5. Approval of Minutes-motion by Mary M and second by Mary K
6. Board Contact Report-David Shuey
  - A. The EG community day was a success with between 3500 and 4000 attendees and many in attendance signed up for PECO home assessments.
  - B. The Board of Supervisors has approved the purchase of 40 trees to be planted to repair the riparian buffer and stabilize the banks of the Creek near Applebrook Park.
  - C. 60 gallon lidded trash bins will soon be available for residents for recycling. The township will announce this on the electronic billboard and through Constant Contact
7. Treasurer's Report- A majority of funds remain in the budget, principally because we did not have to spend much for the sustainability expo as our partner, West Goshen, contributed quite a bit.
  - A. Motion-Christi M, second Christine to approve up to \$500 to be allotted for PumpkinFestival
  - B. Motion-Christi M, second Peg F to approve \$500 for purchase of mosquito dunks, with intention of requesting Board to approve larger purchase next year to distribute to residents who request them.
8. Committee Reports
  - A.Social Media- Mary K and Mary M will tag township for posts, will look for ways to increase followers
  - B.Peg Friese will look for sustainable items as giveaways, such as seed packets and aluminum straws
  - C. Christine McCormick had been giving tours of the Mill Dam Park and residents are impressed with the outcome
