Major Capital projects are funded by multiple revenue sources including Municipal Bonds or Loans, Capital Reserve Funds, Awarded Grant Money (State or Federal), and additional federal or state disbursements (FEMA or ARPA). General Fund debt and Capital Reserve Funds are funded by taxes, while Sewer debt and Sewer Capital Reserve Funds are funded by Sewer Rates. In comparison, Municipal Bonds or Loans are dollars received up-front to pay for high-cost projects, then repaid annually over a long term (principal and interest). At this time, all but \$650K of the original \$8.097M 2017 Bond proceeds are projected to be spent through 2025.

Version 1 8/22/2024

Included in Version 1: current employees with one new Fter added in the last half of 2024 - approved by Commission. NOTE: a FT officer was included in 2024 budget but retired unexpectantly in December of 2023 - not replaced as of June 2024. The 3.75% increase in payroll is according to the current union contract, effective thru 12/31/2025. Administration, most times, is paid the same increase. Administration includes the Chief, the LTs and 5 non-uniformed employees (it will be noted below as "estimated 3.75% increase"). The Chief is requesting 2 drones for 2025 budget (\$25,500). See notes in red below. The Firearms Instructor is requesting new firearms - discussed at the June/July Commission meetings (cost neutral or dip into Firearms Sinking Fund of approximately \$24,000 for training and holsters). Attempted to go outside for insurance quotes but with no success. Have not received firm quotes for our current insurance policies.
