From The Chair...

Hello Neighbors!

It's hard to believe that this year has flown by so quickly! This is my last letter as Chair, and I look forward to supporting the next Supervisor we choose for the position in January. Reflecting over the past year, I can say it has been a privilege to serve the community as Chair of the Board of Supervisors!

As Chair, it falls to that person to explain things, good and bad, to the community. That means I must tell you that a tax increase was voted through for 2023. On December 20, 2022, the Board of Supervisors, in a vote of 3 to 2, voted in favor of passing a .5 mil increase of the township tax. While this represents a 40% increase, it is a much smaller increase in actual dollars than our school tax, but it is still an increase. I have included estimates on page 3 to provide an idea of how much this could mean to some communities in the township, but I have also included a link to the County website where you can enter your address to see what your own assessed rate is. On average, township-wide, the increase will amount to around \$125 more per property, but, again, the specific increased depends on the assessed value of your home. Take that assessed rate, multiply it by 0.00175 to calculate how much you will owe in township taxes. This information will be located on our website, and there will be a letter coming from the Township Manager to explain it as well (look for that in late January).

Why was this tax increased? The township is experiencing the same inflationary problems all of us are experiencing in our own households. In addition to inflation, townships must provide services (which are more expensive to implement due to supply chain shortages and inflation), emergency services (WEGO, Fire, Ambulance) and we have several large, expensive projects that must be done. Looking at the budget, our fine police department accounts for fully 60% of our entire budget each year. We will NOT defund our police. We did not choose to breach the Hershey's Mill Dam or the Milltown Dam and restore them to their pre-manmade dam state (this was a DEP and Army Corps

MEETINGS

East Goshen Township meetings are advertised in the *Daily Local News*

Agendas and Minutes are available on our website: www.eastgoshen.org

All Township meetings and workshops with the exception of Board of Supervisors executive sessions are open to the public.

*Respecting the Past
Serving the Present
Preparing for the Future*

From The Chair...continued from cover

of Engineers requirement). There are 6 township owned ponds that are dying and need to be rehabilitated, none of which were on a schedule to be rehabbed until recent years. They will cost several hundred thousand dollars for each pond, even doing much of that work “in-house” with township Public Works leading the efforts.

Additionally, the township has taken out loans (referred to as “bonds” in government) which are coming due. When the Board of Supervisors took out the \$10 Million dollar loan for the Paoli Pike Trail, the Hershey’s Mill Dam, the Milltown Dam, and the Westtown Way Sewer Treatment Plant upgrades in 2017, they did not know that costs would surpass the amount of the loan for the combined projects. When the Board borrowed money in 2003 to acquire 220 acres of open space (Applebrook), they implemented the 1.25 mil tax we have now. That was smart because they planned for the repayment of the loan at the time they received the loan. Taxes were not increased in 2017 when the township borrowed the \$10 million, which would have put us in a completely different situation today. The loan has come due, we must start paying it back.

As a township, we have been utilizing grant monies for many projects. Grants come with strings attached, in the form of “use by” deadlines, “match” requirements, and other more stringent rules. This grant money is a significant reason why we have not had to raise the township tax since it was implemented. Due to the exhaustive efforts of our vigilant staff, our township has been the recipient of millions of dollars in grants over the past two decades, and this is what has saved past Boards from raising taxes until now. While the current Board was divided on implementing an increase this year or waiting until next year, we all understand that “kicking the can down the road” to another Board is exactly what has been done in the past, and that cannot

happen any longer.

On a positive note, the Hershey’s Mill Dam Park project is virtually complete! The last few items that need to be completed must wait until spring, which will allow us to see which plants or trees did not make it through their first winter and need to be replaced.

A few reminders to all: If ice or snow is predicted, please park in your driveways when possible so that salt trucks and snowplows have a clear path down your street. Also, the trash/recycling schedule is changing in 2023-if you had pick up for trash and recycling Monday/Thursday, you are now Tuesday/Friday, and the reverse is correct. This will remain for the years 2023-2025. There are many volunteer opportunities in the township! If you are interested in serving on one of our Advisory Boards or Commissions, please look at the options on the website and get your application in to Derek Davis.

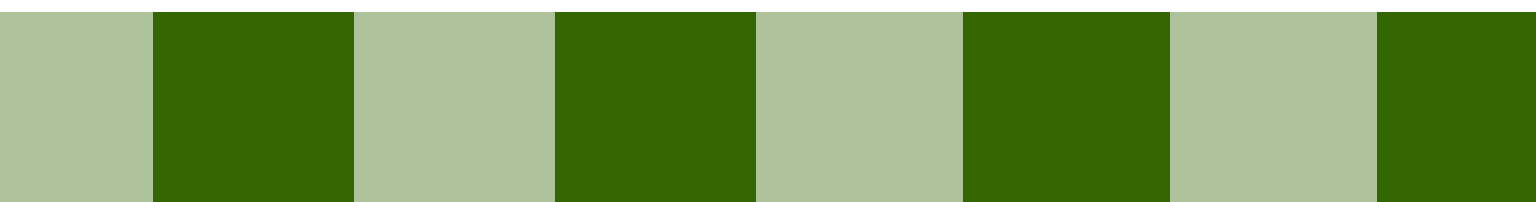

This is the time of year when many of us celebrate religious holidays-14 of them in December alone! By the same token, many people do not. Embrace the differences that make our community unique, and respect one another, regardless of your beliefs. Whatever holiday you celebrated, I hope it was filled with family and friends, love, joy, and peace. Happy New Year and Happy Festivus to the rest of us!

Michele

Electronic Payment Program – Sewer/Trash Bill

Optional Electronic Payment Program for utility bill:

This program is offered as a complimentary service to our residents. If enrolled in this electronic payment program, we will still mail the utility bill so you know how much it is, but it will indicate “STATEMENT ONLY”. Utility bills are mailed on/around January 15th, April 15th, July 15th, and October 15th and are due at the end of the following months. When enrolled, we will pull the quarterly utility bill amount, from the bank account provided, on February 20th, May 20th, Aug 20th, and November 20th (or the next business day if these are a weekend).

To enroll in the electronic payment program, please complete the form found on our website at www.eastgoshen.org, select SERVICES, FORMS AND APPLICATIONS, ELECTRONIC PAYMENT AUTHORIZATION FORM. Include a voided check with the completed form when you send it to the Township Building, 1580 Paoli Pike, West Chester, PA 19380. Alternatively, we have a drop box at the front of the building where you can place the completed form and voided check any time of the day or night, no postage necessary.

Sewer/Refuse Discount Program for **LOW INCOME HOUSEHOLDS**

In addition to state and federal programs that offer financial assistance to senior citizens and those with lower incomes, East Goshen Township offers a 5% discount on utility bill to residents who meet certain criteria. To be eligible for this discount, a resident must provide proof of enrollment in one of the following programs, along with completing the East Goshen Township’s Discount Program form by December 31, 2022:

Senior Citizen Property Tax or Rent Rebate Act (file a PA1000 with the State)
 Pharmaceutical Assistance Contract or the Elderly Act (PACE)
 Federal Food Stamp Act of 1977, as amended through 2030
 Women’s, Infants and Children’s Nutrition Improvement Act
 Aid to Families with Dependent Children
 Public Assistance Law

Residents already enrolled in this program must re-apply each year. The Discount Program Form is available by contacting Chris Boylan at the Township cboylan@eastgoshen.org or 610-692-7171.

Sign up to receive NOTIFICATIONS

East Goshen Township uses Constant Contact for non-emergency communications, such as when utility bills are mailed, upcoming meetings, park and recreation events and other notices of general interest. Visit our website at www.eastgoshen.org. Select the blue button on the home page ENOTIFICATION. Choose your topics of interest and stay informed!

1010 Hershey Mill Road Land Development – Conditional Use Hearing Set for January 17th

The property at 1010 Hershey Mill Road is currently going through a process known as *Conditional Use* (CU) which will include an upcoming hearing in front of the Board of Supervisors to determine the proposed use by a developer. The CU is currently for a proposed subdivision of 13-15 (final design still not done) new single-family homes on the property, which totals over 15 acres.

If there is any interest in this hearing, it will be in conjunction with the regularly scheduled board meeting on **Tuesday, January 17th at 7:00 PM.**

If you cannot make it there will still be opportunity for public discussion in the first half of 2023 as the developer will still need to go through the land development process in front of the Planning Commission and Board of Supervisors after the *Conditional Use* process is completed.

Went Walkabout One Day

Spied a convocation of eagles on a high ledge.
Passed a gaggle of geese, a charm of magpies,
a conspiracy of crows, a parliament of owls,
and a cloud of bats just hanging around,

which reminded me of a safari where I watched
a streak of tigers flush a zeal of zebras
while a cackle of hyenas warned a prickle
of porcupines to slink in the shade. By the water

A congregation of alligators shared a drink
with a tower of giraffes and a coalition of cheetahs.
All of which made me realize that humans, aka
llamas in pajamas and walkie-talkie mamas,

could actually learn a lot about community by,
even occasionally, simply looking around.

***All of these are colloquial names for different species
(non-scientific, but descriptively fun!)

What's happening at WEGO Police Department

New Hires

WEGO PD recently hired three new part-time officers: Ofc. Robert Wheatcraft, Ofc. Jason Listmeier, and Ofc. Meghan Bevenour

Re-Accreditation:

On October 28, 2022, the Pennsylvania Law Enforcement Accreditation Commission voted to Re-Accred the Westtown-East Goshen Regional Police Department. Accepting the award for the third time is our Accreditation Manager Mary Lee with Chief Thomas E. Ruzinski, PLEAC Chairman, and Chief Scott Bohn, Executive Director of the Chief's Association.

Donation Drives:

This Fall, WEGO PD participated in six donation drives! Follow us on FB and IG to stay updated on our annual fundraisers.

One Warm Coat: We collected gently used or new winter coats, scarves, gloves, and hats for adults and children in need to donate to One Warm Coat. Donations benefit Cradles

to Crayons, Food Pantries, Homeless Shelters in the tri-county area, and the Veterans Hospital in Coatesville.

Blue Beards for Charity: BBC was established by police officers in Chester County in 2020 to give back to the community by supporting the following charities:

Unite for Her, The Sambuco Children's Education Fund, A Child's Light, and the Chester County Crime Victims Center. This year we will also be supporting the family of Officer Josh Micun who tragically passed away due to Covid in 2021. Officers donated money to grow a beard and community members were able to buy yard signs supporting the department with proceeds going to BBC.

Toys for Tots: The Marines Toys For Tots campaign is a not-for-profit public charity with the primary goal of being able to distribute new unwrapped toys to less fortunate children at Christmas. You can find our donation box conveniently located in the lobby of our police station.

911 BBQ: a fundraising event to raise money for the Crime Victims' Center of Chester County. Congratulations to the WEGO Team (pictured) for winning the coveted "People's Choice" award.

Infant Supplies Drive: WEGO held a drive for infant supplies to donate to a local women and children's inpatient treatment center

Inaugural Josh Micun Cornhole Tournament: Teams registered for the cornhole tournament hosted by WEGO PD/ WEGO Police Association and all proceeds went to the Micun Family. Officer Josh Micun who tragically passed away due to Covid in 2021, survived by his wife and children. Josh began his career with WEGO in 2015 and was chosen by his peers as Officer of the Year in 2019.

WEGO PD Cont'd

The Women of WEGOPD

WEGOPD currently has three women sworn in: Chief Brenda Bernot, Ofc. Valeria Arevalo, and Ofc. Meghan Bevenour. "The national average for sworn women police officers is approximately 13%, up from just 3% in the 1970s" (University of San Diego). We are grateful to have these women and hope to continue to grow that number!

Chief Brenda Bernot

Officer Valeria Arevalo

Officer Meghan Bevenour

Futurist Committee Members Needed!

The East Goshen Township Futurist Committee is seeking additional committee members. The committee is focused on long-range strategic initiatives for the township that amplify the township's Mission of "Respecting the Past, Serving the Present, Preparing for the Future."

Over the last three years, our way of life has endured much, and how people work and live has changed drastically. Working from home has become a new standard for many, changing what homeowners value in features and amenities in their homes and communities. More and more individuals are choosing to retire in place as affordability and housing markets continue to fluctuate. A focus on the future has never been more critical.

I have spent most of my life in East Goshen Township; I was fortunate enough to grow up here - moving away a few times but always returning. I am lucky to live and raise my own family in the township I have called home for most of my life. My wife and I chose East Goshen as a place to put down our roots for all the wonderful reasons so many do. Access to award-winning parks, a strong sense of community, a tremendous public works department, excellent schools, access to major roadways and public transportation while retaining a suburban/rural environment, and so much more. It is no secret that East Goshen Township is one of the premier communities in Chester County and the Greater Philadelphia Area.

The goal of the Futurist Committee is to preserve and enhance all the great things that make East Goshen what it is while also safeguarding the future to ensure it continues to attract new lifelong citizens and families. Please consider joining our committee, making your voice and ideas a part of East Goshen's bright future.

Jeff O'Donnell, Jr - Committee Member.

WHAT'S HAPPENING AT GOSHEN FIRE COMPANY?

SUNDAY BREAKFASTS ARE BACK

Some say our breakfasts are the best deal in town! For 10 bucks (\$6 for kids) you can feast on eggs, pancakes, French toast, potatoes, and creamed chipped beef. Breakfast meats? Yeah, we got 'em...bacon, scrapple, sausage. Fruit, donuts, pastry, coffee, teas, juices. All you care to eat, lovingly prepared by Goshen volunteers. 8AM until noon on the 4th Sunday of the month. 2023 dates are 1/22, 2/26, 3/26 and 4/23. We are off for the summer, and resume in September. All proceeds benefit Goshen Fire Company.

NEVER STOP TRAINING

Monday evenings are for training...these photos from a recent "Master Streams" training show how a little friendly competition can make it fun. A barrel is suspended on a wire above the firefighters and teams of two will push the barrel toward each other to demonstrate precision in hose control.

These 2 firefighters are demonstrating proper hoseline technique. One is on the nozzle and one is securing the hose.

Moving the barrel down the wire teaches control and accuracy

WHAT'S HAPPENING AT GOSHEN FIRE COMPANY? Cont'd...

ANNUAL FUND DRIVE

Watch your mailbox at the end of the year for our mailer containing important information on how you can save money with a Goshen Fire/Ambulance annual subscription.

What are the advantages of an annual subscription?

As an annual subscriber, you won't be responsible for any fees or copays not covered by your insurance. Many plans do not cover the entire cost of an ambulance transport, which can start at \$1,100.00.

There are 5 levels of service, so you can tailor a subscription to your family's needs.

You will be supporting your local fire company, which needs your support now more than ever.

Questions? Email us at ambulancebilling@goshenfireco.org

Our Fire, EMS and Fire Police divisions always welcome new volunteers; training and equipment is provided at no cost to you! Have a special skill you can share with us? We also need volunteers to help with marketing, administration, finance, fund raising and special events. Go to www.goshenfireco.org/volunteer for information on how you can join us. Follow us on Facebook at Goshen Fire Company.

OH, THE HOLIDAYS! DECORATE, TASTE – WATCH YOUR WASTE!

By Patti Lynn
Recycling Resources Manager

Quick – what time of year generates the most trash for landfills? That’s right, it’s the holiday season. Online shopping and shipping, wrapping paper, more uneaten food, toys, and electronics being replaced. You get the idea. Household waste increases about 25% this time of year!

Can you be more TrashSmart? Try these ideas (or even just one!):

- ❖ Downsize – Smaller gathering, less decorations, careful gifting* so you create less waste
- ❖ Reusable, durable plates and silverware, cups, napkins, tablecloths (ask about renting)
- ❖ Shop (and wrap!) with reusable bags!
- ❖ Plan for guests to bring a dish in their own containers they can take back home, OR
- ❖ Have guests bring reusable containers for leftovers they may take home
- ❖ Cleaning the house – old socks for dusting rags; microfiber fleece cloths are washable
- ❖ Vinegar for glass surfaces
- ❖ Electronic invitations – Evite®, Greenvelope, Punchbowl®, Zazzle, Inc.
- ❖ [Online resources](#) can help you plan how much food you need
- ❖ *Gifts for experiences – tickets to an event, museum or zoo membership, cooking class or trip
- ❖ *Gifts of your time – Babysitting, pet sitting, gardening help, lessons for a new hobby, teach someone a new skill
- ❖ *Gift cards for services, not goods – gas stations, car washes, hair/nail salon, massage, lawn service, audio books, pet services
- ❖ Homemade food and gifts show your creativity, time, and effort
- ❖ Reusable, useful containers such as cookies in a flowerpot, or jewelry in a new pair of gloves

RECYCLING BIN: Non-metallic wrapping paper and greeting cards without batteries

COMPOST: Evergreens, tea bags, coffee grounds, leaves, twigs, fresh cranberries

GARBAGE CAN: Cellophane, tissue paper, musical greeting cards, plastic ware

BATTERIES are special - [Here’s what to do with them](#)

So, this year...celebrate how mindful you are with sustainable consumption and disposal practices. What GOOD behaviors and habits can YOU start on your way to being TrashSmart? And New Year’s resolutions are just around the corner...

###

Winter Weather and Snow Removal

Pre-storm Preparedness Checklist:

- No on-street parking to allow efficient and safe plowing/salting
- Clear snow from any fire hydrants on or near your property
- Keep a safe distance from all plow trucks
- Avoid all unnecessary travel
- Have a 7-day supply of all medications
- Have 1 gallon of water per person per day on hand
- Have a 3 day supply of non-perishable food
- Have baby supplies, diapers, formula etc.
- Flashlights and batteries
- Radio - battery operated
- Blankets
- Full tank of propane for grill
- Have your gas tank filled
- Have your pets inside; make sure they have 7- day supply of food
- Have dry wood in a garage or covered for the fireplace or woodstove

Mailbox Maintenance:

1. Expensive/Ornate mailboxes should be removed with a basic mailbox for the winter months
2. Mailboxes should be located so the face of the box is 6 - 8 inches from the edge of the curb. This is according to USPS guidelines. We suggest to put them as far as 15 inches back from the road edge.
3. Is your mailbox sturdy? Plastic mailboxes tend to become brittle from the sun's UV rays. Make sure the door on the mailbox is closed tightly. If the door is missing or open the mailbox is sure to "fold" on impact of the snow.
4. The East Goshen Township Board of Supervisors have passed a resolution that states the Township will reimburse a resident \$25.00 for replacement or repair for a damaged mailbox, provided the resident has advised the Township of said damages within one week of the snow removal operation. The Township does not repair any mailboxes.

Snow Removal

1. We put a layer of brine on the road before the snow event starts; this prevents snow from bonding to the pavement and creating ice.
2. Then we put a layer of salt down on the roads when the snow event starts.
3. Once the snow starts to accumulate the plows begin to make one pass in and out of every street until the snow stops.
4. When the snow stops we begin to clear the streets by pushing the snow to the curb.

5. When clearing your driveway **do not** deposit the snow into the roadway; this can cause hazardous conditions to other motorists.
6. Cul-de-sacs and storm drains are the final areas to be cleaned up after a storm.

Important Information on Snow Removal:

1. Do Not park on the street during a snow event.
2. When shoveling your driveway leave the last six feet of your driveway un-shoveled until the plowing has ceased. This un-shoveled part will allow the snow being pushed by the plow to remain on the plow and not into your driveway.
3. The Township does not plow residential driveways.
4. If an ambulance has been called to an address in the Township we will help bring in the emergency vehicle.
5. Please bear in mind; we cannot be everywhere at once. We will plow all roads in order of traffic priority, the main roads then secondary roads.
6. Our snow plow drivers are asked to take precautions to avoid striking mailboxes with their plows but snow can be extremely heavy and a cold brittle mail box can come down easily.

East Goshen Municipal Authority

Investing For Our Future

The East Goshen Municipal Authority (EGMA) is responsible for the management and disposal of effluent wastewater generated in East Goshen Township. Approximately 30% of that wastewater is handled by our own plant, the Ridley Creek Sewage Treatment Plant, located near Towne Drive in the east end of the township. The remainder is transferred by a series of pumping stations to the West Goshen Wastewater Treatment Plant on South Concord Road, operated by the West Goshen Sewer Authority.

The EGMA, which is a legally separate entity from the Township, is responsible for financing the construction, expansion, monitoring, and upgrade of the Township's sewage collection and treatment infrastructure. Currently, there are several construction projects which the EGMA is implementing. These include:

Ridley Creek Sewer Treatment Plant (RCSTP)

UV (ultraviolet) Disinfection System Replacement - Existing system replacement UV bulbs are not available since the installed proprietary system is no longer manufactured. The system was installed in 2010. An application has been submitted for a Local Share Account (LSA) grant; that grant would pay for the majority of the project construction cost. Construction is scheduled for 2023.

Caustic Soda Project to improve worker safety and efficiency at the plant. - Caustic soda is currently added in the treatment process by workers carrying 50-pound bags of caustic soda and pouring directly into the treatment tanks. The new system will inject liquid caustic soda directly into the treatment tanks. The caustic soda storage tank and feed pumps are currently (Fall 2022) being installed at the RCSTP.

Influent Flow Meter - This project is the replacement of the influent flow meter system at the RCSTP. The new meter pit has been constructed and a new meter is currently (Fall 2022) being installed.

Hershey Mill Estates Trunk Sewer Replacement - this project is the replacement of approximately 2,700 linear feet of 8-inch sanitary sewer in the Hershey's Mill Estates development. The existing sewer pipe has experienced settlement, collapse, clogging, back-up, and maintenance problems. Design and permitting for the project are complete. An application has been submitted for a LSA grant; that grant would pay for the majority of the project construction cost. Construction is scheduled for 2023.

Supplee Valley Sewer Pipe Lining - this project is the lining of the remaining asbestos sewers in the neighborhood. Sewer pipe lining is a process used for the repair of cracked, leaking, backed-up, and damaged sewer lines. Using a no-dig trenchless process, sewer lining involves inserting new epoxy saturated pipe tubing into existing pipes, inflating the tubing, and curing it in-place. A portion of the Supplee Valley sewer pipe lining was completed in 2021; the remainder is expected to be completed in 2023.

Any questions may be directed to members of the East Goshen Municipal Authority, which meets monthly on the second Monday of the month at 7:00p.m. in the Township Building.

Now that our mission has expanded beyond its original scope, it is our privilege to be working even harder to assist and inform our neighbors living in East Goshen Township.

We have launched a Facebook and Instagram account on which we post suggestions several times each week for residents and visitors to live more sustainably. If you are a Facebook or Instagram user, we hope you will friend us! You can find us at East Goshen Esac. Our very first post was passed along and picked up on other pages, one of which has been liked over 300,000 times!

It is our practice to participate in as many East Goshen Township events as possible. Here are a few fun photos from events in October.

Mark the date of

Saturday, April 15th on your calendars for what we expect will be our second annual Sustainability Expo. This was so well received last year that West Goshen Township has approached us about offering a joint Expo this year. Stay tuned! We will need more space, so have reserved our EGT Park for that date.

Are you considering solar panels? The Inflation Reduction Act (IRA), passed recently brings back federal tax credits for solar installations to 30%. They were set to expire at the end of 2023. With electricity and heating prices dramatically increasing, now is a great time to explore solar options. Many who have installed solar have eliminated several months worth of their total electric bill. In some cases, their total annual electricity bill has been wiped out! For more detailed information, go to: Federal Solar Tax Credit Resources Department of Energy.

Finally, given the increased costs of services, materials and labor facing our Township, we have a few questions to ask of our residents in our capacity as advisers to the East Goshen Supervisors on

environmental and sustainability issues. If you agree with any of these suggestions, not only will you be helping the environment, but reducing costs for our Township.

1. At present recyclable items are picked up once a week, and trash is picked up twice a week. Many communities are moving towards a once a week schedule for trash pick up, thereby offsetting their communal carbon footprint by burning less fossil fuels with low mile per gallon trash vehicles on the roads less often. Residents can put out extra trash cans if needed, so this does not necessarily cut truck traffic in half, if the trash load remains the same. Some trucks may need to do a few extra trips each week, but most communities do find a substantial reduction in carbon emissions, along with reduced costs in vehicle maintenance and labor. Is your household willing to consider once a week pick up for trash, as well as a weekly pick up for recyclables?

EGT is committed to an aggressive recycling campaign, even though costs associated with recycling are increasing. Is your household willing to make a concerted effort to purchase less items in plastic packaging? To refuse single use plastic bags by bringing your own multi-use bags to shop? And finally, to consider a single use plastic bag ban for East Goshen, as West Goshen and West Chester Borough have already done? (Some retailers are already doing this.)

Please let us have your thoughts and responses by writing us at sac@eastgoshen.org.

Latest News from the Malvern Public Library

Find us on the web at www.malvern-library.org

Check out our lineup of events for the New Year! Use our QR code or visit Malvern-library.org to sign up, today!

Book Club- Every third Tuesday of the month at 9:30am

Join us for our monthly book discussion. Stop by the library anytime to pickup your copy of the selected reading.

Zoom Yoga- Every Monday at 7pm

Join Molly Tierson for a gentle, wind down yoga session every evening. Please register online individually for each session.

Malvern Poetry Circle- First Monday of the month at 2pm

Poetry lovers who wish to read and discuss poetry aloud.

Malvern Poetry Writing Group- Third Monday of the month at 2pm

Poetry lovers who wish to begin learning how to write for themselves, as well as more experienced writers wishing to hone their craft, are equally welcome to join.

Soup for the Soul- January 23rd at 1:30pm

In this cooking demonstration you will learn two healthy and nutritious soup recipes to keep you warm on cold winter days. Butternut Squash and Minestrone soup will be highlighted in this demo.

How to Find a Good Home Care Provider- January 28th at 1pm

This presentation will teach attendees some of the key factors to look for when trying to find a home care provider. How to tell if a home care provider is good for you or your loved one and what you can expect from a home care provider.

Beekeeping 101- February 27th (Time is To Be Determined)

Join us in February for an intro level tutorial on how to start keeping your own bees! Keep an eye out on our online calendar of events for the updated time of this presentation.

Women's History Presentation- March 28th (Time is to Be Determined)

Keep an eye out on our online calendar of events for an upcoming presentation on notable events in the course of women's history.

Children's Programming:

Join Ms. Megan for all or any of her weekly Storytime read-alouds! These are held Tuesday and Thursday mornings at 10:30.

If you're up for some arts and crafts, drop by for Craft Time on January 11th at 4pm. We'll also have a short story and craft for older kids who love art, Art Historians Junior, January 19th at 1pm.

Lego Club meets monthly for your young engineers, January 23rd at 4pm will be the next meeting date. Did you know we have a 3D printer? It's true! Tinker Time will be held on January 31st at 4pm. Design and print your very own 3D creation.

Park and Recreation Fall Review

On behalf of the Park Commission, thank you again for a wonderful year in our parks. We sit here in December, reflecting back on a year full of special events, programs and opportunities for so many people to make life long memories at our parks. Speaking of our parks, does anyone want to venture a guess as to how many visitors East Goshen Township and Applebrook Park get per year? In 2018, we did a formal study and found that we had over 495,000 visits that year! Since COVID, park usage nationally has increased 25%, which means we most likely get 600,000 visits a year now! Why do we mention this now? We want you to applaud yourself for getting out into the parks, and encourage you to keep going! Explore a new activity! Come play bocce, pickleball or tennis. Utilize our fitness zone or give Essentrics a try. Or, simply scan through the remainder of this newsletter and earmark all that 2023 has to offer in the park!

This was an exceptionally fantastic fall in the park. The Chester County Art Walk in late September was a hit, with 65 artists and plenty of folks dotting a line from the park to the Township Building. Our “Parkapalooza” day of the Pumpkin and Food Truck Festival was the biggest day in EGT Park history, we had over 4,000 people at the Pumpkin Festival and another 3,000 at the Food Truck Festival. We even saw some families leave the Pumpkin Festival at 1p, grab a blanket and sit by the Food Truck Festival until it started at 2:30p, they really

made it a day in the park!

Our 2nd annual Toddler Trick or Treat on the playground hit a maximum of 150 kids and we had over 400 people on the playground, engaging

with over 20 local businesses, organizations and community groups. On the park maintenance side of

things, you may have noticed the footbridge near the basketball courts has been replaced. In just twenty-four hours our amazing Public Works Department had an alternative bridge and trail built! Just another example of the herculean work our folks do to ensure our

parks are always in tip-top shape!

As we turn the page to 2023, we have a lot to look forward too. New dedicated pickleball courts will be constructed in place of the painted courts. We are thrilled to make this project a reality and will update you once we have the construction schedule. The bocce courts will be open and we will do demos on how to play when it gets warmer out. Also, keep a look out for a few new and exciting destination bus trips too- more info to come in early spring!

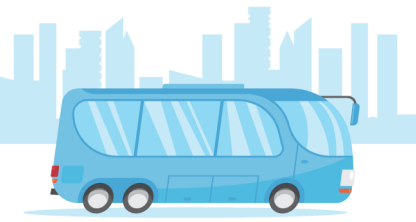

We hope you have a wonderful holiday season surrounded by family and friends. Hope to see you in the park soon.

EGT Park and Recreation Commission

Parks and Recreation Input Needed

As 2022 comes to an end and we are starting to plan for 2023, we could use East Goshen Residents Feedback! Please take a few minutes to answer our surveys to help us plan for future programs, events and trips. If you have any suggestions for programs, trips or events please contact our Recreation Program Coordinator, Jess Wilhelmy at jwilhelmy@eastgoshen.org.

We are looking to add two new bus trips for 2023 and we need your help with planning! Please use the link to take a quick survey to help finalize the trips. Trip info will be advertised early spring.

- Spring 2023 - Private sail on Kalmar Nyckel
- Fall 2023 - Dutch Apple Dinner Theatre (Matinee show)

📍 2023 BUS TRIP INPUT NEEDED

The RC motorsport industry has boomed in popularity in recent years. Tracks and crawling course are starting to become popular, along with competitions. There are very few places to take your cars in Southeastern PA so East Goshen Parks and Recreation is looking into creating a fun location. After all this is a form of recreation for all ages! Become apart of the discussion and take this quick survey so we can gauge if this is something our community wants.

Pavilion Rental FAQ

We have a new process on how to reserve a pavilion and an updated permit application. We will begin accepting permits for 2023 on January 3. Click here for the new [pavilion permit application](#). Please see below for the updated park pavilion permit information.

Pavilion Rental Season - March 1 to December 31. Rentals can only be made for the current calendar year.

Group Size: Groups larger than 25 are required to submit a permit. Any organized group no matter the size wanting to use the pavilion for a specific date must submit a permit to guarantee the pavilion.

Pavilion Locations: Ira Hicks Pavilion is near the playground and the preferred pavilion for children's birthday parties. Veterans Pavilion is near the football field and is better for privacy and ADA Bathroom needs. Both pavilions have picnic tables, grills, electric, water access and are close to a bathroom facility. Grills are for charcoal only. No propane grills are permitted.

Time: We offer two time slots (9:00am to 2:00pm or 3:00pm to Dusk) or renting it for the entire day. Your allotted time includes set up and clean up.

Fee: Groups 25 or larger have the following fee

Time Slot (9:00am to 2:00pm or 3:00pm to Dusk)

\$100 - East Goshen Township Resident

\$200 - Non- Resident or Organization/Business

All Day (9:00am to Dusk)

\$200 - East Goshen Township Resident

\$400 - Non- Resident or Organization/Business

Payments: Checks only. Please make checks to East Goshen Township.

Refunds: A refund will be given if you notify East Goshen Township Parks and Recreation by email the night prior to your rental.

How to reserve a pavilion: We will hold your time and date for one week. After one week if we do not have your completed application and payment you are forfeiting your date and time slot.

Other Facility Request: Tennis/ Pickle Ball Courts, Bocce Court, Basketball Court and Ball Fields require a separate permit and fees if you want to use it during your rental.

Third Party Vendors: You may have moon bounces and other inflatables from a third party vendor. You need to provide copy of their Liability Insurance naming East Goshen as an Additional Insured.

East Goshen Township – Parks and Recreation

After School/No School Youth Programs

Program: Crafts after school

Age: 6 to 8 years old

Time: 4:00pm-5:00pm

FITNESS

ESSETRICS® Aging Backwards

Session A: Thursdays, January 5 - February 16

Session B: Thursdays, February 23 - April 6

Time: 5:30pm - 6:30pm

Location: East Goshen Township Building

Description: It is an age reversing, slow paced full body workout that will restore movement in your joints, flexibility in your muscles, relieve pain, stimulate your cells to increase energy, vibrancy and boost your immune system. This workout draws on the flowing movements of tai chi which create health and balance, the strengthening theories behind ballet which create long lean, flexible muscles and the healing principles of physiotherapy which create a pain free body. No matter your age or fitness level, this program is for you!

Instructor: Charo Evangelista

Fee: \$105 (each session)

Gentle Yoga

Date: Thursdays, January 5 – April 6

Time: 4:00pm - 5:00pm

Location: East Goshen Township Building

Description: Suitable for seniors, beginners, and students who have taken yoga before looking for a slower paced class. This slow paced class can help slow down the effects of the aging process by maintaining muscle softness and flexibility, keeping the mind alert and awake, encouraging relaxation and strengthening muscles and joints. Improve cardiovascular health, sleep, and balance encouraging the body, mind and spirit to remain healthy and strong.

Instructor: Charo Evangelista

Fee: \$ 105

Yoga Flow

Date: Tuesdays, January 3 – April 4

Time: 5:30pm - 6:45pm

Location: East Goshen Township Building

Description: Experience gentle Yoga flows, which combines posture, breath, focus, and meditation. With this practice you will notice that not only your body changes, but you also become aware of a subtle change in your approach to life, through persistently toning

and relaxing the body and stilling the mind, you begin to glimpse a state of inner peace which is your true nature.

Instructor: Charo Evangelista

Fee: \$125

Move Your Body. Still Your Mind.

Date: Tuesdays, January 3 – April 4

Time: 4:00pm - 5:00pm

Location: East Goshen Township Building

Description: Rediscover your innate ability for effortless, organic, efficient, and graceful movement. In class you will be guided through a sequence of gentle stretches, full body movements, breathing and relaxation techniques, exploring your body from the inside. As you increase body awareness, improve flexibility, coordination, and balance, you can also find more comfort, harmony, and joy in other aspects of your life.

Instructor: Charo Evangelista

Fee: \$105

Reduce Inflammation & Pain w/ Castor Oils Pack

Date: Wednesday, January 25, 2023

Time: 5:30pm - 6:00pm

Location: East Goshen Township Building

Description: Do you suffer from arthritis, joint pain, inflammation, gout, digestive issues?

The main benefit of castor oil packs is their ability to promote the healing of various parts of the body without having to ingest the oil. It is a simple technique that can reduce inflammation, improve blood and lymph circulation. Learn about the health benefits of castor oil, how to prepare the packs and when to use them.

Instructor: Charo Evangelista

Fee: \$20

East Goshen Township – Parks and Recreation

FITNESS CONTINUED

Kids/ Teen Yoga for Stress & Anxiety

Location: East Goshen Township Building

Description: “I am so stressed” is a common phrase heard daily from kids grade school to college as children deal with demanding schedules, pressure to excel, changing bodies, bullying and are bombarded with social media and technology. Signs of anxiety can include fatigue, muscle tension, sadness, restlessness, loss of interest, tiredness, feeling nervous, disturbance in sleep or appetite, excessive worry and depression. Yoga helps kids manage the stress & anxiety, develop healthy habits and emotional intelligence. In turn, this gives students more tools to lead healthy lifestyles as they move into adulthood. The sessions included breathing exercises, guided relaxation and yoga poses appropriate for children.

Instructor: Charo Evangelista

Fee: \$ 15

Kids Session:

Age: 9 - 12

Date: Wednesday, February 1, 2023

Time: 4:00pm - 5:00pm

Teen Session:

Age: 13 - 17

Date: Wednesday, February 8, 2023

Time: 4:00pm - 5:00pm

Introduction to ESSETRICS® Aging Backwards.

Date: Saturday, February 11, 2023

Time: 10:00am - 11:00am

Location: East Goshen Township Building

Description: Learn about this age reversing, slow paced, full body workout that will restore movement in your joints, flexibility in your muscles, relieve pain, stimulate your cells to increase energy and vibrancy and boost your immune system. Created by Miranda Esmonde-White, the New York Times best-selling author of Aging Backwards and host of the award-winning PBS special Aging Backwards, this workout draws on flowing movements of tai chi which create health and balance,

the strengthening theories behind ballet which create long lean, flexible muscles and the healing principles of physiotherapy which create a pain free body.

Instructor: Charo Evangelista

Fee: \$20

Virtual Zumba® Toning with weights

Session 1: Wednesdays, Jan. 11, 18, 25, Feb. 1, 8, 15, 22

Session 2: Wednesdays, March 8, 15, 22, 29, April 5, 12, 19

Session 3: Wednesdays, May 3, 10, 17, 24, June 7, 14, 21

Time: 6:00pm - 7:00pm

Location: Virtual on zoom

The fun Zumba music and dance steps but put extra emphasis on toning and sculpting to define those muscles! The challenge of adding resistance by using Zumba® Toning Sticks (or light weights), helps you focus on specific muscle groups, so you (and your muscles) stay engaged!

The lightweight maraca-like Toning Sticks enhances sense of rhythm and coordination, while toning target zones, including arms, core and lower body.

Instructor: Pamela Nelson

Fee: \$50 per session, single class \$8

jwilhelmy@eastgoshen.org for more info

Bring One Take One Library

Is located in the lobby of the township building. The book selection has been restocked courtesy of Second Reading in the Parkway Shopping Center.

This free library is open to adults in our township. Please do not drop off a large quantity of books.

We want to keep this as it is...bring one you've read and then take one from our selection you want to read.

Happy Reading!

Medication Collection Box Available in Township Building

A permanent medication collection box has been added to the East Goshen Township Building lobby. This convenient location is available to residents between the hours of 8:00 a.m. - 5:00 p.m., Monday through Friday. This box is in addition to the one located at the Westtown - East Goshen Regional Police Station at 1041 Wilmington Pike.

Medication collection boxes offer residents the opportunity to safely and anonymously dispose of unwanted and expired drugs and medications.

Accepted:

- ◆ Prescription Medicines
- ◆ Over-the-counter medications

Not Accepted:

- ◆ Illegal Drugs
- ◆ Needles
- ◆ Lotions or liquids
- ◆ Inhalers
- ◆ Aerosol cans
- ◆ Thermometers
- ◆ Hydrogen peroxide

- Bleach & Cleaning Supplies

State Roads:

Boot Road, Greenhill Road, N. Chester Road, Strasburg Road, West Chester Pike and Paoli Pike.

Any residents living on a state road that needs road repair or has trees down or pot holes may call PennDOT at 484-340-3200.

Web Site:

The answers to most questions about the Township can be found by visiting www.eastgoshen.org. In particular, the FAQ section, which can be found under the "About Us" tab, is a very useful resource for residents.

Broken Water Main:

Call Aqua Pennsylvania at 610-525-1402, 24 hours a day

Call Before You Dig:

If you have to dig or excavate on your property, please remember to call before you dig.

PA One Call: 1-800-242-1776

**Know what's below.
Call before you dig.**

Clogged or leaking sanitary sewer lines; sewage smell in the creek:

Contact East Goshen Municipal Authority at 610-692-7171 during regular business hours. During weekends or after hours on weekdays, call 911.

U.S. Flag Disposal:

Any U.S. Flag that is torn or faded and needs to be disposed of properly can be dropped off at the Township for a proper retirement. A local VFW will conduct a proper flag retirement ceremony to dispose of it.

2023 Trash & Recycling Pick-Up Days

Attention: Change in Trash Collection Dates Upcoming on January 1st!

Please be advised that effective January 1, 2023, we will switch your trash collection days for the next three years. Residents currently on the Monday (trash & recycling) and Thursday (trash only) cycle will be moved to Tuesday (trash & recycling) and Friday (trash only), and vice versa.

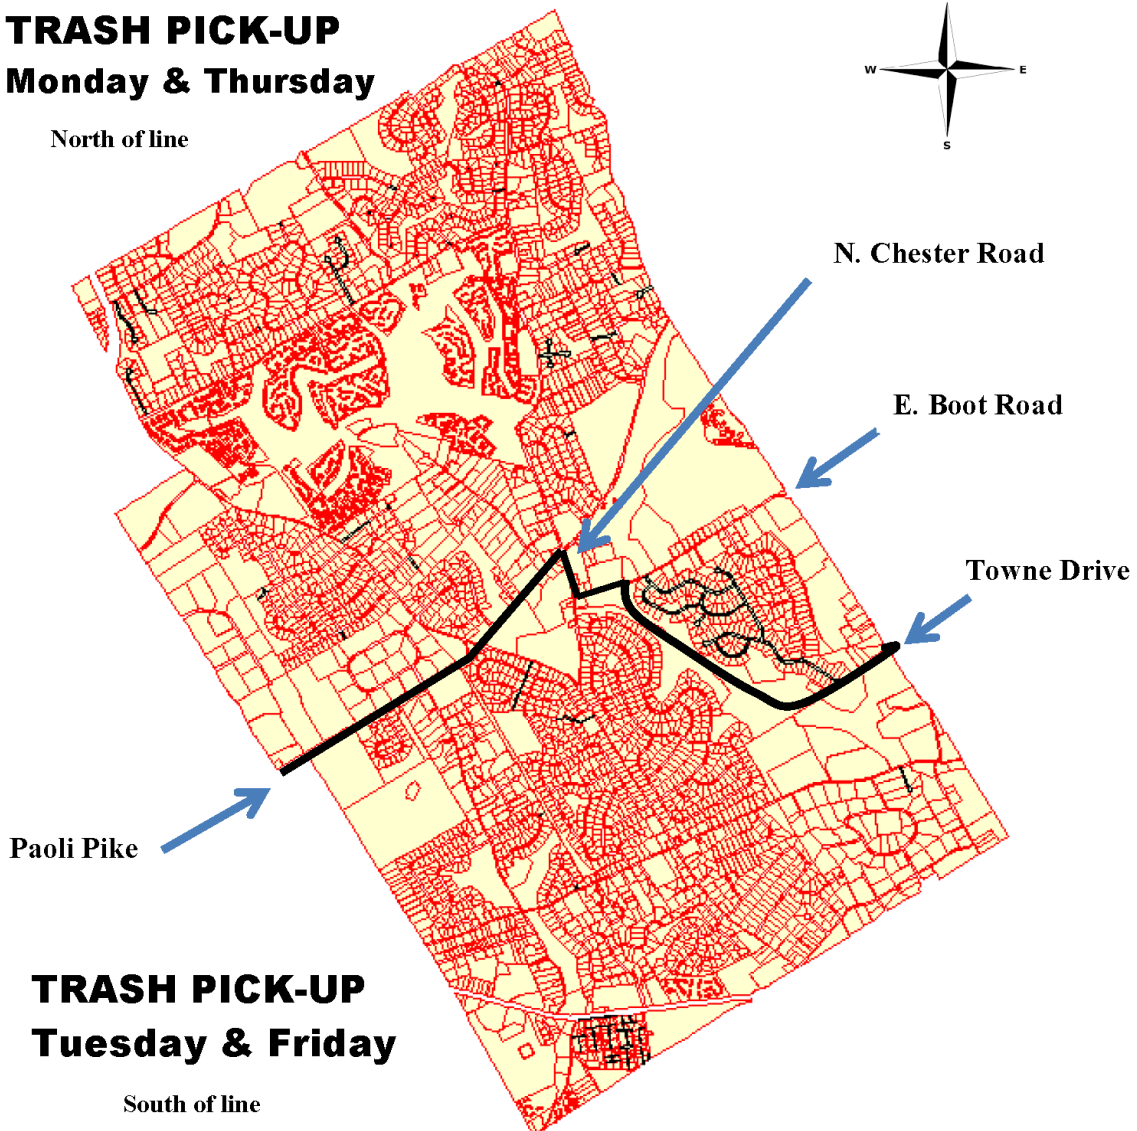

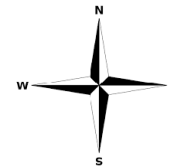

The switch is done to ensure fairness across the Township, as residents who have Monday & Thursday service receive fewer pick-up days than those on Tuesday & Friday, due to the trash holidays of Memorial Day, Labor Day, and Thanksgiving always falling on either a Monday or Thursdays.

Please pass this information on to your neighbors as well!
