The minutes of the April 13, 2022 meeting could not be approved since there wasn't a quorum.

Chairman's Report

1. Sandy announced that this will be Mark Gordon's last meeting. His last day will be June 10th. She thanked him for all of his support and help. Everyone wished him the best.
2. The members discussed the fact that they have two vacancies on the Board. Sandy encouraged everyone to see if they have friends that would like to join the CB. She also feels the BOS should notify them when they are going to do interviews. Dan suggested holding an educational meeting to get to know what CB programs residents would be interested in.
3. Sandy feels they should cancel one of the summer meetings – July or August. Members should let her know which is best for them.
4. Sandy gave this year's Keep East Goshen Beautiful Day materials to Mark. He will give them to Derek.

Any Other Matter

1 Dan mentioned that you can get properties through GIS that back up to waterways. West Chester University has a GIS department that can give assistance. Also he could get someone from Willistown Conservancy to do a tour.

2 Eunice mentioned that chestnut trees were planted by the Blacksmith Shop where it can flood. She feels the nuts rotted. She described where others were planted, and they are doing well.

Adjournment

Respectfully submitted,
