Property from its current location in Delaware County. In doing so, the Applicant seeks to install a wall sign of approximately 36 square feet (the Zoning Ordinance allows one wall sign of up to 32 square feet each). See Exhibit "A" attached hereto. Accordingly, the Applicant requests a *de minimis* dimensional variance of 4 square feet for the wall sign.

The Applicant has also constructed an architectural feature/trim around the front windows of the building in the shape of an "I" and an "M". The East Goshen Township Zoning Officer has deemed this to be a "sign," as defined by the Zoning Ordinance.¹ Although the time for appeal of that determination has passed, the Applicant requests a dimensional variance to allow the architectural feature to remain on the front of the building. In the alternative, the Applicant requests a variance from the definition of "sign" in the Zoning Ordinance to allow the architectural feature to remain on the front of the building.

The requested dimensional variances are necessary because the literal enforcement of the Zoning Ordinance would prohibit the Applicant from adequately advertising its business along this bustling stretch of West Chester Pike. Under the relaxed standard for dimensional variances under *Hertzberg v. Zoning Bd. of Adjustment of the City of Pittsburgh*, this ZHB may consider factors including economic detriment to an applicant if the variance is denied, financial hardship created by any work necessary to bring the building into strict compliance with zoning requirements, and the characteristics of the surrounding neighborhood. 721 A.2d 43, 50 (Pa. 1998). The changes already made to the Property by the Applicant have considerably improved the aesthetics of the Township along this stretch of road, and permitting the proposed sign and architectural feature would not alter the essential character of the area.

Accordingly, the Applicant requests that the ZHB grant the instant application.

¹ A "sign" is defined as "[a] lettered board, structure, display, illustration or other surface, or any other graphic device used to visually announce, advertise or convey information to the public for any purpose, and which is visible from the outside of the building." East Goshen Township Zoning Ordinance § 240-6.

Re: East Goshen Township Board of Supervisors
Recommendation to Zoning Hearing Board for Zoning Application filed by
ALK Management LLC, d/b/a Imperial Marble and Granite
1311 West Chester Pike

Dear Board Members:

On November 16, 2021, the Board of Supervisors met and considered the merits of the above-captioned zoning application wherein the Applicant seeks the following variances related to two signs it intends to erect for the above property and business:

- a variance from Section 240-22.P(4)(a) to allow the wall sign to be 36 square feet as opposed to 32 square feet;
- a variance from 240-22.P(4)(a) to allow the wall sign to be 2' 10" as opposed to 2' in height;
- a variance from 240-22.N to allow the wall sign to be installed at a height of 15' 9" to the bottom of the sign as opposed to 14'.
- Applicant also seeks a variance from the definition of "sign" to allow the "IM" lettering that has been installed as trim around the front windows to remain.

The Board of Supervisors voted to support the IM lettering that has been installed as trim around the front windows and has no objection to such lettering remaining in its current configuration and size. The Board was opposed to the total area and height of the wall sign but supported the wall sign being installed at a height of 15' 9" to the bottom of the sign given the difference in grade of the property from the road.

Please let me know if you have any questions or comments about the Board's recommendation.

Very truly yours,

Kristin S. Camp

On Tuesday, December 14, 2021 at 7 p.m., at the East Goshen Township building, 1580 Paoli Pike, West Chester, Pennsylvania 19380, the East Goshen Township Zoning Hearing Board will conduct a public hearing to consider the Zoning Hearing Board Application of ALK Management LLC (d/b/a Imperial Marble & Granite), regarding property located at 1311 West Chester Pike, West Chester, East Goshen Township, Chester County, Pennsylvania 19382 (Tax Parcel I.D. No.: 53-6-61.1), which is located in the Township's C-1 (Community Commercial) Zoning District.

The Applicant seeks variance relief from the Zoning Chapter of the East Goshen Township Code to permit certain architectural designs and/or signage on the front of an existing building at its 1311 West Chester Pike property. Specifically, Applicant requires variance relief to allow a wall sign of approximately 36 square feet, whereby the Zoning Ordinance allows one (1) wall sign up to 32 square feet. Accordingly, a variance is sought from Zoning Ordinance Section 240-22.P.(4). Additionally, Applicant also requests variance relief to allow an architectural feature and/or sign around the building's front windows, which are in the shape of the letters "I" and "M". Therefore, variance relief is required to allow the architectural feature and/or sign to remain on the front of the building. In the alternative, Applicant challenges the Township Zoning Ordinance's definition of the term "sign" (of Zoning Ordinance Section 240-6), which would otherwise allow the building front's architectural feature and/or signage to remain as constructed.

If any person who wishes to attend the Hearing has a disability and/or requires an auxiliary aid, service or other accommodation to observe and/or participate in the proceedings, he or she should contact the Township Building at (610) 692-7171, to discuss how those needs may be accommodated.
