

East Goshen Township Electronic Debit Program

The Township is happy to announce that they have implemented an electronic debit program for payment of sewer and refuse bills. This program is an electronic system that automatically pays your township utility bill. Once you are enrolled in this program your quarterly sewer and/or refuse payment will be automatically deducted from the bank account you provided us.

More great news... There is no charge for this program! It is absolutely free.

Residents enrolled in the program will be sent a notification at the beginning of each quarter giving approximately 30 days advance notice of when the money will be withdrawn from their bank account. Deductions occur quarterly on February 20, May 20, August 20, and November 20 (if those dates fall on a weekend the deduction will occur on the next business day). Enrollment may be revoked at any time upon written notice to the Township to discontinue automatic payments.

Please call the Township at 610-692-7171 and ask to speak with Chris Boylan at extension 3104 if you have any questions. Additional applications can be obtained at the Township Building.

East Goshen Township Payment Authorization for Electronic Debit Program

Name & Account#: _____

Address: _____

Phone & Email: _____

Financial Institution: _____

Bank Routing & Account Number: _____

Signature: _____

I authorize East Goshen Township to instruct my banking institution to make my sewer and/or refuse payments from the account listed above. I understand this authorization may be removed by me at any time by providing East Goshen Township with a written notice to discontinue my automatic payments.
