**Call to Order**

Sandy called the meeting to order at 7:00 p.m.

**Pledge of Allegiance & Moment of Silence**

Sandy led those present in the Pledge of Allegiance and then asked for a moment of silence to remember our first responders, troops, and medical staffs.

**Minutes**

**Chairman's Report**

None

**Old Business**

1. Supplee Valley – Sandy asked everyone to come to the September meeting with ideas for trees and shrubs for the fall planting at Supplee Valley. This area floods and has beavers who build dams. Also, there are blue bird stands there. Eunice suggested some native plants – Black willow, swamp white oak and button bush. She mentioned that the oaks provide caterpillars for the blue birds. She also mentioned that the PA Horticultural Program has an event each year where you can get trees for \$50. Next month the Board will discuss the type of trees and shrubs to plant in the Fall.

2. Clymers Woods – Sandy mentioned that two trees are turning brown. One is the Labor Day tree. She will contact Mark Miller to check on the watering of these trees.

3. Paoli Pike Trail -Walter reported that he talked to Tom Kilburn of the Futurist Committee about assisting in planting trees along the Paoli Pike Trail. Tom thanked him and will get back to him.

**New Business –**

None

1 **Liaison Reports**

2 **1. Municipal Authority** – Walter reported that the plant is running well. Rates were  
3 presented to the BOS. Public Works had to remove a dozen ash trees on the sewer right-of-  
4 way in Supplee Valley.

5  
6 **2. Willistown Conservancy** – Dan mentioned that he is thinking of holding a public orientation  
7 in the fall to try to make the public aware of our waterways and their condition. Currently  
8 the State lists East Goshen's waterways as impaired. Dan discussed some reasons for this,  
9 mostly runoff. He provided an outline for the meetings. He also provided information about  
10 "How's My Waterway" where you can look up maps and see the waterway. And a new  
11 Initiative: Watershed-Friendly Property Certification. The importance of buffers was  
12 discussed. Sandy suggested contacting CRC who do stream cleanups. The Board decided a  
13 weeknight in October would be good. Dan feels he will have confirmation of presenters and  
14 topics next week. Sandy will contact Derrick Davis about use of the Community Room and  
15 the CRC.

16  
17 **3. Board of Supervisors** – Erich reported that the BOS approved the SAC (Sustainability  
18 Advisory Committee) name change to ESAC (Environmental SAC) and connection to the  
19 State's program which interacts with other municipalities.

20  
21 **Correspondence**

23  
24 **Any Other Matter**

25 Erich mentioned that the Hershey Mill Dam Park should be ready by the end of August. It  
26 looks really good. For the Milltown Dam Park they are waiting for the State to sign the  
27 necessary paperwork.

28  
29 **Public Comment**

30 None

31  
32 **Adjournment**

33 There being no further business, Erich moved to adjourn the meeting. Walter seconded the  
34 motion. The meeting was adjourned at 8:25 p.m.

35  
36 Respectfully submitted,
