### **Community Wide Yard Sale at the Township Building Saturday, April 18, 2026 from 9:00AM-12:00PM**

In an effort to create a better yard sale experience for both **sellers** and **browsers/buyers**, we are implementing several new procedures for this year's Yard Sale. These changes are designed to improve organization, visibility, safety, and overall enjoyment of the event. We appreciate your cooperation and participation!

#### **Seller Registration for apartments/condos/gated communities**

- **All Sellers must pre-register** and pay for their spaces to participate.
- Registration:
  - Forms can be found online and at the front desk
  - Online through **MyRec**
- Spaces are limited and available on a first-come, first-served basis.

#### **New Fee Structure**

- **\$5 fee per parking space**
- Vendors may reserve a maximum of **three (3) spaces**
- Parking a vehicle within the event space **counts as using one paid space**

**No refunds** will be issued unless the event is cancelled due to weather

#### **Yard Sign Program (Optional)**

To help promote the event and increase attendance, new yard sale signs will be ordered.

- Interested sellers may participate in the yard sign program
- Signs must be **picked up at the township building**
- **\$10 refundable deposit** is required: Check only. Payable to **East Goshen Township**
- Signs must be returned **within two (2) weeks after the event** to receive the deposit check back
- Failure to return the sign within two weeks will result in the deposit check being cashed

#### **Seller Space Procedures**

- A total of **35 seller spaces** will be available
- Seller spaces are located **along Paoli Pike** for increased visibility to passing traffic
- Sellers will be placed **in order of arrival**, filling the next available space

- This process helps prevent gaps caused by no-shows and preserves parking availability

### Parking Policies & Safety

- Sellers who park **within the event grounds** may not leave until the event ends to ensure pedestrian safety. If you leave early, you will be prohibited from participating **in future yard sales**

### Seller Parking Locations

- Sellers who do **not** pay for adjacent parking spaces must park **behind the building**
- This helps preserve nearby parking spaces for yard sale participants and shoppers

Thank you for helping us make the Community Yard Sale a safe, organized, and successful event for everyone. We look forward to a great day of shopping and selling!
