SECTION 1. Chapter 156 of the Code of Ordinances, titled "Noise", is hereby repealed and replace with the following:

Chapter 156 Noise and Nuisances

Article I – Noise

§ 156-1 Title.

This chapter shall be known and may be cited as the "East Goshen Township Noise Ordinance."

§ 156-2 Purpose; intent; authority.

- A. Excessive sound is a hazard to the public health, safety, and welfare and to the quality of life of the residents of East Goshen Township, interfering with the quiet enjoyment of residential and public property and the operation of businesses.
- B. It is the policy of the Board of Supervisors to prevent, to control, or to mitigate environmental factors including noise pollution that may jeopardize the health, safety, or welfare of Township residents and businesses.
- C. The Township is empowered to define conduct that constitutes disturbing the peace by § 1527 of the Second Class Township Code, 53 P.S. § 66527, to abate and to prohibit

nuisances on private and public property pursuant to § 1529 of the Second Class Township Code, 53 P.S. § 66529, and to provide for enforcement of noise pollution ordinances by summary offense by § 1601(c.1)(2) of the Second Class Township Code, 53 P.S. § 66601(c.1)(2).

§ 156-3 Establishing limits on noise.

All sound exceeding the limits established hereinbelow are hereby declared to be a public nuisance, and may be abated by administrative or judicial proceedings, fines, and penalties herein provided.

A. Limits established.

- (1) No person shall operate or cause to be operated on private or public property any source of continuous sound (that is, any sound which is static, fluctuating, or intermittent with a recurrence greater than one time in any fifteen-second interval) in such a manner as to create a sound level that exceeds the limits set forth in the following table for the land use of the property receiving the sound, as measured at or within the boundary of the said receiving property.

Receiving Land Use Category	Time	Sound Level Limit (dBA)
Residential, public space, open space, agricultural, or institutional	7:00 a.m. to 7:00 p.m.	65
	7:00 p.m. to 7:00 a.m.	55
Commercial or business	7:00 a.m. to 10:00 p.m.	70
	10:00 p.m. to 7:00 a.m.	65
Industrial	At all times	75

- (2) The proper designation of "receiving land use category" shall be determined by the Township representative taking the sound measurement for the purposes of enforcement of these provisions.

B. Correction for character of sound.

- (1) For any source of sound which emits a pure tone, the maximum sound level limits set forth in the above table shall be reduced by five dBA.
- (2) For any source of sound which emits an impulsive sound (a sound of short duration, with an abrupt onset and rapid decay and an occurrence of not more than one time in any fifteen-second interval) the maximum sound level shall not

exceed 20 dBA over the ambient sound level, regardless of time of day or night or type of receiving land use.

C. Measurement of sound.

- (1) For the purpose of measuring sound to determine compliance with the provisions of this chapter, test equipment, methods, and procedures shall conform to the latest approved standards of the American National Standards Institute (ANSI), or equivalent entity as may be identified by the Board of Supervisors.
- (2) Test equipment shall be operated in accordance with the manufacturer's instructions, specifically including calibration requirements as necessary to assure an accurate measurement.
- (3) The measurement of the sound shall be taken at or beyond the property line of the property from which the sound being measured is emanating.

D. Noise sources defined as nuisances.

- (1) The following sources of noise are hereby defined as public nuisances and subject to control by the Township, regardless of decibel level:
 - (a) A domesticated animal that makes a noise continuously or persistently for a period of 15 minutes or more in such a manner as to disturb persons beyond the property line of the property whereupon such animal is kept.
 - (b) The operation, playing, or permitting of operation or playing of any musical instrument, radio, television, sound amplifier, audio equipment, or similar device between the hours of 9:00 p.m. and 8:00 a.m. in such a manner as to disturb persons beyond the property line of the property upon which such devices are located.

- (2) In addition to the above, it is hereby declared to be a nuisance and shall be unlawful for any person, firm, or business entity to make, cause, or allow to be made or caused upon a property owned, occupied, or controlled by him or it any excessive noises or sounds by means of vehicles, machinery, equipment (including sound amplification equipment and musical instruments), or by any other means or methods which are physically annoying to the comfort of any reasonable person or which are so harsh, prolonged, unnatural, or unusual in their use, time, and place as to occasion physical discomfort or which are otherwise injurious to the lives, health, peace, and comfort of the inhabitants of the Township.

The following noise sources are hereby exempted from the maximum permissible sound levels provided hereinabove and are furthermore deemed not to be nuisances:

§ 156-11 **Bamboo.**

East Goshen Township has determined that the planting, cultivating and growing of certain running plants, particularly those plants commonly referred to as "bamboo," within East Goshen Township has a negative impact on the health, safety and welfare of the citizens of East Goshen Township and the public at large, as the uncontrolled planting, cultivating and growth of said bamboo plants results in the destructive spread of said plants onto private and public property and thereby constitutes a nuisance within East Goshen Township. East Goshen Township has therefore determined that it is in the best interests of the citizens of East Goshen Township and the public at large to control the planting, cultivating and/or growing said bamboo plants within East Goshen Township, primarily by prohibiting the future planting, cultivating and/or growing said bamboo plants within East Goshen Township, and by requiring the use of barriers to prevent the invasive spread of existing bamboo plants within East Goshen Township.

- A. For purposes of this chapter, bamboo found growing upon a property shall constitute presumptive evidence that the bamboo was planted, cultivated and/or grown by, and/or with the consent of, the subject property owner, tenant, and/or any other individual, entity or

corporation then having control of and/or over the subject property, subject to the definition of "bamboo owner," above.

- B. Prohibition. Upon the effective date of this section, the planting, cultivating and/or growing of bamboo shall be prohibited within the Township. No persons, property owners, tenants, and/or other individuals, entities, and/or corporations having control of and/or over any property located within the Township shall plant, cultivate, and/or cause to grow any bamboo on any real property within the Township. Any person who plants, cultivates, and/or grows, and/or causes or allows to be planted, cultivated and/or grown, bamboo within the Township shall be deemed to be in violation of this chapter and shall be subject to such penalties as are set forth herein.
- C. This section shall not be deemed to alter or abrogate any rights at common law, or otherwise, that any persons, property owners, tenants, and/or other individuals, entities, and/or corporations may have to recover the cost of removal of any bamboo found on their own property that has encroached from a neighboring property.
- D. Exceptions. Notwithstanding the prohibitions set forth in § 156-11.B, above, upon the effective date of this section, persons, property owners, tenants, and/or other individuals, entities, and/or corporations having control of and/or over any property located within the Township shall be permitted to plant, cultivate, and/or cause to grow bamboo on any real property within the Township only if:
 - (1) The root system of such bamboo is entirely contained within an above-ground-level planter, barrel or other vessel of such design, material, and location as to prevent completely the spread of growth of the bamboo root system beyond the container in which it is planted; or
 - (2) The root system of such bamboo is contained within and/or restricted by a barrier, constructed in accordance with the following specifications, and installed by an experienced installer with certification provided to the Township:
 - (a) The barrier itself shall be composed of a high-density polypropylene or polyethylene, with a thickness of 40 mils, or more;
 - (b) Each portion or sheet of the barrier shall be secured or joined together by the use of stainless steel clamps or stainless steel closure strips designed to be used with such barriers;
 - (c) The barrier shall be installed not less than 30 inches deep;
 - (d) The barrier shall be circular or oblong shaped;
 - (e) Not less than three inches of the barrier shall protrude above ground level around the entire perimeter of the bamboo; and
 - (f) When installed, the barrier shall slant outward from the bottom to top.

- (3) Any and all bamboo existing pursuant to this shall, at all times, be located, trimmed and maintained so that no bamboo, or any part thereof, shall be within 10 feet of any property line, curb, and/or sidewalk, nor within 40 feet of any roadway, cartway, street, storm sewer, sanitary sewer and/or public water facilities within the Township.
- E. Any bamboo that has been planted or otherwise permitted to grow on any property within the Township prior to the effective date of this section may remain on such property subject to compliance with the following:
- (1) The bamboo shall not be within 10 feet of any property line, curb, and/or sidewalk, or within 40 feet of any roadway, cartway, street, storm sewer, sanitary sewer and/or public water facilities within the Township.
 - (2) Any bamboo owner whose property contains bamboo that is located within 10 feet of any property line, curb, and/or sidewalk, or within 40 feet of any roadway, cartway, street, storm sewer, sanitary sewer and/or public water facilities within the Township shall remove such bamboo and shall abate the growth of such bamboo so that it is not within 10 feet of any property line, curb, and/or sidewalk, nor within 40 feet of any roadway, cartway, street, storm sewer, sanitary sewer and/or public water facilities within the Township.
 - (3) A bamboo owner shall further be responsible to ensure that any bamboo planted and/or growing on the property of the bamboo owner prior to the effective date of this section is maintained such that it does not encroach or grow upon any adjoining or neighboring property or properties, including all public property and public rights-of-way. If the Township determines that any such bamboo, or part thereof, has been allowed to encroach, grow upon, extend roots across, and/or extend branches, stalks and/or leaves over any public right-of-way and/or any private property not owned by and/or in the possession of the bamboo owner, the bamboo owner shall be required to comply with the provisions of § 156-11.D above.
- F. Replanting prohibited. Any bamboo either planted or caused to be planted or existing on a property prior to the effective date of this section may not be replanted or replaced in kind once such running bamboo is or has become, for any reason, dead, destroyed, uprooted or otherwise removed, unless such replanting is consistent with the provisions of § 156-11.D above.

§ 156-12 Notice to abate nuisances.

Whenever a condition constituting a nuisance or health hazard is permitted or maintained, the Supervisors, or persons authorized by the Township, may give the owner of the property in which said nuisance is located, and any other person permitting the maintenance of such a nuisance, written notice to completely remove, repair or abate the same. Said notice shall require such removal, repair, or abatement within 15 days of the date of such notice. Said notice shall be served in one of the following matters:

- A. By personal delivery;
- B. By certified mail, return receipt requested, to the last known address of the owner;
- C. By posting a copy of the notice upon the premises; or
- D. By publishing a copy of the notice in a local paper of general circulation within East Goshen Township, Chester County, Pennsylvania, once a week for three consecutive weeks.

§ 156-13 Violations and penalties.

Any person or business entity who or which shall violate any of the provisions of this chapter shall, upon summary conviction thereof in an action brought before a magisterial district judge in the manner provided for the enforcement of summary offenses under the Pennsylvania Rules of Criminal Procedure, be punishable by a fine of not less than \$100 nor more than \$1,000, plus costs of prosecution and, in default of such fine and costs, by imprisonment for a term not exceeding 30 days. Each violation of any of the provisions of this chapter shall be deemed to be a separate and distinct offense. When a violation continues beyond the time limit as may be set forth in an NOV, each day that a violation continues beyond the time limit shall be deemed a separate and distinct offense. When a person or entity who or which has been issued an NOV is found again to be in violation of this chapter and issued another NOV within 12 months of the previous NOV, the fine shall be double the amount of the previous fine up to a maximum fine of \$1,000 for each separate and distinct offense.

§ 156-14 Abatement of nuisances by Township.

In addition to, or instead of, invoking the penalties set forth in the preceding section, the Township, or persons authorized by the Township, may, in the event of any continued violations of this chapter, enter upon the offending premises and remove, repair or alter any nuisance, hazard or dangerous structure or condition on such property, or otherwise abate any identified nuisance or health hazard. Further, the Township may collect the costs of such removal or abatement, together with any penalty and costs as granted in summary proceedings, from the owner of the property or premises. The actual costs of such removal, together with the penalties, costs and reasonable attorney's fee, shall be a lien upon such premises, and may be enforced against the property and recovered by the Township in the manner prescribed for the levying and collecting of municipal liens under appropriate law.

§ 156-15 Injunctive relief.

The Township may, by means of a complaint in equity or other appropriate filing, compel the owner of a structure or premises declared a nuisance to comply with the terms of any notice of violation, or seek any other appropriate relief, including an injunction, from any court of competent jurisdiction.
