Business:

Tom and Jeff discussed the feedback the Committee received at the 7/19/22 BOS meeting. Tom agreed to send a note to Dave Ware requesting that \$3500 be included in the 2023 budget for approximately 16 street trees to be planted along the Paoli Pike trail between Boot Rd and 352. The BOS requested that Township staff request quotes for street lights in that same area for potential funding in the 2023 budget. Tom agreed to follow up with Mike Lynch on his objections to pursuing an open space plan for the Township. At the BOS meeting Mark Miller agreed to provide an existing open space map for the Township to the BOS and the Futurist Committee. The committee agreed to develop a high level plan for neighborhood connector trails to the Paoli Pike Trail to be presented to the BOS at a future meeting. The neighborhood connectors would be ranked according to cost and residents served.

The meeting was adjourned at 8:10.
