

November 19, 2024

Dear Board of Supervisors of East Goshen Township:

We are pleased to present East Goshen Township's 2025 Proposed General Fund and All Other Fund Budgets.

We are currently projecting a 2025 Preliminary General Fund Budget of Net Zero – neither a surplus nor a deficit. A WEGO (Westtown/East Goshen Regional Police Department) 1.1% 2025 Budget decrease from 2024 in combination with internal cost cutting measures has helped East Goshen to achieve this annual goal. Incorporated are the latest actual and estimates of expenses based on historical and current trends. While this upcoming year will be challenging based on recent inflation and interest rate expectations as well as other economic forecasts, we maintain the goal of a net zero budget which does NOT include borrowing from existing fund balance.

This proposed budget reflects the Township's continued commitment to public safety. The Public Safety budget is projected to be relatively flat with 2024. This includes a funding for WEGO, Goshen Fire Company, Good Fellowship Ambulance & EMS Training Institute, and the Malvern Fire Company. Additionally, we are proud to announce that the 2023 LSA Statewide Grant application submitted by East Goshen Township on behalf of Goshen Fire Company for \$550K toward new apparatus was successful and awarded in October 2024!

In conclusion, we are confident that we will achieve a balanced budget that, while challenging, is possible, while providing critical municipal services within prudent fiscal constraints. As always, we will take into consideration input from the Board of Supervisors, residents, and business owners. This collaborative process is a foundation of our democratic process in East Goshen Township, and we welcome ideas from all East Goshen Township stakeholders.

Sincerely,

Derek
