"Where amazing happens"

## East Goshen Parks & Recreation Committed to Equity

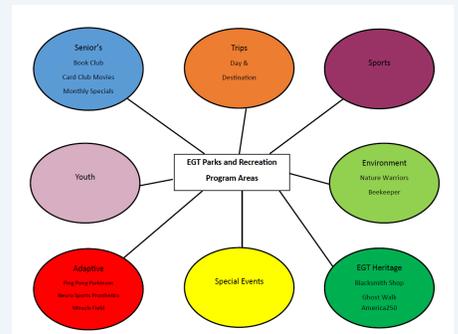

### SE PA Teen Filmmakers Showcase

The SE PA Teen Filmmakers Showcase is a 100% free film festival exclusively for teenagers. Started in 2019 with local teens, it now draws 800+ submissions annually from over 175 countries each year.

Over the course of 2024/25, the Park Commission and department staff worked to realign department programming with strategic goals. New focuses on Adaptive and EGT Heritage shifted funding towards new programming.

New Adaptive programs include PingPongParkinson (PPP) and Amputee Bocce and Ping Pong. We are a PPP chapter, with 20 players each week! This program has gone so well, the Dept. Dir. will be presenting PPP at the 2026 NRPA & PRPS Conferences.

EGPR is partnering with the Miracle League of Chester County to convert the Goshen Parkway baseball field into a fully, accessible Miracle Field complex.
