AGENDA EAST GOSHEN TOWNSHIP BOARD OF SUPERVISORS

1580 Paoli Pike, 2nd Floor

Tuesday, August 2, 2022 7:00 PM

To Join Zoom Meeting:

Link: https://us02web.zoom.us/j/81245608546

Passcode: 241973

Dial In Number: 1 929 205 6099 **Meeting ID**: 812 4560 8546

During this hybrid BOS meeting, public comment will be handled as follows:

- The Zoom public is asked to remain muted during the meeting when the Board is talking.
- If you do not wish to be seen on the Board Room TVs or the YouTube Recording, your camera must be turned off via Zoom.
- In-person public participants will be given the *first* opportunity to comment and ask questions on each agenda item that requires a Board vote.
- The Zoom public participants will be given the *second* opportunity to comment and ask questions on each agenda item that requires a Board vote.
 - Zoom participants wishing to comment must raise their hand icon, state their name, and must speak one at a time.
- Call to Order (7:00 PM)
- Pledge of Allegiance
- Moment of Silence

Announce that this meeting is being recorded via Zoom. A recording will be uploaded later to the Township's YouTube channel for viewing.

- Chairman's Report (7:05 PM to 7:10 PM)
 - The township office will be closed on Monday, September 5th in recognition of Labor Day.
 - A friendly reminder that the township utilizes constant contact to keep residents up-todate with non-emergency township information. Please go to our website and click the "E-Notification" tab on the left-hand side of the homepage to sign up.
 - The Futurist Committee is currently seeking new members. The "ABC Volunteer" form can be found by clicking the "Forms & Applications" tab on the left-hand side of our homepage on the website.
- Public Hearings None
- Emergency Services Reports None
 - a. WEGO None
 - b. Goshen Fire Co None
 - c. Malvern Fire Co None
 - d. Good Fellowship None
 - e. Fire Marshal None
- Financial Report None
- Approval of Minutes and Treasurer's Report (7:10 PM to 7:20 PM)
 - a. Minutes July 5, 2022 and July 19, 2022
 - b. Treasurer's Report July 14, 2022 to July 28, 2022

9. Old Business

- a. Consider passage of resolution 2022-14 establishing members for the new Environmental/Sustainability Advisory Council. (7:20 PM to 7:30 PM)
- b. Consider "catch-all" provision in the Zoning Ordinance (7:30 PM to 7:40 PM)

10. New Business

- a. Appoint Duane Brady the permanent, full-time Zoning Officer. (7:40 PM to 7:45 PM)
- b. Malvern Library presentation on 2023 funding request (Maggie Stanton, Library Director) (7:45 PM to 8:00 PM)
- c. Accept resignation of Thom Clapper from Vacancy Board Chair and Township Auditor and consider possible appointments to those positons. (8:00 PM to 8:05 PM)
- d. Consider purchase of new folding/pressure sealer machine for utility bills. (8:05 PM to 8:10 PM)
- 11. Standing Issues/Projects (8:10 PM to 8:15 PM)
 - a. Hershey's Mill Dam Project
 - b. Milltown Dam Project
- 12. Any Other Matter
- 13. Public Comment (8:15 PM to 8:45 PM)
- 14. Liaison Reports none
- 15. Correspondence, Reports of Interest.
- 16. Adjournment (8:45 PM)

Meetings & Dates of Importance

Date	Meeting	Time
August 2	Board of Supervisors	7:00 pm

October 5	Planning Commission	7:00 pm

Newsletter Deadline for Summer 2022: May 23.

The Chairperson, in his or her sole discretion, shall have the authority to rearrange the agenda accommodate the needs of other board members, the public or an applicant.

Public Comment – Pursuant to Section 710.1 of the Sunshine Act the Township is required to include an opportunity for public comment which is intended to allow residents and/or taxpayers to comment on matters of concern, official action or deliberation which are or may be before the Board of Supervisors. Matters of concern which merit additional research will be placed on the agenda for the next meeting. The Board of Supervisors will allocate a maximum of 30 minutes for public comment at each meeting.

Constant Contact - Want more information about the latest news in the Township and surrounding area? East Goshen Township and Chester County offer two valuable resources to stay informed about important local issues. East Goshen communicates information by email about all Township news through Constant Contact. To sign up, go to www.eastgoshen.org, and click the "E-notification & Emergency Alert" button on the left side of the homepage.

ReadyChesco - Chester County offers an emergency notification system called ReadyChesco, which notifies residents about public safety emergencies in the area via text, email and cell phone call. Signing up is a great way to keep you and your loved ones safe when disaster strikes. Visit www.readychesco.org to sign up today!

Smart 911 – Smart 911 is a new service in Chester County that allows you to create a Safety Profile at www.smart911.com that includes details you want the 9-1-1 center and public safety response teams to know about your household in an emergency. When you dial 9-1-1, from a phone associated with your Safety Profile that information automatically displays to the 9-1-1 call taker allowing them to send responders based on up-to-date location and emergency information. With your Safety Profile, responders can arrive aware of many details they would not otherwise know. Fire crews can arrive knowing exactly how many people live in your home and where the bedrooms are located. EMS personnel can know family members' allergies or specific medical conditions. And police can access a photo of a missing family member in seconds rather than minutes or hours, helping the search start faster.

Westtown East Goshen Regional Police Department

Do you want to get the latest news about what is happening with the Westtown-East Goshen (WEGO) Police Department? WEGO has an online tool called CRIME WATCH that gives the public direct access to crime and public safety related information happening in our community. Local residents are encouraged to visit the website and connect with the police department social media sites.

To sign up for CRIME WATCH, https://chester.crimewatchpa.com/wegopd/53548/content/links.

1 2 EAST GOSHEN TOWNSHIP 3 BOARD OF SUPERVISORS MEETING 4 1580 PAOLI PIKE 5 TUESDAY, JULY 5, 2022 6 **DRAFT MINUTES** 7 8 Note: This meeting was held in person at the East Goshen Township Board Room. This was a 9 hybrid meeting conducted via Zoom. 10 Present: Chairman Michele Truitt; Vice Chairman John Hertzog; Members: Mike Lynch, Cody 11 Bright, David Shuey; Township Manager Derek Davis; Finance Director Dave Ware; Senior 12 13 Staff Accountant Chris Boylan; Attorney Kristin Camp, Buckley Brion; Nate Kline, Pennoni 14 Engineering; Attorney Brian Nagel, MacElree Harvey; Rick Stratton, Chester Valley Engineers; 15 Phil Mayer, Municipal Authority. 16 17 Call to Order & Pledge of Allegiance: Michele Truitt called the meeting to order at 7:00 p.m. and led the Pledge of Allegiance. 18 19 20 Michele asked for a moment of silence for first responders and Ray Halverson, West Goshen 21 Township Supervisor, who passed away this weekend. 22 23 Michele stated the meeting is being recorded via Zoom and will be available on the Township 24 website. 25 26 Chairman's Report: Michele announced: 27 Yard waste will not be picked up on July 6th. Please hold all yard waste that week until the 28 July 13th pickup. 29 The Board met in executive session prior to tonight's meeting to personnel and legal matters. 30 31 32 Public Hearings: None 33 34 **Emergency Services Reports:** None 35 36 Financial Report: None 37 **Approval of Minutes:** 38 39 Cody made a motion to approve the minutes of June 7, 2022 and June 21, 2022. 40 41 John seconded. 42 43 Chris noted a correction on the June 21, 2022 minutes. 44 45 Motion carried 5-0. 46 47

7/5/22 July 5, 2022 1

Treasurer's Report:

2 Dave Ware presented the June 30, 2022 Treasurer's Report.

3 4

1

- Mike asked about \$2,300 portable defibrillator expense. Dave responded. Mike questioned the
- 5 status of the new Edmunds financial software. Dave gave an update regarding training and
- 6 implementation. Mike noted the Applebrook Golf event and the \$11K expense paid is fully
- 7 reimbursed by fees collected from players. Mike inquired why we purchase from Honeybrook
- 8 hardware, instead of a closer hardware store. Dave responded their rates are good. Mike asked if
- 9 we have tried to leverage with the bank to get a reduced rate. Dave replied. Michele inquired
- further about the percentage of bank fees the Township in incurring on behalf of resident credit card transactions. Dave and Chris replied.
- card transactions. Dave and Chris replied.

 Michele asked about Messick's capital replacement for \$55K. Dave responded this was for the
- boom mower.

14

- David made a motion to accept the receipts and approve the expenditures as presented in the
- Expenditure Register and as summarized in the June 30, 2022 Treasurer's Report.

17

18 John seconded.

19

20 Motion carried 5-0.

21 22

Old Business: None

23 24

25

New Business:

- Consider preliminary approval of Malvern Institute land development application.
- Derek explained the information included in the agenda. All parties will present tonight.

2728

Brian Nagel, MacElree Harvey, received recommendation from Planning Commission for preliminary land development approval.

29 30

Kristin Camp mentioned the Planning Commission's recommendation was that the applicant would have to comply with any outstanding comments in the Pennoni review letter dated May 25, 2022.

34

- Rick Stratton, Chester Valley Engineers, gave an overview of the project at 940 W King Rd, 9.6
- acres, treatment facility. The project proposes a 2nd story addition to the facility, along with
- 37 proposed sidewalks, smoking pavilion, elevator shaft for separate barn building, addition of
- parking spaces, and a 6ft high aluminum fence on King Rd. Along the west side, the proposal
- 39 calls for PVC sound fence, 6ft high around side and back of property and up the east side.
- 40 Extensive landscaping on the outside of fence is included. There is no proposed plantings in
- 41 flood plain. Stormwater management will contain an infiltration basin under the parking lot to
- 42 accept runoff from parking lot. A remote Fire department connection, at an acceptable location,
- and other requests will be addressed with the Fire Marshall. Mr. Stratton went through Pennoni comments and how they plan to address them in the final plans. Mr. Stratton and Attorney Nagel
- are here tonight looking for preliminary approval for the preliminary land development plans.

46

1 Kristin commented the fence should be 8 ft. on the side and back and 6 ft. along the front. Mr. 2 Stratton agreed.

Mr. Stratton went through the Pennoni comments and specified how they plan to address them.

 Mike asked if there is any value in having the police input regarding camera location. Attorney Nagel replied this will be addressed between Malvern Institute and the security camera company to identify the best camera location between preliminary and final approval. David commented there are different types of cameras and asked Malvern Institute representatives to be open to police suggesting type of camera.

Mike brought up the 8 ft. high fence and stated that is supposed to come before Board for approval and Mike wondered if Mr. Stratton planned on presenting that at the final plan approval meeting night or the meeting before. Mr. Stratton pointed out the fence details are on the preliminary plan and included in tonight's information. The engineers will review the fence detail before it is installed. Nate Kline, Pennoni, Township Engineer, stated at a preliminary level Pennoni is ok with this type of fence. Further, Nate commented that clarification is needed on the manufacturer, color, and texture of fence. Kristin added that the way condition is worded in zoning approval, it comes to the Board for approval. If there is something specific the Board doesn't like, tonight is the Board's opportunity to raise any concern. Kristin is comfortable leading into final approval. Kristin gave further clarification for the Board. Michele stated that based on her experience, mold will appear on the fence and she would like fence maintenance to include remediating this detail. Michele inquired what the gate will look like. Rick does not have details on gate, but it will be wide enough for small mower to fit through.

Mr. Stratton distributed photo of sound blankets for generator. Attorney Brian Nagel stated when this condition was written, Malvern Institute had an old generator. They will be have a new generator, which will be quieter. He added the generator will be located close to the smoking pavilion. David added this is an emergency backup generator so it would only run for required maintenance and testing, or for emergency needs. Mr. Stratton concurred.

A draft document was submitted to the Township for the facility not to expand beds in future. Two documents still need to be submitted to Kristin Camp for review; one is the notice to the Commonwealth of PA on the limitation of 80 beds as a condition and second, the Declaration that gets recorded that restricts Malvern Institute from further expansion for 30 years.

Mr. Stratton also spoke on the following topics: the soil testing done on site, inlets will have filters and maintained twice a year, additional clarity on fencing will be on final plan, lighting details will be revised to state they are controlled by automatic switches, deer repellent will be clarified on final plan, substitute Douglas Fir will comply and be on final plan, and he believes landscape plan complies with ordinance but would need further clarification from the Conservancy Committee.

Michele asked about in event of power outage, how long Malvern Institute will have to address lighting. Mr. Stratton doesn't have detail now but will put it on final plan.

7/5/22 July 5, 2022 3

Michele asked about the scheduled update. Kristin gave guidance to the Board about the timing 1 2 of scheduled updates. Mr. Stratton added construction is anticipated to take about six months for site work. It was suggested six months after U&O is issued, and minimal annually thereafter 4 and/or at the request of the Board.

5 6

7

8

3

Michele asked about procedures regarding AWOL patient and would like more information about this. Letter from Attorney Brian Nagel to Board stated how this would be addressed and it complies with the protocol condition. Kristin explained further. David asked if HIPPA restrictions apply to police. Attorney Nagel responded.

9 10 11

12

13

14

15

16

17

18

Michele asked about number of windows that would overlook residents' yards. Mr. Stratton responded a full rendering is not available, but there will be windows on the backside of the building and they are for staff office space. Michele would like windows to be frosted. Attorney Nagel stated this was discussed with Planning Commission and they did not recommend frosted windows. Malvern Institute is opposed to frosting brand new windows. Attorney Nagel stated there is no ordinance requirement or other condition that requires to do this so they would be opposed. Michele stated this is simply a request to consider. Attorney Nagel's position is this would not be legal or enforceable condition. Discussion followed on the distance of the windows to neighboring residents.

19 20 21

22

Cody asked what current protocol is for notifying police regarding AWOL patient. Prior to this list of conditions, typically, unless there was some sort of active incident, the police were not notified if someone left. This was an added provision as part of this process.

23 24 25

Mike asked about access gates under new comments and if there be security cameras there. Response was the gates will be locked.

26 27 28

Kristin Camp, Buckley Brion, the Planning Commission must comply with outstanding comments. Would need to be satisfactorily addressed before final approval.

29 30 31

32

33

34

35

36 37

Terri Relick, 12 Treemont, stated the sound wall sample presented at the Planning Commission meeting was grey and shiny but the transcripts from Zoning Hearing Board April 25, 2018 meeting, testified teak, medium brown with green, physical texture that mimics wood. Kristin Camp clarified it is now the Board's decision for approval on what type of fence. Ms. Relick asked if the barn is being remodeled on the proposed plan. Kristin replied this is not part of the land development and there is a building permit for barn interior renovations. Ms. Relick believes there is a discrepancy between the prior floor plan shown to the ZHB and what is presented in current plan. Ms. Relick also had a concern with runoff and current yards flooding.

38 39 40

Cody asked why Ms. Relick doesn't want sound wall. Ms. Relick stated it would look like the turnpike. She would like the wood finish because she does not feel the landscape will cover the fencing because it is up on a hill.

42 43

41

- 44 Ms. Relick pointed out patient rooms in the back and the plan shows windows there.
- 45 Attorney Nagel addressed Ms. Relick's concerns. The floor plan in the Board packed is the same

46 exhibit to the ZHB. Barn renovations are interior only and Attorney Nagel will double check on the issue of windows with respect to the barn. The fence changed as the Zoning Hearing proceeded, in response to comments from neighbors, and as part of final land development approval. Stormwater management is expected to improve based on current storm water management.

Kristin stated that the square footage must be documented on the land development plan. It must identify the square footage being proposed to make sure it meets with the ZHB approval. Kristen stated they are limited based on the ZHB decision and the size of second floor cannot exceed 34.04% expansion.

Derek commented they will not be allowed to stray from the UCC code.

Amanda Greenberg, 10 Brookmont, just purchased home in February. Patients have called out to her children with inappropriate comments. Ms. Greenberg does not want windows so these people will have an eagle eye view of her children. She asked that the Board address frosted glass now to protect children before something happens. Ms. Greenberg stated that the Planning Commission deferred this decision to the Board to address. Kristin commented the Planning Commission did not impose this as part of their recommendation. Ms. Greenberg asked if there will be cameras at the gates. She also asked if something can be done at the gap near creek. She is concerned with illicit activity and feels this is a safety issue. Ms. Greenberg realizes storm water management in 1982 was nonexistent. However, her property gets swamped with runoff from two pipes from Malvern Institute that are directed at her yard. Pictures of flooding on her property were reviewed by Board. Ms. Greenberg commented on lights that shine into neighbors' properties and the fence sits lower than the building. If these are offices, the lights should not be on after hours, auto light shut off would be helpful. Ms. Greenberg stated that she would like a system in place to address when someone walks off. Kristin asked Ms. Greenberg not to refer to patients as criminals, this is a drug and alcohol treatment facility.

Attorney Nagel stated patients are there to address addiction issues. The access gates are locked and will not have cameras. There are three existing cameras at the back of the building. Land development plan addresses lighting along boundary. Kristin asked if Attorney Nagel will ask his client to consider using motion lighting in the improvements on both first and second floor. He will discuss with client. With regards to AWOL patients, the frequency of headcounts would discover someone missing. This is their operating protocol, not mandated. Mr. Stratton clarified that to address the storm water coming off the roof and pointed towards Ms. Greenberg's property, they can install a small infiltration approach.

Paige Fenimore, 3 Treemont, commented that in 2018 there was no one monitoring cameras and questioned who will enforce this under the new requirement. Kristin replied the Zoning Officer. Michele stated they will need to trust the Township to hire the correct person and have parameters regarding how that person will inspect. Rick commented the fence detail on the plan is for a sound fence. Ms. Fenimore feels the sound fence is important, as high up as possible, and aesthetically attractive. She feels they should go above and beyond for storm water management Michele added they are going above and beyond for this. Ms. Fenimore seems there are a lot of uncertainties. Michele commented this is preliminary approval. Kristin stated she would not put something in front of the Board if it's not acceptable. Michele commented they follow the advice

7/5/22 July 5, 2022 5

of counsel and there are more steps are to come. Kristin added some of the conditions are

building permit issues, not controlled by the Board. Derek commented they need to comply with
 UCC.

4 5

Mike asked about an exemption from historic resource impact study. Kristen commented the

- 6 Planning Commission supported and Historical Commission did not support this. Michele
- 7 commented that the historical component has been altered over time and is no longer a factor.

8 9

Further discussion transpired about fencing and windows.

10 11

12

John commented if we approve the preliminary land development plan, we will need a list of conditions from Kristin in order to address them. Kristin asked Nate about his understanding of the fence. All fence details have to be vetted by the Board prior to final approval.

13 14

Michele called for executive session to discuss clarity on the motion and obtain legal advice.

15 16

17 Michele called the meeting to order at 9:10PM.

18 19

20

Mike made a motion to grant the applicant an exemption from Chapter 240, regarding historic preservation, specifically Chapter 240-38.10, the historic resource impact study, and grant an exemption to the applicant for completion of this historic resource impact study.

21 22

23 Cody seconded.

2425

Motion passed 5-0.

26

- David made a motion to grant preliminary land development approval for the Preliminary Land
 Development application and plan prepared for Malvern Institute, by Chester Valley Engineers,
- 29 dated June 28, 2021, last revised April 20, 2022, subject to the following conditions:
- 30 1. All comments outlined in the Pennon/ Associates review letter dated May25, 2022 shall be addressed to the satisfaction of the Township Engineer and the Board and be reflected in the
- 32 Final Plan submission.
- 2. Applicant shall submit and present the final landscape plan to the Township Conservancy
- 34 Board for its review and comment, prior to presenting the final plan to the Planning Commission.
- 35 The landscape plans shall address the comments in the Conservancy Board's review letter dated
- 36 September 28, 2021.
- 37 3. Applicant shall connect existing roof drains on the front of the main building into the proposed
- 38 storm water management system. The applicant shall design and install a small seepage bed in
- 39 the southern-most corner of the existing building to manage storm water runoff from the existing
- 40 rear roof of the building following the simplified design procedures in the East Goshen
- 41 Township Storm Water Management Ordinance.
- 42 4. Applicant shall include the written protocols required by conditions 25 and 27 of the Zoning decision on the final plan.
- 5. All comments outlined in the Township Fire Marshall's review letter dated June 27, 2022,
- shall be addressed to the satisfaction of the Fire Marshall and the Board and be reflected in the
- 46 final plan.

- 6. Applicant shall supply details of the fences and shall be approved by the Board as part of the final plan approval.
 - 7. Applicant shall have WEGO police department review and provide comment on the types and locations of video cameras to be installed.

Cody seconded.

Attorney Nagel commented that the camera company would specify where the cameras will go and this will appear on the land development plan. He doesn't have a problem with the police department commenting where the cameras should be placed.

12 Motion carried 5-0.

- Consider 2022 Sewer Rates and a proposed capital plan.
- Mike stated that the Board has a memo from Finance Director, Dave Ware, reporting on the current condition and projected condition of the sewer system, There is an indication that, with the projects in front of us, looking ahead to aging infrastructure, and sewer rates have not kept up with CPI over the last 8-10 years, there is a need for a sewer rate increase.

Mike would like to defer this to the next meeting in order to allow Board members to review the information, while complying with the annual rate setting guidelines.

John commented that he doesn't think anyone on the Board is opposed to refurbishing the Westtown Way pump station or repairing the Hershey's Mill Estates break His concern is how much money will be remaining in sewer capital reserve, then figure out if we want to raise the user fees to grow the reserve as Dave has suggested. John's concern is with how quickly we raise the user fees but we want to have the funds available if needed.

David seconded Mike's motion to table this until we have further information regarding the timeframe for phasing in the increase and additional calculations.

 Michele commented that prior Boards have pushed this off to the current Board and it's not a decision made lightly to have to increase the rate for anyone but the Board needs to consider that we are not fully funded for our capital reserve in the event there was a catastrophic incident, similar to the Hershey's Mill Estate situation. Michele added that we also must look at legislation currently working its way through Harrisburg where increased mandates on testing, tightening of standards, and a required itemized inventory of our system with a means to fund it. Michele suggested the other consideration to discuss at the next meeting is an end of life study on our system. This is something we need to be aware cost-wise and if it's something that can be done in-house or outsource.

Dave Ware commented that 2.3M would get us fully funded to replace the Ridley Creek Sewer Treatment Plant and the pump stations. It does not address the 200 miles of sewer lines, current year unbudgeted projects, and a projected shortfall in sewer revenue.

46 Discussion transpired regarding Ordinance setting rates.

7/5/22 July 5, 2022 7

1 2	John requested more information with options.
3	Motion to table carried 5-0.
5	Consider 2022-2023 Deer Management Hunting Program Resolution.
6	Mike made a motion to approve the 2022-23 Deer Management Program Resolution (resolution
7	2022-12) and the following Deer Management Groups to participate in the 2022 Township
8	Archery Hunting program: 1. Chester County Trackers will manage the Grand Oak & Mill Creek
9	open space area. 2. Main Line Whitetail Managers will manage the Supplee open space area. 3.
10	Keystone Archers will manage the Bow Tree & Clock Tower open space area.
11	
12	David seconded.
13	
14	Motion carried 5-0.
15	
16	Consider 2 nd and final escrow release for 1303 Goshen Parkway (Jabil) and escrow release
17	for 932 N. Chester Road.
18	Derek explained this is straightforward for projects when completed.
19	
20	Mike made a motion to approve escrow release #2 for 1303 Goshen Parkway in the amount of
21	\$12,245.00, as recommended by staff and motion to approve the escrow release for 932 N.
22	Chester Rd. in the amount of \$90,573.13, as recommended by staff.
23	
24	John seconded.
25	· · · · · · · · · · · · · · · · · · ·
26	Motion carried 5-0.
27	
28	Consider replacement of sewer cleaner machine.
29	Michele explained the current machine is 15 years old.
30	a de la companya de
31	Cody made a motion to award the bid for a sewer cleaning machine to Golden Equipment in the
32	amount of \$145,313.00 and further, to authorize the Public Works Director to post the old sewer
33	cleaner on Municibid.
34	
35	John seconded.
36	e u
37	Motion carried 5-0.
38	
39	Consider purchase of new fire alarm/control panel.
10	Derek explained currently the panel covers District Court, Public Works and Police, It is located
41	at District Court and we propose updating the control panel and relocating it to Public Works for
12	ease of reset.
13	
14	Cody made a motion to approve the purchase of a new alarm panel from Premium Fire &
45	Security in the amount of \$8,000.00.
16	

7/5/22 July 5, 2022 8

1	John seconded.
2	Motion carried 5-0.
4	
5	Consider purchase of Park cameras.
6	Derek explained there has been an increase in smash and grabs at the park.
7	Mile and the least one of the least of the l
8 9	Mike asked about annual maintenance costs. He is reluctant to approve this unbudgeted purchase in 2022. John asked to table this topic and come up with a financial plan to cover this expense.
10	Michele feels we don't need everything in this proposal. Mike and Cody would like the police to
11	weigh in on this. The Board would like Derek and Dave to look at reallocating funds in this
12	year's budget to cover this purchase. Derek will forward to the Chief tomorrow.
13	year's budget to cover this purchase. Detek will forward to the effect tomorrow.
14	John moved to table this to next meeting.
15	John moved to dole this to next meeting.
16	Mike seconded.
17	
18	Dave added this is not just for license plate reading, but also for the safety of the children at the
19	park.
20	· · · · ·
21	John asked who will watch the cameras. Mike commented they may be recorded for future
22	review. Dave commented that real-time view, as well as recorded video, is available.
23	
24	Motion to table carried 5-0.
25	
26	Consider removing October 4th meeting date from calendar (Conflict with Yom Kippur
27	and following four consecutive board meetings).
28	Derek added that we eliminated this meeting last year as well, due to multiple sequential Board
29	meetings and conflicts with Yom Kippur.

1 2 EAST GOSHEN TOWNSHIP 3 **BOARD OF SUPERVISORS MEETING** 4 1580 PAOLI PIKE 5 **TUESDAY, JULY 19, 2022** 6 **DRAFT MINUTES** 7 8 Note: This meeting was held in person at the East Goshen Township Board Room. This was a 9 hybrid meeting conducted via Zoom. 10 Present: Chairman Michele Truitt; Vice Chairman John Hertzog; Members: Mike Lynch, Cody 11 12 Bright, David Shuey; Township Manager Derek Davis; Finance Director Dave Ware; Public 13 Works Director Mark Miller; Senior Staff Accountant Chris Boylan; WEGO Sgt. Steve Wassell; Goshen Fire Executive Director Grant Everhart; Fire Marshal Carmen Battavio; Tom Kilburn 14 (Futurist); Erich Meyer (Conservancy); Chuck Proctor (Zoning Hearing Board); Michael Gill, 15 16 Buckley Brion; Bill Christman, Lamb McErlane. 17 18 Call to Order & Pledge of Allegiance: 19 Michele Truitt called the meeting to order at 7:00 p.m. and led the Pledge of Allegiance. 20 21 David asked for a moment of silence for families whose lives have been impacted by gun 22 violence and mass shootings, particularly the families of children who are murdered in schools. 23 24 Michele stated the meeting is being recorded via Zoom and will be available on the Township 25 website. 26 27 Chairman's Report: Michele announced: 28 29 The Board met in executive session prior to tonight's meeting to personnel and legal matters. 30 31 Public Hearings: None 32 33 **Emergency Services Reports:** 34 Sgt. Steve Wassell presented WEGO June 2022 activities in East Goshen Township. 35 Michele commented that the Chief is going through the reaccreditation preparation and the 36 Board would probably receive the Executive summary early next week. David congratulated 37 WEGO on the recent commendation received and asked about missing juveniles. Sgt. Replied 38 that they take the missing juvenile report immediately and start actively investigating. Mike 39 asked about catalytic converter thefts and Sgt. Wassel responded. Michele echoed David's 40 congratulations. 41 42 Grant Everhart presented the Goshen Fire Company June 2022 monthly report. Goshen Fire

7/19/22 July 19, 2022 1

Company is getting ready for the Fair, Aug 1-6th. Michele asked about EMS calls increasing.

Grant responded that the quicker response time is due to having three ambulances now. David

asked about the automatic alarm report. Grant responded that there were four at one location and

43

44 45

46 47 was due to the alarm tripping.

1 Carmen Battavio presented Good Fellowship June 2022 report. Malvern Fire Company had a management change, so there no report this month.

3

Mike commented when he was at the Malvern Fair, a Malvern Firefighter thanked him for East Goshen's contribution to the Fire Company.

5 6 7

New Business:

8 Consider Hicks farm settlement agreement.

- 9 Derek explained that previously the Board voted 3-2 to explore unwinding this eminent domain case. It was agreed upon that the best route to take was to explore a settlement agreement. The
- Board was able to come to terms with the Hicks family. Derek invited Attorney Michael Gill to
- the podium. Michael Gill, Buckley Brion, elaborated on the case, including the settlement and
- process of recording the agreement at the County.

14 15

16

John made a motion to approve the settlement of the condemnation case with William I. Hicks authorize the chairperson of the Board to sign the settlement agreement documents as well as all other related documents.

17 18 19

Cody seconded.

20 21

Cody made a motion to approve the settlement of the condemnation case with Philip Hicks and Peter M. Hicks and authorize the chairperson of the Board to sign the settlement agreement documents as well as all other related documents.

232425

22

John seconded.

2627

David would like to amend both motions to recognize the amount of the settlement agreement in addition to the terms.

28 29 30

Both motions as amended are to approve the settlement conditions and compensation in the amount of \$28,000 for each settlement agreement, for a total of \$56,000.

31 32

Amendment accepted.

33 34

- Mike read the following prepared statement on the matter of settlement with Hicks property
- owners in a Legal Challenge to a Declaration of Taking by Eminent Domain for the Purpose of
- Completion of the Paoli Pike Pedestrian and Bicycle Trail (and Plan): "This Statement represents the sole Opinion of one Supervisor Member of this Board of Supervisors. My vote
- 39 will be "No" to not accept the subject Settlement Agreements (2) before the Board of
- 40 Supervisors this evening for the following reasoning and position and which when a Member of
- 41 a Governing Body votes in the Minority warrants an explanation to our community of residents:
- 42 I have stated and opined over the course of this matter (these past 2 +/- years), that the use of
- eminent domain in this matter was a valid and legal means to accomplish a benefit for the good of the community present and future. And I have said previously that perhaps akin to capital
- 45 punishment, that while I am conflicted in that I oppose both, there are times and events that
- justify the exercise of these legal but absolute powers.

I refute the notion that the pedestrian and bicycle trail along Paoli Pike across the frontage of the subject properties would negatively impact the equestrian business; the horses and the open space farm like character. This premise from my perspective remains a red herring. The diminution of the property holdings (certainly within the rights of the owners) speaks to this red herring. In fact were the trail to be completed it may have been a stimulus to the business. It also is noteworthy that the subject properties ostensibly 'remain on the market' for future development sans a conservation easement to guarantee the future open space character and stated interest of the property owners to preserve the legacy of 'The / Their Farm'. The Township worked in good faith and in a professional manner to address the concerns put forth by the property owners (double row fence, landscaping, electric-controlled fence...) at a cost to the Township of almost the same amount as the assessed valuation of the land to be taken.

In my opinion, the community – present and future – has and will suffer from this inward looking position, as this trail were it to be completed as planned could serve as the east west connector for future trail connections north south as well as beyond the township lines (and which our recent survey results confirm). The under consideration alternate trail is not a solution but rather an accommodation that ultimately will cost more (if completed before the end of this decade) than the completion of the trail as planned and understanding this \$56,000 settlement is a small fraction of the lost cost (estimated at \$600k +/- in prior engineering and design and loss of grants) to the original trail so-called Segment "B". This Paoli Pike Trail as a Plan and if completed effectively was not a trial to nowhere but rather a bridge to the future allowing people to safely recreate and increasingly in the future practically get from one part of the community to the other and with the increasing use of E-bikes further validating the trail functional connectivity. I am disappointed this BOS could not reach a consensus on this matter for present and future benefits to this community."

David commented that he will also vote no on both motions. He voted in favor of condemnation as he considered the trail an essential infrastructure for our community and important for the future, planned over many years. He wanted to pursue the condemnation to its legal conclusion and realizes he is now in a minority vote. David feels we have created an unsafe condition for the trail users and the school students and he plans to be vocal about this in the future.

Russ Frank, 451 Gateswood, asked about the agreements and if it takes into account pavement already put down that might need to be removed. Michele responded that the trail section that is already in place is not on the Hicks farm. Mr. Frank asked if there is anything in these agreements that dictates the Hicks farm could not be sold. Mike replied there is nothing in the agreement that talks about the rights of the property owner to sell or convey their property. Mike further stated that the property owners have expressed interest in preserving their legacy of the farm and the open space character, but they have already sold various portions of the property further bringing suburbia closer to their equestrian operation. Michele interjected that the property sold was owned by a different family member. Mike stated that it is all part of the Hicks Farm. Mike stated specific to the Hicks property there is no guarantee that it will remain undeveloped in the future, without a conservation easement. Michele stated the option is there for the property owners to do with their property as they so choose. Cody asked if we pursue the alternate route, would we be eligible for grant funds. Derek confirmed.

- 1 Brittany Schugsta, 917 Warrior Rd. asked if the Hicks develop the property, does the easement
- 2 remain. Mike replied this was the purpose of the eminent domain because the Township could
- 3 not negotiate for an easement on that strip of land, the declaration of eminent domain was filed to
- 4 take that piece of property for community good and the Hicks challenged that. Mike clarified
- 5 there has been no construction on the Hicks property. Ms. Schugsta questioned the compensation
- 6 to the Hicks. Mike replied the settlement has to do with giving the Hicks compensation for the
- 7 cost of their legal expenses associated with their countersuit.

8 9

John asked what the zoning is for the Hicks property. Derek replied Business Park.

10

11 Motion carried 3-2, with Mike and David opposed.

12

13 Michele signed the two documents and provided them to Attorney Michael Gill.

14

Michele asked Dave where the settlement payments will come from. Dave responded General Fund.

17 18

Financial Report:

- Dave Ware presented the June, 2022 financial report. John asked Dave if the \$1.4M surplus is a
- 20 timing issue. Dave concurred. David asked about tree removal expenses and how we budget for
- 21 that. Dave responded that he and Mark Miller work together. Mark stated ash trees are an issue.
- David asked if we have looked at anticipated outstanding expenses with the projects as it relates to the Bond Fund balance. Dave replied affirmatively.

23 24

Approval of Minutes: None

252627

Treasurer's Report:

Dave Ware presented the July 14, 2022 Treasurer's Report.

28 29 30

John made a motion to accept the receipts and approve the expenditures as presented in the Expenditure Register and as summarized in the July 14, 2022 Treasurer's Report.

31 32

33 David seconded.

34 35

Mike asked for clarification regarding Orvis Corp \$5,090 for 14 gallon recycling bins. Mike wondered if lidded toters available. Mark Miller responded lids not for that bin.

36 37

38 Motion carried 5-0.

39 40

•ld Business:

- 41 Consider passage of ordinance establishing the Environmental/Sustainability Advisory
- 42 Council to replace the Sustainability Advisory Committee.
- 43 Mike made a motion to adopt Ordinance 129D-2022 an ordinance of the Township of East
- Goshen, Chester County PA, creating a new chapter 17 of the East Goshen Township Code of
- 45 Ordinances, titled "Environmental And Sustainability Advisory Council", which creates, and

7/19/22 July 19, 2022 4

provides operating procedures and powers for a new Environmental And Sustainability Advisory Council.

3

David seconded.

5 6

Michele explained this was discussed at prior meetings. Mike elaborated.

7 8

Attorney Christman stated published in Daily Local July 7th publication.

9

10 Motion carried 5-0.

11 12

Mike made a motion to adopt Resolution Number 2022-14, titled "A Resolution of the Board of Supervisors of East Goshen Township, Chester County, Pennsylvania, Appointing the Founding Members of the Environmental and Sustainability Advisory Council".

141516

13

David seconded.

17 18

19

20

21

22

Mike rescinds the motion in order for the Board to deliberate on members. John added the members have staggered terms and feels the Board should consider who that want in each term expiration category. Michele added this motion should be tabled so further information can be gathered. Mike asked Attorney Christman about the existing terms of the SAC members since they are dissolved. Attorney Christman stated the SAC members' terms are irrelevant now that the ESAC has been formed. Derek stated the Monday SAC meeting must be cancelled.

232425

Motion tabled.

2627

Attorney Christman will provide resolution for next meeting.

28 29

Consider 2022 Sewer Rates and a proposed capital plan.

Dave explained this was discussed at the last Board meeting and at that meeting the Board asked Dave to reconsider his proposed rate increase from last meeting.

31 32 33

34

35

36 37

30

John does not agree with Dave's proposal. Mike respects Dave's analysis and management of finances. Mike would like to see the full increase at this time but is respectful of the inflationary period. Mike elaborated on rates when AQUA operations are in control of sewer operations. Mike complimented the information Dave provided of neighboring municipalities rates. Of those lower rates, Mike stressed an important component to consider is the debt load. If municipalities are keeping rates low, but borrowing, that will impact future rates. Dave added some

38 are ke

information on West Chester Borough's recommendation to the Council.

40 41

David asked about sending a letter communicating the sewer rate change to residents. Mike

believes a letter is warranted. Dave added this information is on the East Goshen Township

43 website home page. Derek asked for the Board's direction on communicating this information to

residents. John supports David suggestion to mail a letter to all residents. John pointed out the three municipalities above East Goshen, and they are controlled by AOUA. David offered to

46 review the letter prior to mailing.

7/19/22 July 19, 2022 5

1 Phil Mayer, Municipal Authority added these items need to be addressed. 2 3 Michele would like the ordinance change at the rate of inflation in perpetuity. Mike stated he 4 cannot support that. David added the rate of inflation has nothing to do with the deterioration of 5 our sewer infrastructure. David supports a rate increase of \$20/quarter beginning with the July 6 2022 billing and communicate this via letter to residents. 7 8 Michele commented that a \$15 increase would cover the reserves in 3 years, instead of 2. 9 Michele feels a letter notifying residents should be sent now and rates change in 4th quarter. 10 11 Mark Miller stated that we expanded the plant in 2010. The current equipment is due to be 12 replaced. It's just a matter of time before we have another Hershey Mill issue. 13 14 Mike stated the current ratepayers have benefitted from low increases in prior years. He feels 15 current residents should pay for the system. 16 17 Further discussion evolved. 18 19 David made a motion to adopt Resolution 2022-13, revising the fee schedule, to amend the Township's sewer rates to \$55.61 per quarter fixed and \$9.70 per thousand gallons variable, 20 21 beginning in **Q**4. 22 John seconded. 23 24 25 Russ Frank, 452 Gateswood, agrees with Mike's thoughts on the rate increase, but does not agree with the monthly adjustment of consumption. Mike replied that monthly is not proposed, it's 26 27 quarterly. 28 29 Motion carried 5-0. 30 31 Consider purchase of Park surveillance cameras. 32 Derek explained this was discussed at the last Board meeting and this is a prevalent issue in the 33 Park. Dave revised costs and how this is budgeted. Derek spoke to Chief and she would be 34 happy to send Lieutenant out to review placement of license readers. 35 Michele questioned why we would need four readers. Mark Miller stated one reader for cars 36 37 going in and another for cars going out at each entrance. John added that we have vandalism in 38 the restrooms. Mark Miller stated this occurs once or twice a week. John asked if anyone sees

John seconded.46

David views this as health, safety and welfare.

Township Park and the monthly Comcast expense.

3940

41 42

43

44

7/19/22 July 19, 2022 6

vandalism, please speak up. Mike stated every resident can be a steward in the community.

David made a motion to authorize \$8,380 for the camera installation project in East Goshen

1 Cody thanked Mark Miller for their clean up. Michele apologized to the Public Works staff who has to clean up the vandalism.

Bill Geyer, 1560 Tanglewood, asked about whether someone would review recordings and he supports the purchase. Derek replied he and Mark Miller will look into signage for area and will speak to Jason to create a more active scene around the bathrooms. David asked about having active cameras on children in the Park. Attorney Christman commented this is Township public property so no notification is necessary.

Motion carried 5-0.

Consider revised language for noise/nuisance ordinance update.

Derek explained this was discussed at the last Board meeting. Derek explained the versions and items to be considered. Attorney Christman stated this is a complete overhaul of noise/ nuisance out of zoning and into an ordinance, which will be easier to identify and enforce.

- Attorney Christman addressed the time and sound level limits in the new ordinance and asked the Board if this is what they wanted. Mike stated he thought we were eliminating decibels. Attorney Christman responded. John asked if we own a decibel reader. Mark Miller confirmed.
- Derek stated that we are not a 24/7 operation. John asked who will ascertain who is making too much noise. Attorney Christman responded. This will require 30-day notice to the County Commission and Planning Commission and advertising twice. Discussion followed.

Erich Meyer, 929 Monte Vista, asked about exceptions 156-4, day restrictions. He feels snow removal at private residents should be exempt for any hour. Discussion followed.

Bill Geyer, 1560 Tanglewood, gave background on his neighbor who built a stage and holds concerts. Neighbor obtains noise permit so others are notified. He does not want to consume police resources for this unacceptable situation. This should be addressed for all residents. John asked if Mr. Geyer read this proposed ordinance. He confirmed.

Further discussion followed.

It was determined that Attorney Christman and Derek will edit and resubmit this ordinance to the Board at a future meeting.

Presentation by the Futurist Committee on the Spring survey with additional information.

Tom Kilburn presented the survey results and the proposed follow-up actions. John asked if we can get a street lights estimate. Mark Miller confirmed. Derek will pursue. Mark Miller will

40 provide a map of open space to the Board and Tom Kilburn. John would like the Futurist

Committee to explore low cost trail options. Mike stated we need more residents to participate on the Futurist Committee. Michele and the Board thanked Tom and the Futurist Committee for

43 all their effort.

Consider support of the Pipeline Task Force (PTF) memo to Adelphia Pipeline regarding a desire to see a leak detection system installed at the Paoli Pike Valve Station.

7/19/22 July 19, 2022 7

1 2	Mike made a motion for the Board to submit a formal request to Adelphia for installation of external leak detectors at their natural gas valve station on Paoli Pike.
3 4 5	John seconded.
6 7	Motion carried 5-0.
8 9 10	Accept resignation of Vince D'Amico as Deputy Emergency Management Coordinator (EMC) and appoint Edward Kilgore as new Deputy EMC. The Board thanks Vince for the work he has done.
12 13 14	Cody made a motion to accept the resignation of Vince D'Amico as Deputy Emergency Management Coordinator (EMC) and appoint Edward Kilgore as new Deputy EMC.
15 16	John seconded.
17 18	Motion carried 5-0.
19 20 21	Review of budget meeting dates in late summer/early fall. Derek presented the proposed meeting dates to discuss the 2023 Budget. The Board concurred.
22.	Standing Issues/Projects:
22 23	Hershey's Mill Dam Project – Derek stated there were concerned residents regarding the
24 25	galvanized steel used, Gannett Fleming stands by this being the best material.
26 27 28	Milltown Dam Project – Michele stated the permit is one step closer. Mark Miller's team is addressing the mosquitos with dunks.
29 30 31 32	Any Other Matter: Mike stated that every resident is required to go through occupancy permit/inspection when the sell their home.
33 34	Public Comment: None
35 36	<u>Liaison Reports</u> : None
37 38	Correspondence, Reports of Interest: None
39 40 41	Adjournment: There being no further business, Cody made a motion to adjourn at 9:40pm.
42 43	John seconded.
14 15	Motion carried 5-0.
16	Respectfully submitted,
17	Chris Boylan

EAST GOSHEN TOWNSHIP MEMORANDUM

TO:

BOARD OF SUPERVISORS

FROM:

DAVE WARE

SUBJECT:

PROPOSED PAYMENTS OF BILLS

DATE:

JULY 28, 2022

Attached please find the Treasurer's Report for the weeks of July 14, 2022 – July 28, 2022.

General Fund revenue over this period was driven by Earned Income and Real Estate tax receipts, Parks and Recreation fees, and building permit fees. Expenses for this period include engineering services, equipment rental, insurance premiums, cell tower tax payment, and ongoing operating expenses.

The Capital Reserve Fund incurred expenses of \$90K for Hershey's Mill Dam construction.

As a point of interest, Chris Boylan put together and mailed an information letter for delinquent sewer and trash customers notifying them of our new collections process with Portnoff Law Associates Ltd., allowing them an avenue to pay their bills prior to being sent to collections. This action coupled with having a legal partner as a receivables resource has facilitated the recovery to date of \$21,751.66 of the \$144,428.34 sent to Portnoff – a 15% collection rate.

Recommended motion: Madam Chair, I move that we accept the receipts and approve the expenditures as presented in the Expenditure Register and as summarized in the Treasurer's Report.

Re: Resolution 2022-14 – Appointment of ESAC Members

The board passed ordinance 129-D-2022 on July 19th, 2022 creating the Environmental/Sustainability Advisory Council (ESAC). What they did not do, however, was pass a resolution appointing members of said council since they wanted time to think about it.

Based on individual conversations with board members I've had over the last week, Resolution 2022-14 is attached and reflects what I believe the boards wishes are in terms of ESAC appointments.

Motion: Madam Chair, I move we pass Resolution 2022-14 establishing members of the newly formed Environmental/Sustainability Advisory Council (ESAC).

NAME	TERM EXPIRATION December 31, 2022		
Kipp Happ			
Bryan Hutchinson	December 31, 2022		
Mary Krueger	December 31, 2022		
Mary McCloskey	December 31, 2023		
Christi Supple, Chair	December 31, 2023		
Alice Lenthe	December 31, 2024		
Peg Friese	December 31, 2024		

EAST GOSHEN TOWNSHIP

CHESTER COUNTY, PENNSYLVANIA

RESOLUTION 2022-14

A RESOLUTION OF THE BOARD OF SUPERVISORS OF
EAST GOSHEN TOWNSHIP, CHESTER COUNTY, PENNSYLVANIA
APPOINTING THE FOUNDING MEMBERS OF THE ENVIRONMENTAL AND
SUSTAINABILITY ADVISORY COUNCIL.

WHEREAS, the East Goshen Township Board of Supervisors (the "Board"), by Ordinance No. 129-D-2022, created a new Chapter 17 of the East Goshen Township Code of Ordinances (the "ESAC Ordinance"), which established an Environmental and Sustainability Advisory Council (the "ESAC"), pursuant to the powers granted to the Board by the Act of December 21, 1973 (P.L. 425, No. 148), entitled "An act authorizing the establishment of environmental advisory councils by certain political subdivision";

WHEREAS, Section 17-3 of the ESAC Ordinance states that the ESAC shall consist of between five and seven residents of East Goshen Township who shall be appointed by the Board for a term of 3 years, one of whom shall be a member of the East Goshen Township Planning Commission;

WHEREAS, the ESAC Ordinance also directs that the initial appointments to the ESAC shall be staggered so that approximately one-third of the membership shall expire each year, and that the terms of their successors shall be three years each; and

WHEREAS, the Board wishes to appoint the individuals named herein as founding members of the ESAC, each holding a term of office as stated below.

NOW, THEREFORE, BE IT RESOLVED, that the Supervisors of East Goshen Township hereby appoint the below-named individuals to the newly created ESAC for the following terms:

NAME	TERM EXPIRATION		
Кірр Нарр	December 31, 2022		
Bryan Hutchinson	December 31, 2022		
Mary Krueger	December 31, 2022

Re: Recommendation of Zoning "Catch-All" provision in the I-1 Light Industrial District

In a past meeting, we discussed adding a "catch-all" provision in our zoning code. Essentially, all legal uses within the Commonwealth must be allowed within at least one zoning district in any municipality. If we as a municipality do not delineate a specific use as far as what zoning district it is allowed in, we could be opening ourselves up to legal challenges.

What we would like the board to take a look at is picking a zoning district that would be an appropriate district for adding a "catch-all" provision which would put any zoning use not outlined in the current zoning ordinance within that specific district.

At the June 21st meeting in which this was discussed, the board wanted myself and the solicitor to come back with a recommendation on which zoning district made the most sense for this provision.

We feel that the I-1 Light Industrial District (located off of Airport Road above the YMCA and extending up to Wilson Drive) makes the most sense for such a provision given the make-up of what is presently there today. We would be happy to discuss this recommendation in more detail at the meeting. A potential ordinance is attached.

A zoning map is included or can be found on the website at the following address:

https://eastgoshen.org/services/planning-zoning/zoning-map/

You can see I-1 is the light/powdered blue sliver in the Northwest quadrant of the township.

If the board would like to move forward, the following motion would be in order.

Motion: Madam Chair, I make a motion we authorize the township solicitor and township manager to advertise the included ordinance which would amend East Goshen's Zoning Ordinance to permit in the I-1 Zoning District, by conditional use, any lawful use not otherwise permitted in the township.

Ordinance	No.		

AN ORDINANCE OF THE TOWNSHIP OF EAST GOSHEN, CHESTER COUNTY, PENNSYLVANIA, AMENDING THE ZONING ORDINANCE, CHAPTER 240, TO PERMIT IN THE I-1 ZONING DISTRICT, BY CONDITIONAL USE, ANY LAWFUL USE NOT OTHERWISE PERMITTED IN THE TOWNSHIP. EFFECTIVE FIVE DAYS FROM ENACTMENT.

BE IT ENACTED AND ORDAINED by the Board of Supervisors of East Goshen Township that the East Goshen Township Code of Ordinances, as amended, is hereby further amended as follows:

SECTION 1. Section 240-19 of the Code of Ordinances, titled "I-1 Light Industrial District", is hereby amended to add a new § 240-19.C(34) as follows:

- (30) Any lawful use not otherwise permitted in the Township.
- **SECTION 2**. If any sentence, clause, section or part of this Ordinance is for any reason found to be unconstitutional, illegal or invalid, such unconstitutionality, illegality or invalidity shall not affect or impair any of the remaining provisions, sentences, clauses, sections or parts hereof. It is hereby declared as the intent of the Board of Supervisors that this Ordinance would have been adopted had such unconstitutional, illegal or invalid sentence, clause, section or part thereof not been included therein.
- <u>SECTION 3.</u> General Code is hereby authorized to make any necessary formatting and numbering changes needed in order for this Ordinance to be made consistent with the formatting and numbering standards applicable to the East Goshen Township Code of Ordinances as published by General Code.
- <u>SECTION 4.</u> All Ordinances or parts of Ordinances conflicting with any provision of this Ordinance are hereby repealed insofar as the same affects this Ordinance.
- **SECTION 5**. This Ordinance shall become effective five days after enactment.

ENACTED and ORDAINED this _	, 2022.

Re: Appointment of Duane Brady as Zoning Officer

After a lengthy search for a new Zoning Officer/Director of Code Enforcement, we are pleased to say that Duane Brady, a current employee and Code Inspector here at East Goshen, was offered the position and accepted.

I was appointed the interim Zoning Officer back in June. Now that we have Duane on board, I am requesting the board make a motion to remove me as interim Zoning Officer and appoint Duane permanently to the position of Zoning Officer,

Motion: Madam Chair, I move we remove Derek Davis from the position of interim Zoning Officer and appoint Duane Brady as the permanent, full-time Zoning Officer.

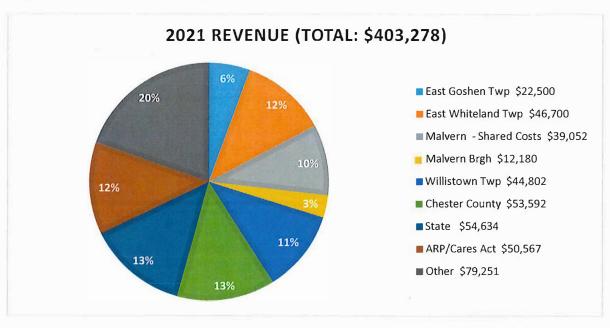

Malvern Library Funding Request for 2023

Malvern Library has been a cornerstone in this community for over a century. While we have changed from an organization that once only housed books, we now provide access to computers, services, programs, and many other resources to meet the needs and wants of our community. We provide access to hotspots and computers to keep people connected both inside and outside the library. We added a 3D printer geared for STEM programming encouraging children and young adults to pursue the sciences. From our Library of Things, patrons can check out museum passes and board games to enjoy with their family and friends while creating lasting memories. Programs and events are now offered in person and virtually, with recordings available for patrons to view at a time convenient for them. Lastly, we provide proctoring services for students, host a Gambler's Anonymous support group, and a poetry writing circle lead by the East Goshen Poet Laureate. As we move forward we hope to provide other new services and programs to engage our community and promote growth and learning.

However, access to these services and programs would not be possible if the library is not funded to the best of our service area's ability. We are always grateful for the funding we do receive, but like all businesses, the changing economy increases our operational costs, requiring us to push every dollar that much farther or do less for our community.

As shown in the chart below, the main revenue source for the library from government entities comes from the County and State which are distributed to each of the libraries in the Chester County Library System per the terms of our system agreement. In 2021 we received \$53,592 from the County and \$54,634 from the State making up 26% of our revenue.

The library raises additional funds through fundraising and the collection of fines and fees which are shown in the chart below as "Other". These "Other" sources of revenue in 2021 total \$79,251 or 20% of our total revenue. Of those funds, 64% came from our fundraising efforts in which we raised \$51,000. Of the donations we received, 36% came from one donor as a one-time donation in the amount of \$18,664. Typically, the library has raised on average \$27,947 each year for the last three years excluding special large one-time donations.

Lastly, the chart shows that 41% of our total funding comes from the four local municipalities in our service area. When reviewing how the residents from each service area use their library we found East Goshen residents use their library at a similar rate as the rest of our service area's patrons, but were providing the least funding not only in dollars but also in per capita as shown in the statistics below.

2021 Funding by Municipality in ascending order:

East Goshen: \$22,500 Willistown: \$46,146 East Whiteland: \$46,700

Malvern Borough: \$12,180 and an additional \$50,000 as In Kind Services for a total of \$62,180.

Average contribution including In Kind Services: \$44,381

2021 Per Capita Rates in ascending order:

East Goshen: \$1.22 East Whiteland: \$3.32 Willistown: \$4.14

Malvern: \$3.52 excluding In Kind Services, \$17.95 including In Kind Services*

Average Per Capita \$3.05, or \$6.65 including In Kind Services*

Malvern Library Cardholders in ascending order:

Malvern: 1,206 or 21% East Goshen: 1,461 or 25% East Whiteland: 1,531 of 26% Willistown: 1,614 or 27%

Checkouts at Malvern Public Library by municipality in 2021 by local contributing municipalities not including e-materials in ascending order:

Malvern: 21.12% East Goshen: 24.32% East Whiteland: 24.67% Willistown: 29.89%

These rates have remained consistent since the summer of 2019 when we first discovered this discrepancy. At that time, we approached East Goshen with a modest funding increase request from \$18,000 to \$22,500 with the intention to increase the amount on a regular interval until parity is reached with the other municipalities.

As the Malvern Library is growing we need to be able do more for our community. Increased funding would ensure the continuity of the services we currently provide and enable us to expand our newer offerings such as our collection of board games, museum pass offerings, and e-materials to name a few. Therefore, Malvern Library would respectfully request East Goshen Township increase their library funding from \$22,500 to \$24,853 for the 2023 budget year. This would increase the per capita from \$1.22 to \$1.35.

Date: July 27, 2022 From: Derek Davis, Township Manager To: Board of Supervisors Re: Thom Clapper Resignation After 55 years in the township and countless years of services to East Goshen Township, Thom Clapper is leaving the township. Thom was both the Vacancy Board Chair and elected Auditor so both need to be filled. It is recommended these are two separate people. Specifically for the Auditor, the resignation needs to be accepted within 45 days of the resignation (From July 15th). After it is accepted, we then have 30 days to appoint. For Vacancy Chair, there is more flexibility in the timing of the appointment but it is still recommended to do it as soon possible. Motion: Madam Chair, I make a motion we accept the resignation of Thom Clapper from the positions of elected Township Auditor and Vacancy Board Chair. If the board is entertaining motions to appoint these positions tonight they may do so. Otherwise we can regroup on the 16th. Possible Motion #1: Madam Chair, I make a motion we appoint to the positon of Township Auditor through the next municipal election cycle and the term expiration at the end of 2023. Possible Motion #2: Madam Chair, I make a motion we appoint to the positon of Vacancy Board Chair.

Mr. Derek Davis Township Manager East Goshen Township 1580 Paoli Pike West Chester, PA 19380-6199

Dear Derek,

After 55 years as a resident of East Goshen Township, I reluctantly will be moving from the township to an active 55+ community in Kimberton, and therefore, must resign my positions as Township Auditor and Vacancy Committee effective July 15th.

Irene and I have enjoyed living in East Goshen Township, and I have enjoyed serving in many elected and appointed positions within the Township; it has been a personal pleasure working with the very competent and pleasant Township staff. We have experienced the Township as a wonderful place to live and raise a family. Irene and I consider East Goshen Township the number one Township in the County, if not the State.

Sincerely

Thom Clapper

EAST GOSHEN TOWNSHIP MEMORANDUM

TO:

BOARD OF SUPERVISORS

FROM:

DAVE WARE

SUBJECT:

FOLDING/PRESSURE SEALING MACHINE

DATE:

JULY 20, 2022

The current folding/sealer machine is 8 years old, is included on our fixed asset schedule, and its replacement cost has been fully funded in the Capital Reserve Fund. In order to use the current machine with the new utility bills, we would need to purchase a new roller, at a cost of just over \$1,000. With the age of the current equipment and the numerous maintenance issues and costs experienced with it, we recommend a more fiscally appropriate decision to invest in a replacement machine, which will allow staff to continue our billing process in-house. After a comparative cost analysis, keeping the process in-house is substantially cheaper than outsourcing to a vendor, saving about \$3K per year, and gives us more control. The current machine (Paitec 5000) could be listed on Municibid and potentially sell for \$50-100.

In preparation for the upcoming implementation of the new Edmunds Utility software, staff sought out three quotes for a new folding/pressure sealing machine, compatible with the new $8 \frac{1}{2} \times 14$ " utility bills to be used.

The following quotes were received from 1) current machine vendor (Paitec), 2) our current printer vendor (Rothwell), and 3) our new utility bill vendor (MGL).

Folder/Pressure Sealer Machine			
Current machine model - Paitec ES5000			
Original purchase \$3,175 in 2014, 10 yr life			
Estimated replacement cost - \$4,782 on Fixed Asset schedule			
New - Edmunds invoice stock is 8 1/2 x 14, 28# weight			
	Paitec	Rothwell	MGL
	Current machine	Vendor for office printers	Vendor for new invoice stock
Contact	Peter Nguyen	Kevin Rothwell	Greg Lowe
Email	peter@paitec.com	krothwell@rothdoc.com	glowe@mglprintingsolutions.com
Recommended model	Paitec ES5500	Paitec ES5500	Express Sealer 3000
Folds/Seals	5000/hr	5000/hr	3000/hr
Paper	28#	28#	28#
Cost	\$4,595.00	\$4,195.00	\$4,299.00
Shipping	\$100.00	\$0.00	\$188.00
Install	\$495.00	\$0.00	\$379.00
Total Cost	\$5,190.00	\$4,195.00	\$4,866.00
Warranty	3 months	1 year	no response
Consumable	parts as needed not included	d: roller, pads	
Service Contract 1 year	\$495 required and begins on the date of install	does not recommend - consumables are not covered under service contract	no response
Trade in		\$0-but willing to recycle	no response

Recommended motion: Mr. Chairman, I move that we authorize the purchase of a new folding/pressure sealing machine from Rothwell, with the initial order not to exceed \$5,000 plus shipping, paid from Capital Reserve. I further authorize the current folding/pressure sealing machine be posted for sale on Municibid and recycle if no buyer shows interest.
