Approval of Minutes:

Kennan F. made a motion to approve minutes from November and January meeting – second by Derek S. Motion approved unanimously

Chairperson Report:

Apr 8 in EGT is the date of the composting seminar given by Back To Earth

Old Business:

Monarch Butterfly Event Summary - Mary updated the council about the Monarch Butterfly event.

Salt Study Status - Kennan had no update on the Salt study or coordination with Conservancy

New Business:

Review results from ESAC member survey on priorities

Mary presented the priorities and interest from the survey of ESAC members on the priorities for the period 2026-2027

Review and redline draft 2025-2026 Summary chart for March 10 meeting

Mary presented draft charts to be presented at ABC. Committee agreed with the activities and priorities but felt the presentation should be more standard across all the topics. Our consistent methodology is :

- Frame the problem
- Research Solution
- Propose ways to evaluate solutions
- Plan education Opportunities
- Bring to BOS

Larry(presented the charts at the March 10 ABC meeting) agreed to restructure the charts to give each topic a consistent set of steps that align with the above framework.

Grant money for Solar initiatives for municipalities

Mary discussed the results of several Zoom meeting with PASolar on the topic of municipalities in PA getting Tax credits for installation of solar. The Public Works garage was discussed as a possible installation of solar panels. Larry agreed to see if there was any reason why it should not be considered.

May Meeting Discussion

Agreed we should decide in April to move the May meeting as it is Memorial Day.
