Your application will not be reviewed until all of the required information has been provided to the Township. Do not pay in advance. You will be contacted with the amount of the fee. You may submit the fee when you pick up the permit.

Include the following with your application:

- Three complete sets of demolition plans that include the following:
 - Site/plot including tree removal, tree protection, grading, elevations, and management
 - Copies of any documents required by other agencies regulating the scope of this work
 - Plan for removal of the demolished work
 - Plot plan showing the location of the proposed demolition work.

I hereby certify that the proposed work is authorized by the owner of record and that I have been authorized by the owner to submit this application as the authorized agent and we agree to conform to all applicable laws of this jurisdiction. Construction shall comply with all Township Codes and the 2009 IBC Building Codes. Building/structure shall also comply with the American Disabilities Act of 1990 where applicable. Application has been examined by me and to my knowledge and belief is a true, correct, and complete application.
