**Call to Order**

**Pledge of Allegiance & Moment of Silence**

Judy led those present in the Pledge of Allegiance.

Judy asked for a moment of silence in remembrance of Dr. Florence K. Williams, a great educator, historian, volunteer and good friend to the EG Historic Commission. She passed away on Tuesday May 6, 2014.

**Minutes**

The Chairman noted that the minutes of April 10, 2014 were approved with corrections. Pg 2 line 3 - They have a copy of "Benjamin Hickman's Will"

**Treasurer's Report**

Jon Ashul has stressed the importance of spending the \$1600.00 from the Susquehanna Bank fund. With this in mind, all reimbursement requests and fees will be applied against this account until it has been spent and the account closed. Example includes the donation for CCHS and future fees for the services of Heather Hansen will be paid from this account. For the funds/checks to be processed the request will have to be approved by the BOS prior to checks being cut. The question was raised, does this \$1600.00 reduce our budget or is this in addition to it.

**Chairman's Report**

**Calendar of Events - 2014**

Chris and Kathryn will work to get this information on the web. We want to co-ordinate this with the other historic sites.

1 Ben spoke about the re-enactment at Sandy Hollow in Birmingham Township on May 17 & 18.

2  
3 **Old Business**

4 **Historic Resources Research** - Ed Lendrat reported that he is working with Karen Marshal on  
5 finding and clarifying locations for some of the houses and roads associated with the Battle of  
6 Brandywine.

7 We received a letter requesting to start the process of researching the history of the Sullivan  
8 House with the intent of possibly adding it to the Historic Resource List. We have been invited to  
9 visit/view the House as the first step in this process. Chris outlined the process that we would  
10 need to follow to make this happen. The process is basically the same as removal - research, tour,  
11 open hearing and recommendation to the BOS. The suggestion was made that the liaison from  
12 the BOS be present for the visit and participate in the discussions so that they will understand  
13 how the decisions are being made.

14 The commission will begin the process of reviewing the properties that are on the Historic  
15 Resources List. We will organize the list by quadrants and review the resources that exist and  
16 determine if there are any additional sites that might be considered for the list.

17  
18 **Comprehensive Plan Update** - Chris reported that there were some concerns with the direction  
19 of the plan. They stopped and are reorganizing and a revised plan will be put before the BOS  
20 who will then approve or not.

28 The following documents have been prepared: General invitation, Lecture Poster, Historic Home  
29 owner invitation. Electronic copies of all these documents have been provided to Nancy  
30 Scheiderman at the township. The invitations have been sent out to all BOS and all EG  
31 employees. The information has been added to the website, electronic sign, constant contact,  
32 lobby bulletin board and outside bulletin board. Copies have been printed and are on the front  
33 desk and in the rack in the vestibule. Additional copies are available for the commission  
34 members to place where ever they feel it would be useful. A personal invitation will be sent to  
35 the homeowners of the 12 historic properties that still exist from the time of the Battle. Ruth  
36 Kiefer is double checking that we have the correct owner names. Laminated copies have been  
37 made to place in the bulletin board by the PH and in the Park. Electronic copies have been sent to  
38 a variety of neighboring historic groups. As of this afternoon we had 26 people signed up to  
39 attend. The large conference room will hold 110.

40 Dolores and MontaJean will work together to organize a specialized advertising campaign.  
41 MontaJean has sketched up several ideas for frameworks for future posters and informational  
42 flyers.

43 Kathryn has provided the commission with several check lists for items and ideas for creating  
44 advertising.
